Fully revised and updated, this encyclopedia reflects the key advances in the field since the first edition was published in 1999. The articles in this key work, heavily illustrated and fully revised since the first edition in 1999, highlight advances in areas such as genomics and food safety to bring users up-to-date on microorganisms in foods. The Golden Cockerel Kenneth G. Allen, Jr., 2010-02 Kenneth Allen brings the reader on a thoroughly convincing ancient Roman adventure. Experience the brutality and hedonism--and witness the miracles of faith and a father's intense love for his child. - Ronlyn Domingue, author of THE MERCY OF THIN AIR Kenneth Allen creates an ancient Rome so real that you feel the dust between your toes and taste the wine. A truly amazing experience. - Patricia Sprinkle, HOLD UP THE SKY - new novel - coming March 2010. Enter the strange but familiar superstitious Roman world of the first century A.D. where Gaius Petronicus, a small landowner, wins a fourteen year old slave girl Justa, who is dressed as a boy to increase her value, in an arena bet from a local corrupt aristocrat Calitorius Temidis. When Temidis reneges on the bet, Gaius violently forces him to pay. Gaius then returns home to find his house burned, his wife dead and his daughter kidnapped by Temidis's henchmen. With Justa, a Christian convert in tow, Gaius sets off on a quest to find his daughter and exact revenge on the murderers. Gaius is joined by a motley crew

of characters he picks up along the way. He buys a ship named the Golden Cockerel, and the group sails across the stormy western Mediterranean. Gods are implored, vows are made and broken, and revenge is eventually served. The Golden Cockerel is a sword-swinging, apocalyptic, and romantic adventure with a touch of the supernatural, involving witches, omens, ancient gods, and the new God coming over the horizon. Kenneth Allen became interested in Roman history when he walked to school under the only standing Roman arch in England as a boy. The English school system in Lincoln UK emphasized the Roman conquest of Britannia and the exploits of Julius Caesar. Thus began an interest in this period. As a college student in Georgia, he took trips to Italy and developed a fascination with the excavations at Rome, Ostia, Pompeii, and the wonderful buried city of Herculaneum. The works of Henry Treece and Sinbad the Sailor all have influenced him. Kenneth majored in English literature in college and took up creative writing at age 45. His work experience is in business and he currently owns a small company. He teaches short story writing in Atlanta, GA., is president emeritus of the Village Writers Group, and lives there with his wife Pamela.

The Madwoman of Serrano Dina Salústio,2020-04-20 The first novel by a female author to be published in Cape Verde, and the first to be translated into English, *The Madwoman of Serrano* is a magical tale of rural ideals and urban ambition, underpinned by an exploration of female empowerment. Serrano is an isolated village where a madwoman roams. But is she really mad or is she marginalised because she is wise and a woman? Could her babbling be prophecy? One day a girl falls from the sky and is found in the forest by Jeronimo. The villagers are suspicious of the newcomer, but Jeronimo falls in love with her. When she gives birth and disappears, Jeronimo takes care of the child, naming her Filipa. Years later, estranged from Jeronimo after

being taken from the village in mysterious circumstances, Filipa is a successful businesswoman in the city. Her memories of growing up in Serrano and her friendship with the madwoman become increasingly vivid. When the madwoman's warnings come true and Serrano's sheltered existence is threatened by plans to build a dam, Jeronimo heads for the city himself. Will he and Filipa finally be reunited?

Womanpriest Jill Peterfeso, 2020-05-12 This book is openly available in digital formats thanks to a generous grant from the Andrew W. Mellon Foundation. While some Catholics and even non-Catholics today are asking if priests are necessary, especially given the ongoing sex-abuse scandal, *The Roman Catholic Womanpriests (RCWP)* looks to reframe and reform Roman Catholic priesthood, starting with ordained women. *Womanpriest* is the first academic study of the RCWP movement. As an ethnography, *Womanpriest* analyzes the womenpriests' actions and lived theologies in order to explore ongoing tensions in Roman Catholicism around gender and sexuality, priestly authority, and religious change. In order to understand how womenpriests navigate tradition and transgression, this study situates RCWP within post-Vatican II Catholicism, apostolic succession, sacraments, ministerial action, and questions of embodiment. *Womanpriest* reveals RCWP to be a discrete religious movement in a distinct religious moment, with a small group of tenacious women defying the Catholic patriarchy, taking on the priestly role, and demanding reconsideration of Roman Catholic tradition. Doing so, the women inhabit and re-create the central tensions in Catholicism today.
