vocab part of GRE and you have 1 month or more to prepare, then this comprehensive audio (3,871 words) will dramatically boost your GRE Verbal score. Listening to vocab is an easy and effortless way to memorize and it sticks. Best for You If you are an American student who is not strong in vocabulary. If you are a foreigner and English is not your first language. Why is vocabulary so very important on the GRE test? Even though there are no vocabulary questions on GRE, a good command of vocabulary is crucial for a high GRE score. Why? Because without a good college-level vocabulary, it is hard to understand the passages and answer questions. If you've taken a few GRE practice tests and your score was low because you didn't know certain words at all, making it quite difficult for you to discern the correct answer, then any improvement in the vocabulary would dramatically help boost your GRE score. So, if you can memorize the high-frequency GRE words (which others find difficult) it can help you get high GRE score. Content The words are given in bold (for example, the words belabor and buttress below). The meaning is given after the equal sign (=) following a word. The words are not necessarily in alphabetical order. USE gives a sentence fragment carefully chosen for memory. When no sentence fragment is given, a * is shown as in the word buttress below. belabor = to assail verbally, to insist repeatedly or harp on USE = belabor a point buttress = support USE = * Download all 19 CDs The Internet allows distribution of 19 CDs GRE Vocab by way of download at a much lower price than originally as physical CDs. Power Vocabulary Builder R. Michelle Ranken, Enrica Tan, 2017-09-23 This book series was developed with the objective of helping language learners - especially those who are preparing for the GRE/SAT - master vocabulary words that are commonly found on the test. Power Vocabulary Builder is the first volume in a language-learning series designed to help you master common GRE/SAT vocabulary. This book is different from those with similar objectives because you'll learn GRE/SAT vocabulary words with the help of 10 mini-stories and extensive practice sets that were developed by English-language experts. Typically, language learners will learn new vocabulary with the use of a dictionary or flashcards. However, we think that reading stories and learning by association is a much more enjoyable way to learn new words than reading straight out of a dictionary. Perhaps most importantly, we believe that learning should be fun! We'd like to wish you good luck in your language-learning endeavors, whether or not you are planning to take the GRE or SAT! - Royal Oxford Language Academy
