Steven Jellinghaus

### **The Organisation and Governance of Top Football Across Europe** Hallgeir

Gammelsæter, Benoit Senaux, 2011-07-07 This book aims to provide an extensive overview of how football is organized and managed on a European level and in individual European countries, and to account for the evolution of the national, international and transnational management of football over the last decades.

### **Internetgids Huis en Tuin ,**

*Focus On: 100 Most Popular Expatriate Footballers in Spain* Wikipedia contributors,

**Focus On: 60 Most Popular FIFA 100** Wikipedia contributors,

Nederlandse sportalmanak / deel 2007/2008 / druk 1 / ING ,

*Football Psychology* Erkut Konter, Jürgen Beckmann, Todd M. Loughhead, 2019-05-01 Presenting an empirically underpinned synthesis of research and theory, while offering guidance for applied practitioners, this is the first book to comprehensively map the psychology of learning, playing, and coaching the world's favourite sport. The book provides a complete analysis of key topics that capture the broad range of football psychology such as personality, motivation, cognition, and emotion; coaching and team essentials; psychological skills for performance enhancement; and developing players in youth football. Including contributions from a range of international researchers, each chapter provides a review of the relevant literature, key theories, real-world examples, and reflections on how knowledge can be applied in practice. Split into four sections, the book covers a diverse range of topics relevant not only to coaching and performance but also to personality development and health promotion. Essential reading for any student, researcher, or professional in the area, the book is the most cutting-edge overview of how psychology can explain and improve the way football is both played and understood.

**Managing Football** Simon Chadwick, Sean Hamil, 2010-07-15 Managing Football is the first book to directly respond to the rapid managerial, commercial and global development of the sport and offers a thorough analysis of how the football industry can meet the challenges that flow from these developments. Expertly edited by two well known specialists in football business management, it draws together the work of a world-class contributor team to form a comprehensive analysis of the most important issues facing the managers of football businesses across the world. The cutting edge analysis examines all the important business challenges in the football industry and the management of football businesses and covers all of the key football markets including England, Spain, France, Italy, Germany, Australia, North America, China, South Africa, South Korea, the Netherlands & Belgium, and Mexico. Managing Football is simply a must-read for anyone studying or working in football business management and is set to be an important landmark in this rapidly moving and globally expansive field.

**Four Histories about Early Dutch Football, 1910-1920** Nicholas Piercey, 2016-10-06 What is the purpose of history today, and how can sporting research help us understand the world around us? In this stimulating book, Nicholas Piercey constructs four new histories of early Dutch football, exploring urban change, club members, the media, and the diaries of Cornelis Johannes Karel van Aalst, a stadium director, to propose practical examples of how history can become an important democratic tool for the 21st century. Using early Dutch football as a field for experimental thinking about the past, the four histories offer new insights into the lives, interests and passions of those connected to the sport in the 1910s and the cities they lived in. How did the First World War impact on Dutch football? Were new stadia a form of social control? Is the spread of the beautiful game really a good thing? And why was one of the sport's most prominent figures more concerned with potatoes? These stories of early Dutch football suggest how vital sport and history can be in shaping our lives, perceptions and actions, and why we need to challenge the influence they have today.

**Capita sportrecht** Steven Jellinghaus, 2021-01-20 In Capita sportrecht behandelen experts uit de wetenschap en praktijk belangrijke onderdelen van het Nederlandse en internationale sportrecht. Ondanks de vele ontwikkelingen in het vakgebied is er het afgelopen decennium geen overzichtswerk meer verschenen. Dit boek vult die lacune op. Het is bedoeld voor de (aankomend) jurist die in de

praktijk met sport te maken krijgt. Het boek vangt aan met een beschrijving van de internationale piramidale organisatiestructuur van de sport, vormgegeven door het verenigingsrecht. Hieruit vloeien onderdelen voort als het sportspecifieke tuchtrecht, private arbitrage en anti-dopingregulering. Het voetbal komt nadrukkelijk aan de orde door bespreking van de regulering van voetbaltransfers en intermediairs. Het vakgebied kenmerkt zich tevens door de toepassing van verschillende rechtsgebieden in en om de sport. Zodoende komen aan bod: het arbeidsrecht, het Europees recht, de regels omtrent staatssteun, het intellectueel eigendomsrecht en de fiscale behandeling van de sporter. Daarnaast wordt uitvoerig ingegaan op de verhouding tussen private en publieke belangen bij handhaving van de openbare orde en veiligheid rond sport. Ten slotte wordt stilgestaan bij een nieuwe 'tak van sport' door beschrijving van de mogelijke regulering van esports.

**Voetbal in Nederland** Cornelis Gerardus Maria Miermans, 1955

**Pyttersen's nederlandse almanak** ,2008

Van 3 naar 10.000.000 vrienden Raymond Spanjar, 2011-06-15 'Alles voelt als een van die legendarische surfgolven die maar eens in de twintig jaar voorbijkomt. Dan denk je ook niet aan wat er fout kan gaan. Je springt op je plank en je duikt het water in.' In 2004 richt Raymond Spanjar met Koen en Floris een website op. Een sociaal netwerk genaamd Hyves. Wat begint als een uit de hand gelopen grap, groeit uit tot een ongekend succes. Hyves wordt een hype. Van Amsterdam tot Peru, van studenten tot BN'ers, iedereen doet mee - zelfs Jan Peter Balkenende. Het bedrijf komt op de radar van grote mediabedrijven. Nog voor het lukt om daadwerkelijk geld te verdienen met Hyves, ligt het eerste miljoenenbod al op tafel. De vrienden worden vervolgens ondergedompeld in een wereld van privéjets en exclusieve feestjes. In Van 3 naar 10.000.000 vrienden vertelt Raymond Spanjar openhartig en vol humor over de geboorte, de groei, de onderhandelingen en de uiteindelijke verkoop van de meest populaire website van Nederland. Een must-read voor ondernemers en jonge honden, een kijkje achter de schermen voor alle Hyvers en een inspiratiebron voor de gevestigde orde. 'Een openhartig, ontwapenend en soms ontluisterend verhaal. Voor een ieder die mijmert over zakelijk succes of op het strand gewoon een spannend jongensboek wil lezen - leescht dit boek!' JORT KELDER 'Intrigerend. Geestig. Rock-'n-roll.' HANNA VERBOOM (actrice en oprichter GetItDone.org) 'Een feest der herkenning. De mannen van Hyves hebben mijn geloof in 'work hard, play hard' alleen maar versterkt. In één ruk uitgelezen.' MICHIEL MOL (Lost Boys, Force India f1) 'Zeer inspirerend, wie dit leest wil ondernemen, avonturen beleven, aan de slag!' JEROEN SMIT (auteur van De Prooi)

Responsible Business Annemieke Roobeek, Jacques de Swart, Myrthe van der Plas, 2018-06-03 Until recently, profit has been the driving force for most business decisions. However, business leaders must now look more widely at their actions to assess the impact of these on people both inside and outside the organization as well as the environment. Responsible Business provides a seven step framework that eliminates internal bias and can be used to make decisions that increase profits, benefit staff and protect the environment as a whole. This means that personal values, ethics and morals can be aligned with business goals and overall company strategy. Responsible Business will enable business leaders to answer questions including: What values should be attached to financial and non-financial aspects of business decisions? How can these values be translated into concrete manageable actions? Which decisions best suit the strategic goals of the organization? Readers will have access to the business simulator tool which removes the complexity, ambiguity and stress of business decisions to allow leaders to manage the competing priorities in their organization and confidently make the best investment decisions for their business. With diverse case studies from organizations who have benefited from this approach, this book is essential reading for everyone needing to evaluate their investment decisions.

**Willing's Press Guide and Advertisers' Directory and Handbook** ,2004

Willing's Press Guide ,1999 A guide to the press of the United Kingdom and to the principal publications of Europe, Australia, the Far East, Gulf States, and the U.S.A.

*Nederlanders en het WK voetbal* Ries Kamphof, Lette Hogeling, Michelle van Geffen, 2014-06-01 In voorbereiding op het WK voetbal in Brazilië, komt de oranje koorts op gang. De Nederlandse

supermarkten en reclameblokken stromen vol met oranje acties, van sambaballen tot juichpakken. In Brazilië zelf blijkt niet iedereen even enthousiast. De bevolking stelt daar de vraag waarom er wordt geïnvesteerd in de organisatie van een WK en Olympische Spelen (in 2016), terwijl er zo'n groot verschil tussen arm en rijk bestaat in Brazilië. Ook op andere gebieden is het WK in Brazilië omstreden; zo vond bij de bouw van het stadion in Sao Paulo eind maart het achtste dodelijke arbeidsongeval in de WK-voorbereiding van Brazilië plaats. Evenals in het voetbal lijkt de WK-organisatie winnaars en verliezers te kennen. NCDO Onderzoek peilde hoe Nederlanders denken over het WK in Brazilië, over arbeidsrechten, over toewijzingsprocedures van de FIFA en over de verantwoordelijkheid van sponsors en sporters. Vertrouwen zij de grote sportkoepels? En is voetbal volgens Nederlanders een vorm van armoedebestrijding?

**Mythos niederländischer Nachwuchsfußball** Hans-Dieter te Poel, 2013

*Ethnic Amsterdam* Liza Nell, Jan Rath, 2009 May this book contribute to a better understanding of the role of immigrants - coming from more than 170 countries of the world - during the last century in making Amsterdam the diverse city it is. Job Cohen, Mayor of Amsterdam --
