I'm Harper, and I'm desperate to be accepted. But there's a secret side of me, a hobby I have to unwind, something that wouldn't exactly boost my popularity. So, I keep it hidden. Everything changes when I receive a letter from a secret admirer. Suspicion fills my mind, and I start doubting everyone around me. The one person I'm closest to is the one I least suspect. Beyond the Shadows ,2014-10-31 Jeremiah was once the most feared name in the world for anyone who had heard of him. He was the ruthless general of the demonic hordes on Earth. Now, he works for the other side. Trying to reform, the demon is now working with the prophets of the world to train some of their best and brightest youth. Raul Habsburg is one of the most powerful members of a secretive organization called The Society of Minds. For time immemorial, the Society has striven to stay hidden, while promoting the intellectual growth of humanity. Like the world's prophets, they have supernatural powers that set them apart from the rest of mankind, as well as help them overcome their enemies: evil and ignorance. Unlike the prophets, the Society doesn't have a devotion to a deity, but their enemies are, nevertheless, the same. Though they have never met, Jeremiah and Raul have a common foe. A new enemy, going by the name of Adversary, is forming a demonic army of his own to fill the void of power in the ranks of the fallen. It falls on both Jeremiah and Raul to investigate this situation for their own sake and the sakes of those whom they've sworn to protect. Despite a need to stay hidden, Raul and Jeremiah must step into the light to face Adversary and keep him from being able to create his demonic army. But neither of them has any idea what to expect as they step Beyond the Shadows.
