

Voice Messenger

Emery Garriott

"Listening to your mum's voice can make your day". An explorative study about the social functions of voice messages in messaging apps for international students Lisa Fritsch, 2020-01-08 Master's Thesis from the year 2019 in the subject Communications - Interpersonal Communication, grade: 1,6, European University Viadrina Frankfurt (Oder), language: English, abstract: Since 2013, voice messages can be sent using messaging services such as WhatsApp. Thus, the oral information transfer enters the digital messenger communication, which was previously exclusively based in written form. In German research of communication and linguistics, there are few scientists who have so far dealt with voice messages. They present a new challenge for the media linguistic conception of digital communication, as they fall into a gap between oral and written language utterances. The linguistics professor Katharina König emphasizes this decisive new aspect: With the integration of voice messages[...] media orality enters the non-simultaneous, quasi-synchronous messenger communication. Voice messages bring a kind of 'answering machine' option to messenger chats. How does this change digital communication? What are the social functions for the interpersonal exchange of them? These questions were investigated as part of a qualitative research, for which 20 international students between the ages of 20 and 34 were interviewed in Paris and Sofia. The selection of this sample favors the preservation of a homogeneous group of young adults in the same life situation. The research results showed that, despite the different countries of origin, the students have a similar usage of voice messages. The main benefit of voice messages is that they can be sent faster and easier and are therefore particularly practical in stressful situations. The speed allows more complex information to be recorded in less time. Furthermore, the increased emotionality through one's own voice and consequently a bigger intimacy between two chat partners, play an important role in the social functions of voice messages.

God's Voice, His Message, A Messenger Bill Folz Jr., 2022-09-08 I have for many years been deeply spiritually touched, fed and challenged by Bill's poems that he writes as his own heart is moved by God. -Bill Thrall, former pastor/elder at Open Door Fellowship Church in Phoenix Az, currently part of the leadership& author at Trueface Ministries in Phoenix, Az Bill Folz, a passionate, mature, and trusted follower of Jesus has for 40 plus years pointed people to the heart and character of God through his poems. Bill spends long hours and short minutes with God, waits for His voice, then pens words of encouragement and hope that woo the reader to trust and to live in God's Sabbath rest. He never offers platitudes because he knows that it is in the real world of everyday life where God wants to meet us and gently call us to lean into Him. All of us that have read his poetry through the years have been built up in our faith, comforted in our pain, and blessed by God's care through his words. Many years ago Bill heard God call him to be a doctor to His people, and his poems have been a part of the living out of this calling. I am honored and privileged to know Bill and get to do life with him. -Louise Sedgwick, Pastor of Adult Ministries at Open Door Fellowship Church in Phoenix, Az Bill is a present day King David. A mighty man who writes our every season of life with God in profound beauty. And if you walked around with him for a few days, you'd discover he is not only a gifted writer but an authentic human. That's what makes these poems so important. -John Lynch, former elder at Open Door Fellowship Church, co-author of The Cure, from Trueface Ministries in Phoenix, Az.

Small-scale Trial of the Voice Messenger Maria Morin, 1987

The Messenger Siri Mitchell, 2012-03 A Riveting Tale of Faith and Romance by an Acclaimed Novelist Hannah Sunderland felt content in her embrace of the Quaker faith ...until her twin brother ran off and joined the army and ended up captured and in jail. Suddenly Hannah's world turns on end. She longs to bring her brother some measure of comfort in the squalid, frigid prison where he remains. But the Quakers believe they are not to take sides, not to take up arms. Can she sit by and do nothing while he suffers? Jeremiah Jones has an enormous task before him. Responsibility for a spy ring is now his, and he desperately needs access to the men in prison, whom they are seeking to free. A possible solution is to garner a pass for Hannah. But while she is fine to the eye, she holds only disdain for him--and agreeing would mean disobeying those she loves and abandoning a bedrock of her faith. With skill and sensitivity, Mitchell tells a story of two unlikely heroes seeking God's voice, finding the courage to act, and discovering the powerful embrace of love.

The Messenger Marcus Anthony Hunter, 2021-07-30 Charles Kelly, a former Vietnam veteran who works as a news reporter for a Los Angeles TV station, is piloting a news chopper to cover a story. While in flight, Kelly's chopper suddenly goes out of control when it appears the chopper has hit an object in the sky. Forced to land the chopper in a desert clearing, Kelly staggers out of the helicopter and sees before him a figure of a man standing in front of him. The man introduces himself as 'The Messenger' and tells Kelly not to fear him because he's been sent by Jesus Christ to address the people of the world about their fate, which they will endure for the next three days.

WhatsApp Messenger: Timeline, Features, and Usages in Christian Ministries Adebayo Afolaranmi, Ping! Angela Gunn, 2005 Guide for instant messaging.

Virtue as Consent to Being Phil Zylla, 2010-12-01 Virtue theory has become an important development in Christian ethics. Efforts are made in this volume to bring pastoral theology into conversation with these developments. This book probes the philosophical theology of Jonathan Edwards, who proposed that virtue is a form of beauty defined as consent to being. This leads to the notion of compassion as ontological consent. Since language is the vehicle by which our experiences are conveyed, the book probes the issue of how moral vision is expressed in experience-near language through parable, poem, and lament. Moral vision is articulated most adequately through such language, and finding it is a kind of quest. The last chapter is a proposal for a mature pastoral theology of virtue as an expansion of Edwards's concept of consent to being from the vantage point of pastoral theology. A dynamic vision of virtue requires some connection between the experience of suffering and the inward striving toward the greatest good. The essence of virtue can be best understood, from a pastoral theological perspective, as the relational dynamic of suffering with another human being.

Exodus in the New Testament Seth M. Ehorn, 2022-03-24 In focusing exclusively on the book of Exodus and its constant allusions in the New Testament, this new collection of studies seeks both to increase knowledge of the textual transmission of Exodus in the first century, and to encourage further methodological reflection on the use of Scripture vs. scriptural traditions as employed by ancient authors. First exploring the role of Exodus within Judaism in the Second Temple Period, the contributors then reflect upon the rhetorical impact of Exodus citations and allusions in the New Testament. By taking the reader from the Four Gospels through the Pauline and Disputed Letters and Hebrews, and all the way to Revelation itself, this volume demonstrates both the unity and the diversity of appeals to Exodus traditions in Jewish and Christian literature within the Second Temple Period.

From Letter to Spirit Edwin Abbott Abbott, 1903 References and abbreviations.--Introduction.--book I. The baptism.--book II. Bath koi; or, Voices from heaven in Jewish tradition.--book III. Voices from Heaven in synoptic tradition.--book IV. The silence of John.--book V. The voice from heaven an answer to prayer.--Appendix I. Narratives of the baptism.--Appendix II. On the origin of the tradition Suffer it to be so now.--Appendix III. The transfiguration and the agony: canonical and non-canonical accounts.--Appendix IV. Bath koi in Targums and Talmuds.--Appendix V. The second epistle of St. Peter contrasted with The Gospel of St. John.--Appendix VI. The promise of Eusebius (1136-1149).

The Plays of Euripides in English in 2 Volumes: The Bacchanals Euripides, 1914

TEACHING SPEAKING (ENGLISH) THROUGH YAHOO MESSENGER Saidna Zulfiqar bin tahir, 2013-04-15 Many teachers have made efforts to make their class interesting by using various methods, techniques, instruments and materials in order to stimulate the students to learn English. In oral English class for example, the students are served with conductive learning activity so they can speak English as well as possible. The first thing a teacher should do is to create the best condition for learning as an instrument to see the learning take place. The teacher is responsible to create a situation that provides opportunities and stimulate the students to communicate English orally. So that, it can develop the students' self-confidence to be brave in speaking that can improve their speaking skill. This book elaborate how YM can be used as a tool or medium to improve students' speaking skill are the program is easy to use and familiar for the students, they already registered at Yahoo email, and they can practice their language skill to chat orally with native or non native speakers of English over the world through all YM facilities.

A Voice from the Dust Genet Bingham Dee, 1939 Tape contains: How Rare a Possession: The Book of Mormon - 64 minutes; A Marvelous work begins - 17 minutes; Three Witnesses - 30 minutes; For Us! - narrative from the Book of Mormon - 5 minutes.

Introduction to Information Systems R. Kelly Rainer (Jr.), Casey G. Cegielski, Ingrid Spletstoeser-Hoeterp, Cristobal Sanchez-Rodriguez, 2013-08-30 The goal of Introduction to Information Systems, 3rd Canadian Edition remains the same: to teach all business majors, especially undergraduate ones, how to use information technology to master their current or future jobs and to help ensure the success of their organization. To accomplish this goal, this text helps students to become informed users; that is, persons knowledgeable about information systems and information technology. The focus is not on merely learning the concepts of IT but rather on applying those concepts to facilitate business processes. The authors concentrate on placing information systems in the context of business, so that students will more readily grasp the concepts presented in the text. The theme of this book is What's In IT for Me? This question is asked by all students who take this course. The book will show you that IT is the backbone of any business, whether a student is majoring in Accounting, Finance, Marketing, Human Resources, or Production/Operations Management. Information for the Management Information Systems (MIS) major is also included.

Dragoncrown Emery Garriott, 2015-04-08 A place of great beauty, Thuringland and its tributary states exist on the edge of perilous balance of power, resources, and control. Every aspect of life on Thuringland is connected, but there are those who will risk that precious equilibrium for their own needs. The Dragonlord Seldric, bearer of the all-powerful Dragoncrown, controls the dragons upon which so much of life depends. Their fiery breath produces magical coins, used for both commerce and energy. The dragons protect the realm and enforce control of the tributary lands; all are dependent on them. Life in Thuringland could not exist without the odious burden of slavery, and too many races are considered to be little more than commodities by those in power. In the jungle of Sinjer, a race of proud warriors fights for survival, freedom, and dignity. The Sinjery—an all-female race—left the world of men behind to free themselves from oppression, but Seldric's demands for tribute women as his protectors and concubines challenges that. As one of the proud Sinjery Dragonflyers, Seldric's present concubine Trallalair will do anything to end her race's odious tribute. At Hell's Breach, an open portal to the underworld from which demons and zombies threaten all life, poets wielding magical words fight to save their world. When a seemingly unconnected string of events frees the dragons, no one is safe from their wrath. Can brave champions of many races come together to restore the realm's balance of power before it is too late?

The Mortal Voice in the Tragedies of Aeschylus Sarah Nooter, 2017-10-26 Voice connects our embodied existence with the theoretical worlds we construct. This book argues that the voice is a crucial element of mortal identity in the tragedies of Aeschylus. It first presents conceptions of the voice in ancient Greek poetry and philosophy, understanding it in its most literal and physical form, as well as through the many metaphorical connotations that spring from it. Close readings then show how the tragedies and fragments of Aeschylus gain meaning from the rubric

and performance of voice, concentrating particularly on the Oresteia. Sarah Nooter demonstrates how voice - as both a bottomless metaphor and performative agent of action - stands as the prevailing configuration through which Aeschylus' dramas should be heard. This highly original book will interest all those interested in classical literature as well as those concerned with material approaches to the interpretation of texts.
