Kickin' Rocks Marianne K. Marin, 2019-07-23 Jada Baker might be a millennial, but she was born to worry—about her mom, about her job, about abused animals, and about the growing hatred she sees playing out in the news every day. But she also believes that the system will work, that goodness will win out over evil, and that she can find a love as rich and deep as the love her parents have for one another. And when Amie Luca, a veterinarian whose compassion and dedication to helping mistreated animals captures her heart, Jada finally begins to trust that she has found what she's been searching for all along. When the system suddenly fails them and their happiness is threatened by ugly hate and bitter homophobia, the young couple turns to help from a woman who has learned the hard way that kicking rocks is painful and that it takes unwavering persistence to move them. Dusty Logan fought for the ERA, she's suffered with friends through the AIDS crisis, and she's battled for the right to openly love a woman—but a lifetime of fighting has left her exhausted and disengaged. Yet when she sees a new generation of women facing old, familiar challenges, her spirit to fight the good fight once more is rekindled—and Jada and Amie might have a shot at real happiness after all.

Cancer Kickin' Warrior Inez Whitehead-Dickens, 2010-09 When I was diagnosed with advanced breast cancer in 2001, I was frozen in time. At that time, the only thing I knew about any cancer, is that if you have it, you die. I agonized over things like, am I going to dwindle away and die a painful death? How do I tell my kids? Do I have enough time to get things in order? Who will take care of my husband? My mind went on and on. I looked for someone to talk to who had been diagnosed with my stage of cancer. When I couldn't find any, I thought the worst. I was told that once people go through their ordeal with cancer, they don't want to talk about it. I got on my knees and promised God that if he got me through this, I would become that voice. Well he kept his end of the bargain, and I'm keeping mine. But the stories in this book are not just about me; they are about people who have fought and won their battles with every type and stage of cancer. In talking to them, I learned so much. The trauma one goes through from the beginning of the diagnosis to the end of the treatments makes it understandable that people want to forget it once it's over. But the people in this book wanted to share their stories to let anyone going through this to know it is not a death sentence, and more important—there is life after cancer! Belief in God, positive thinking, and a strong support system will see you through any trial. The stories in this book are also about the people who stand with us and fight for us in the battle against cancer. Without them, we wouldn't survive. So when you read these stories, look at not only the type of cancer they survived, but also the faith, love, and support they had. In some cases you will see how cancer changed their life for the better. So look at their lives post-cancer. Look at their strong, loving support system. When you feel depressed or feel like giving up, pick up this book and read one of the many inspirational stories. You'll learn not to be afraid of cancer; only be afraid if you don't do something about it. Then I guarantee, you too can become not just a survivor, but a Cancer Kickin' Warrior!

Still Here Kickin' Carl Dixon, 2009-11 Still Here Kickin' was written for all cancer patients and caregivers to hopefully help others by telling my story. My family and friends have told me that my attitude and honesty regarding my cancer should be written down and shared with others. Thus, Still Here Kickin' was born. When I was first diagnosed, I never said Why me, Lord? I never got mad at anyone or at God. I wasn't scared. And as I always do, I started figuring out my Plans. I came up with Plans A-G. When A doesn't work, we move to Plan B, and if that stops working – on to Plan C and so on. When facing an incurable cancer, a positive attitude is the #1 factor for overcoming and living with this disease. I think this book is needed to help other cancer survivors maintain that positive attitude and learn to live with

their problem and maintain that happy and fulfilling life. It is OK to laugh - all is not lost. Remember - you ARE A SURVIVOR starting with the date of your diagnosis. May GOD bless you and keep you throughout YOUR Journey.

Metamorphosis of Japan After the War Staatliche Museen zu Berlin (Berlin),Juri Murakami,2011 In the years following the Second World War in Japan, photography played an important role in the development of a new national identity. From the shock of the atomic bomb to the country's re-emergence at the 1964 Olympics in Tokyo, important photographers documented the birth of a new Japanese nation. This exhibition includes 123 photographs, as well as books, magazines and exhibition catalogues featuring works from 11 leading representatives of Japanese photography of these years. In the mid-1950s a group of photographers came to the fore who started to move away from the sombre photo journalism that depicted the misery of the years immediately following the war. Affiliated with the Vivo photography agency, these photographers examined the consequences of the massive modernisation process that gripped the country, but also took a closer look at the trauma of the atomic bomb, in a series of ambitious book projects. Since exhibitions of Japanese photography in Europe are rare, this show sheds light on a culture of photography that until now has received little attention and has only found a wider audience through contemporary works. The exhibition also features a special room of American photographs, recently presented as a generous donation to the Art Library's Collection of Photography, depicting the dropping of the atomic bomb on the city of Hiroshima and the atomic tests in the American deserts and islands in the Pacific. The selection is augmented by photographs by Yosuke Yamahata, who documented the destruction in Nagasaki in August 1945, just one day after the nuclear attack.

Emeril's TV Dinners Emeril Lagasse,1998-09-29 Are you ready to kick it up a notch? Wait -- forget that. Are you ready to kick it up notches unknown to humankind? Finally, Emeril has written the book his fans of Emeril Live and Essence of Emeril have been waiting for -- a collection of his very favorite recipes from both shows. It's all here -- from cooking up Fall River memories like St. John's Kale Soup, Roasted Scrod with Parsley Potatoes, and Boston Cream Pie with his mom, Hilda, to Louisiana specialties like Creole Spiced Blue Crabs with Green Onion Dipping Sauce, Fried Eggplant with Shrimp Stew-Fay, and Blueberry Beignets. Hey, this isn't rocket science, but it's good eating, with starters like Caramelized Salmon with Cilantro Potato Salad and Stuffed Morels with Crawfish Remoulade. This isn't Kansas anymore, Toto, and these are salads like you've never had them -- Herb-Tossed White Asparagus, Fresh Crabmeat, and Grilled Radicchio Salad, Emeril's BLT Salad, and Molasses Duck Salad. Does pork fat rule at your house (and if it doesn't, why not?)? Then take your pick of the pig --- Homemade Bacon, Andouille Stuffed Jalapeños, and Pork Burgers in Gravy with French-Fried Sweet Potatoes. And don't limit yourself to one part of the barnyard -- try Emerilized Chicken Cordon Bleu, Funky Lamb Shanks, Pan-Roasted Filet Mignon Stuffed with English Stilton and Walnuts, or Smothered Oxtails over Spinach and Sweet Corn Mash. Emeril's TV Dinners not only includes more than 150 recipes, it is jam-packed with candid black-and-white photography of Emeril behind the scenes, in front of the cameras, on tour, and really live in his New Orleans restaurants.

Kicking it with the Best Man Riley Long, 2023-07-18 I've been out and proud for years, happily living my truth. Never did I imagine I would be asked to step back into the closet. Until that night at the club. After one too many cocktails, I ended up in a bathroom stall enjoying a hot and steamy tryst with a super sexy guy named Nate. We exchanged numbers and indulged in some spicy sexting. But when I asked him to meet up again, he ghosted me. I tried distracting myself by acting as a friend's plus one to a wedding. Who do I see standing next to the groom, looking like a snack? Nate. He claims no one knows he's gay and asks me to be discreet. Still, my years of hiding are behind me. Can I help him find the strength to come out to his family and

friends? Or will his reservations be too big an obstacle to overcome?
