**Wabash County Chronicles** Ron Woodward,Gladys Harvey,2010-08 Just about fifty years before lights atop the courthouse put Wabash in the record books, a gang of squirrels came marauding through the area, denuding the trees and crops. Of course, the farmers fought back with guns; the kids with clubs. This happened just about the time of the Irish canal worker infighting; those boys attacked one another with everything they had. Oh, and there are the unexplained monster sightings and things of that nature. But really, it's not all bizarre. After all, Wabash was the first electrically lighted city, and there are scores of heroes and important businesses. There's just so much to hear about. Come along with authors Ron Woodward and Gladys Harvey as they share the strange and important history of this old Indiana county.

Seven centuries into the future, aliens and humans compete for the greatest prize in the universe: the Galaxy Bowl trophy. Quarterback Quentin Barnes enters his third season at the helm of the Ionath Krakens. He's re-shaped the team in his image, and the time for excuses is over -- it's win, or be replaced. Quentin's championship quest carries he and his teammates across the galaxy in a brutal twelve-game season fraught with injury and death. But he faces more than just on-field challenges. As he enters a free-agent year, several franchises vie for his services. Will he play for a new team, or will he remain with his beloved Krakens. And then there's the slight distraction that someone, somewhere, is trying to assassinate him - and he doesn't know why. The GFL series is described as STAR WARS meets REMEMBER THE TITANS meets THE GODFATHER. Join the Krakens as they fight to take the title and achieve immortality.
