Dan Collins

Tales from the Wake Forest Hardwood Dan Collins,2004 Tales from the Wake Forest Hardwood chronicles how Wake Forest basketball could survive the university's relocation from the quaint town of Wake Forest to the city of Winston-Salem without ever leaving behind fans and followers.

Tales from the Wake Forest Demon Deacons Locker Room Dan Collins,2016-01-19 Based on the gold-standard currency of tradition and success, few college basketball programs are richer in history than Wake Forest University's. This reissue of Tales from the Wake Forest Demon Deacons Locker Room, first published in 2004, traces that vibrant history from the birth of the league to the growing successes of the team today. An original member of the Atlantic Coast Conference, the Demon Deacons have provided the acclaimed league with much of its color and character—not to mention many of its colorful characters. Author Dan Collins provides stories about legendary players like Muggsy Bogues, the 5'3" guard who defied the description of basketball as a big man's game, and the glory days of Tim Duncan, the onetime aspiring Olympic swimmer who grew up to become a five-time NBA champion and one of the greatest players in the game. The book looks at great coaches like Richard Crozier, the director of the university gymnasium who introduced basketball to Wake Forest; coach Murray Greason, whose love for the game of basketball was second only to his love for his beagle hounds; and coach Bones McKinney, the hyperactive Baptist minister whose dual, and at times dueling, religions were based on the Bible and basketball. Tales from the Wake Forest Demon Deacons Locker Room chronicles how Wake Forest basketball survived the university's relocation from the quaint town of Wake Forest to the city of Winston-Salem, and how the university has thrived with the support of its devoted fans. For Duke and UNC players and fans, the competition is not about winning a prize, trophy or title--it's about bragging rights and raw pride. Blue Blood celebrates the history of this rivalry, the traditions, the heritage, and, most importantly--spectacular basketball.

Basketball in the ACC (Atlantic Coast Conference) Jason Porterfield, 2008-01-15 Describes the history, key people, teams, important games, and mascots of the Atlantic Coast Conference of NCAA basketball.

The End is Not the Trophy G. David Odom, 1998 David Odom's new book, *The End Is Not the Trophy*, is a look at the former Wake Forest basketball coach's lifetime of coaching and sports--from his early days growing up in Goldsboro, North Carolina, through his high school and college years, and into his successful career as first a high school coach, then a college assistant, and finally a nationally renowned college head coach. Prior to Odom's arrival at Wake Forest in 1990, the university had never played in more than two straight NCAA tournaments. Under his guidance, he led Wake

to two ACC titles and seven straight trips to NCAA post-season play, the seventh longest in the country. *The End Is Not the Trophy* looks at the people who have influenced him and answers the question, Why coaching? Odom talks about his stint in high school coaching and his progress through the ranks until he was named Wake Forest's head coach--one of America's premiere coaching positions. With humor and revealing candor, Odom shares his world of basketball at its highest level and discusses what the life of a basketball coach is really like. *The End Is Not the Trophy* is a guide for young or would-be coaches, a sports fan's delight, and a must for anyone interested in basketball and the life led by those involved in coaching the sport. In discussing the coach's function in any sport, Odom makes a number of arresting observations: a coach who is not a teacher is not a good coach; a coach who relies only on computer printouts and other statistical data ignores the humanity of his players. Most intriguing of all, he claims not to read articles about himself or his team in the press, for he believes that sports reporters don't know as much about the game as he does. -- Publishers Weekly Odom's maiden voyage into the literary world is a refreshing diversion... to its credit, *The End is Not the Trophy* is short on the personal and long on the philosophical. -- Greensboro News and Record A must for any individual who would like to pursue a dream in the world of coaching... David is one of the brightest minds in college basketball who learned his craft at the high school level and has coached successfully for many years in the highly competitive world of ACC basketball. David Odom's philosophy is Awesome, baby, with a capital A. -- Dick Vitale, Sports Commentator Coming up through the Wake Forest basketball system, Coach Odom taught me many things. Many of these had to do with basketball, yet many were valuable life lessons. The value of friendship, togetherness, and pride--among other things--helped each and every student-athlete grow and mature on and off the court. -- Tim Duncan, San Antonio Spurs

Carolina Basketball Adam Lucas, 2010 In *This Definitive Centennial History of the University of North Carolina men's basketball team*, Adam Lucas chronicles the coaches, players, venues, rivalries, challenges, and triumphs that have defined the program through its first 100 years. Boasting six national championships and numerous Hall of Fame coaches and players, Carolina Basketball has come a long way from the first season---when the

campus newspaper published a notice asking an unknown culprit to return the team's basketball. These pages are packed with little-known stories from the program's earliest days and new insights into its best-loved moments. All the greats are here, from Jack Cobb and the Blind Bomber George Glamack to Lennie Rosenbluth, Phil Ford, James Worthy, Michael Jordan, Antawn Jamison, and Tyler Hansbrough. Drawing on unparalleled interviews with those around the UNC program, Lucas reveals the meaning of the Carolina Family and the origins and evolution of Tar Heel traditions that have made North Carolina one of the premier men's basketball teams in college sports. The stories here are brought to life with more than 175 color and black-and-white photos; a foreword by Hall of Fame coach Dean Smith and an afterword by fellow Hall of Famer Roy Williams; and an appendix of records and statistics. Some 25 sidebars feature first-person recollections from prominent players, including Rosenbluth, Ford, and Jordan; opposing coaches like Lefty Driesell; and famous Carolina alumni like Peter Gammons and Alexander Julian. This is the must-have book for Tar Heel fans and college basketball lovers everywhere.

Game Changers Art Chansky, 2016-09-12 Among many legendary episodes from the life and career of men's basketball coach Dean Smith, few loom as large as his recruitment of Charlie Scott, the first African American scholarship athlete at the University of North Carolina at Chapel Hill. Drawn together by college basketball in a time of momentous change, Smith and Scott helped transform a university, a community, and the racial landscape of sports in the South. But there is much more to this story than is commonly told. In *Game Changers*, Art Chansky reveals an intense saga of race, college sport, and small-town politics. At the center were two young men, Scott and Smith, both destined for greatness but struggling through challenges on and off the court, among them the storms of civil rights protest and the painfully slow integration of a Chapel Hill far less progressive than its reputation today might suggest. Drawing on extensive personal interviews and a variety of other sources, Chansky takes readers beyond the basketball court to highlight the community that supported Smith and Scott during these demanding years, from assistant basketball coach John Lotz and influential pastor the Reverend Robert Seymour to pioneering African American mayor Howard Lee. Dispelling many myths that surround this period, Chansky nevertheless offers an ultimately triumphant portrait of a student-athlete and coach who ensured the University of North Carolina would never be the same.

ACC Basketball J. Samuel Walker, 2011 Since the inception of the Atlantic Coast Conference, intense rivalries, legendary coaches, gifted players, and fervent fans have come to define the league's basketball history. In *ACC Basketball*, J. Samuel Walker traces the traditions and the drama

Tales from the Tar Heel Locker Room Ken Rappoport, 2005 *Tales from the Tar Heel Locker Room: Second Edition* is a compilation of the best notes, quotes and anecdotes from North Carolina lore. In these pages, you will meet a coach nicknamed Bloody Neck, a player called The Blind Bomber, and a team known as the White Phantoms. Of course, there is also Bones McKinney, one of basketball's all-time funnymen. With Bones, the Heels laughed all the way to the 1946 NCAA finals. At the end, they cried after losing. Then there is Frank McGwire, whose Underground Railroad carried the Tar Heels to an undefeated season and a national title in 1957. The 2005 NCAA championship run is told! And, of course, there is Smith and the extraordinary Michael Jordan.

They Call Me Big House Clarence E. Gaines, 2004 *Big House*. For nearly half a century in college basketball circles, no other introduction was necessary. Clarence E. Big House Gaines became head coach at Winston-Salem Teachers College in 1946. He was not just the head basketball coach. He was the head coach. Period. He coached every sport the school offered -- football, basketball, track, tennis, boxing. He taught in the classroom, too. And all for \$2,400 a year. He slept in the men's dormitory and ate discounted meals in the cafeteria. How good were his teams in those early days? About as good as you'd expect at a predominantly women's college whose cupboard of male athletes was bare immediately after World War II.

NC State Basketball Tim Peeler, 2010 In this fascinating official history of the first 100 years of the North Carolina State University men's

basketball program, Tim Peeler and Roger Winstead recount the traditions and innovations that have shaped Wolfpack basketball as well as the history a

Best Game Ever Adam Lucas, 2011-10-18 The Best Game Ever is a revealing look at the University of North Carolina Tar Heels' 1956-57 season, one of the most storied in college basketball history. From the first day of practice, when forward Lennie Rosenbluth predicted a winning season, to the final game, a triple-overtime victory over Wilt Chamberlain's legendary Kansas team, the season developed into what many sports historians believe was the start of college basketball hysteria not only on Tobacco Road, but nationwide. The 1956-57 Tar Heels finished a perfect 32-0. The only previous team in Carolina history to achieve perfection was the 1924 team, years before the NCAA Tournament was created.

Across the Line Barry Jacobs, 2022-11-01 In the 1960s, college sports required more than athletic prowess from its African American players. For many pioneering basketball players on 18 teams in the Atlantic and Southeastern conference, playing ball meant braving sometimes menacing crowds during the tumultuous era of civil rights. Perry Wallace feared he would be shot when he first stepped onto a court in his Vanderbilt uniform. During one road game, Georgia's Ronnie Hogue fended off a hostile crowd with a chair. Craig Mobley had to flee the Clemson campus, along with other black students. C.B. Claiborne couldn't attend the Duke team banquet when it was held at an all-white country club. Wendell Hudson's mother cried with heartache when her son decided to play at the University of Alabama, and Al Heartley locked himself in a campus dorm at North Carolina State for safety the night Martin Luther King, Jr., was assassinated. Grounded in the civil rights struggles on campuses throughout the south, the voices of players, coaches, opponents and fans reveal the long-neglected story of race, sports and social history. Barry Jacobs has covered college basketball as well as news and other sports since 1976 for numerous publications, among them the New York Times, Washington Post, GQ, People, Oceans, the Saturday Evening Post and the Sporting News. He is the author of four books, including Coach K's Little Blue Book, The World According to Dean, and Three Paths to Glory. For 14 years he wrote the Fan's Guide to ACC Basketball. He also served as an elected county commissioner for 20 years and supervises Moorefields, an historic site near Hillsborough, NC.
