She learns to adjust to being a cat and how to survive in both forms. What would you do if you woke up as a cat? Read the author's 'Metamorphosis' with a feline twist that speaks to the themes of our time -isolation, identity and desperation for connection. Wake Me When the Pilgrims Get Here Janet Mandel, 2018-02-05

Hazards of Time Travel Joyce Carol Oates, 2018-11-27 An ingenious, dystopian novel of one young woman's resistance against the constraints of an oppressive society, from the inventive imagination of Joyce Carol Oates "Time travel" — and its hazards—are made literal in this astonishing new novel in which a recklessly idealistic girl dares to test the perimeters of her tightly controlled (future) world and is punished by being sent back in time to a region of North America — "Wainscotia, Wisconsin"—that existed eighty years before. Cast adrift in time in this idyllic Midwestern town she

is set upon a course of “rehabilitation”—but cannot resist falling in love with a fellow exile and questioning the constraints of the Wainscotia world with results that are both devastating and liberating. Arresting and visionary, *Hazards of Time Travel* is both a novel of harrowing discovery and an exquisitely wrought love story that may be Joyce Carol Oates’s most unexpected novel so far.

Three More Stories You Can Read to Your Cat Sara Swan Miller, 2002-03-26 Here kitty, kitty! Would you like to hear a story? Here is a chance to cozy up with your cat and treat her to three new stories written just for felines. If your cat likes to wake up early—very early—then she’ll think this book is the cat’s meow. Wake Up Missing Kate Messner, 2014-09-23 After a concussion that affects her balance, memory, and other abilities, twelve-year-old Kat goes to I-Can, the Miracle Clinic in the Swamp, where she joins forces with other patients to expose a plot that endangers them all.

My darling kitten Peter Collington, 1988-08-01 After waking itself up, a kitten goes to wake up its sleeping owner.

Found Life Linor Goralik, 2017-11-28 One of the first Russian writers to make a name for herself on the Internet, Linor Goralik writes conversational short works that conjure the absurd in all its forms, reflecting post-Soviet life and daily universals. Her mastery of the minimal, including a wide range of experiments in different forms of micro-prose, is on full display in this collection of poems, stories, comics, a play, and an interview, here translated for the first time. In *Found Life*, speech, condensed to the extreme, captures a vivid picture of fleeting interactions in a quickly moving world. Goralik's works evoke an unconventional palette of moods and atmospheres—slight doubt, subtle sadness, vague unease—through accumulation of unexpected details and command over colloquial language. While calling up a range of voices, her works are marked by a distinct voice, simultaneously slightly naïve and deeply ironic. She is a keen observer of the female condition, recounting gendered tribulations with awareness and amusement. From spiritual rabbits and biblical zoos to poems about loss and comics about poetry, Goralik's colorful language and pervasive dark comedy capture the heights of ridiculousness and the depths of grief.
