**Mr. Standfast** John Buchan, 1921 “Mr Standfast” is a spy novel featuring Richard Hannay, written by John Buchan and published in 1919 by Hodder & Stoughton. Richard Hannay is recalled from the Western Front by his good friend Bullivant in order to be assigned a new mission. As always, the whole action revolves around identifying a master German spy who operates in Britain along with his agents. In order to find him out, he must adopt a disguise he truly dislikes, the one of a pacifist. He then travels to the Cotswolds as Cornelius Brand, a South African war objector, in order to penetrate a group of war-hating intellectuals. He falls in love with a young woman called Mary who is also part of the group. John Buchan is the inventor of the modern British spy novel.

But when Alice goes missing under mysterious circumstances, Wake's desperate search for her leads him into a hell only he could imagine. In the depths of nearby Cauldron Lake, a dark and malevolent presence has awakened from a long slumber. It's reaching out now, turning the townsfolk into mindless killers. *Warhol-isms* Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the

legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I’ve never met a person I couldn’t call a beauty. New things are always better than old things. I’m still a commercial artist. I was always a commercial artist.

*In the Courtyard of the Kabbalist* Ruchama Feuerman, 2024-04-16 National Jewish Book Award Finalist: A “sophisticated and engaging” novel of three innocents drawn into a criminal scheme in modern-day Jerusalem (The Wall Street Journal). Brokenhearted haberdasher Isaac Markowitz has fled the Lower East Side for Israel, where he now assists a renowned elderly rabbi who tends to the hungry and hopeless in his courtyard. Tamar is an American hipster-turned-observant Jew who has come to Jerusalem to find a devout man to spend her life with. And Mustafa, a devoted Muslim, works as a janitor at the Temple Mount, also known as al-Aqsa, a site holy to both faiths. After Mustafa finds a shard of pottery that may date back to the ancient era of the First Temple, he brings

it to Isaac. But this simple act of friendship will lead Isaac into Israel's criminal underworld, put Mustafa in lethal danger, and send Tamar on a quest to save them both . . . This edition also includes "The Rebbetzin's Courtyard," a short-story sequel to *In the Courtyard of the Kabbalist*. "How do people get along when they have been taught they can't? . . . [A] lively, witty, and entertaining novel . . . hard to put down." —Alice Elliott Dark, author of *Fellowship Point* and *In The Gloaming* "Beautifully detailed and vivid . . . a delicate balance of courtship tale and thriller." —Dallas Morning News "Confused about the background of the Gaza conflict? This vibrant evocation of modern Jerusalem may shed some light." —Daily Mail "A story that is spiritually generous and astutely realistic about an Arab-Israeli and an Israeli-Jew, who may be the most unlikely pair of friends we've seen in current fiction." —The Brooklyn Rail "The best novel I've read all year." —The Wall Street Journal

House of Leaves Mark Z. Danielewski, 2000-03-07 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home

on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The Thirty-Nine Steps John Buchan,2020-04-13 Famous as the basis for several films, including the brilliant 1935 version directed by Alfred Hitchcock, *The Thirty-Nine Steps* is a classic of early twentieth-century popular literature. Richard Hannay has just returned to England after years in South Africa and is thoroughly bored with his life in London. But then a murder is committed in his flat, just days after a chance encounter with an American who had told him about an assassination plot that could have dire international consequences. **Post-Structuralist Joyce** Derek Attridge,Daniel Ferrer,1985-01-31 This volume is devoted to translations of some of the most significant criticism of James Joyce to have appeared in French journals over the last twenty, years. Joyce has been a great stimulus for new modes of theoretical and critical inquiry in France, which have in turn exerted a profound influence on the intellectual climate both in the UK and in North America. In their shared preoccupations with the mechanisms of

textuality and the implications thereof for the writing-and-reading subject, all the contributors to this volume, who include Hélène Cixous, Jacques Aubert, JeanMichel Rabaté, André Topia and Jacques Derrida, form part of the movement away from the structuralism that dominated intellectual discussion in the 1960s to what is now called (though not in France itself), 'post-structuralism'.
