Their world is one in which those who die in glory return as gods to live confined to a pantheon in Hallandren’s capital city and where a power known as BioChromatic magic is based on an essence known as breath that can only be collected one unit at a time from individual people. By using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be accomplished. 🔍 **UNTIMELY REFLECTIONS: BILINGUAL ENGLISH & GERMAN EDITION** Friedrich Nietzsche, A new 2023 translation into American English with introduction, translated from the original manuscript of Nietzsche’s 1876 Unzeitgemäße Betrachtungen. This edition is bilingual- the original text is included in the back as reference material behind the English translation. This is volume 2 in The Complete Works of Friedrich Nietzsche from Newcomb Livraria Press. This chronological, systematic set of Nietzsche’s works is the first ever bilingual complete major works of Nietzsche published in English & the original German. Untimely Reflections is a collection of four essays written by Friedrich Nietzsche between 1873 and 1876. The essays are a critique of contemporary culture, society, and science, and Nietzsche argues that the modern way of thinking is inherently flawed. In the first essay, David Strauss: The Confessor and the Writer, Nietzsche criticizes the way in which Strauss uses historical facts to support his own personal beliefs, describing it as a falsification of history. In the second essay, On the Uses and Disadvantages of History for Life, Nietzsche argues that history should be a means to an end and that individuals should not be enslaved to the past. In the third essay, Schopenhauer as Educator, Nietzsche praises the philosopher Schopenhauer’s ideas and his emphasis on self-overcoming. The fourth essay, Richard Wagner in Bayreuth, is a critique of the composer Richard Wagner and his approach to art and politics. Nietzsche writes, Wagner’s art is not the expression of a higher rank of man, but the symptom of a lower. Overall, Untimely Reflections is a collection of essays in which Nietzsche critiques contemporary culture, society, and science, and argues that the modern way of thinking is inherently flawed.

🔍 **PROJECT DEEP SPACE** H. Preston,2000-12 The year was 2115. For more than 150 years governments and private firms had been flying into space, but they still had not reached a point at which they had established a viable space travel industry. The growing public opinion was that they were spending too much money, wasting too much of Earth’s scarce resources and were no nearer to the routine hauling of passengers and freight than they were 150 years ago. The idea of space travel beyond our planetary system had faded to a level of ‘wild fantasy.’ While an innovative spacecraft manufacturing company and an aggressive airline firm brought space travel to the level of a viable industry with the introduction of a propulsion system without the need to carry a fuel load. The new ships were powered by electrical energy. But they had a serious limitation: there had to be a power station at the destination. With bases on planets and satellites further and further away, they gradually established a system to exploit the resources of other planets and asteroids, mining and discovering new minerals. This story is about the results of a discovery on one of those planets that enabled the development of a propulsion system that revolutionized space travel, allowing journeys beyond the solar system.

🔍 **GOD WAS HERE AND I WAS OUT TO LUNCH** Rev. James W. Moore,2001-09-01 Explores how, due to our rigid preoccupation with our busy-ness and routines, we fail to sense or appreciate the presence of God all around us; consequently, we miss out on the chance to tap in to common sense, we miss out on the chance to love God and others, and we miss out on the chance to connect with Jesus Christ as our Lord and Savior. In fifteen chapters, Moore highlights hallmarks of the Christian faith that are essential and life-giving for all persons, and which can be ours if only we will learn to recognize God’s majesty when it is near and open our lives to the change God offers. 15 chapters with a study guide. Appropriate for individual or group use.
