- 📖 De Gournay Claud Cecil Gurney, 2020-10-06 Renowned for its elegant hand-painted wallpapers and textiles, de Gournay creates some of the most beautiful interiors in the world. Celebrated for its hand-painted chinoiserie wallpapers, sumptuous patterns of colorful flora and varied birdlife, the company produces additional collections that explore historical themes, such as nineteenth-century French pastoral scenes or exotic Brazilian landscapes bursting with wildlife. De Gournay also crafts more abstracted designs that fit well with modern interiors. Collaborating with renowned tastemakers from across creative industries, de Gournay works with leading interior designers as well as noted trendsetters such as Kate Moss. This volume showcases de Gournay designs in situ, in beautiful interiors created by top designers in homes from San Francisco and New York to London, Paris, and beyond. The book explores de Gournay interiors in both city and country settings, how to take inspiration from English stately homes, and how custom wallpaper designs are created. Full of inspiring interiors and design ideas, de Gournay is an in-depth look at the stunning creations of one of the most prestigious and influential design houses of today.
- 📖 Living the Simply Luxurious Life Shannon Ables, 2018-10-07 What can you uniquely give the world? We often sell ourselves short with self-limiting beliefs, but most of us would be amazed and delighted to know that we do have something special – our distinctive passions and talents – to offer. And what if I told you that what you have to give will also enable you to live a life of true contentment? How is that possible? It happens when you embrace and curate your own simply luxurious life. We tend to not realize the capacity of our full potential and settle for what society has deemed acceptable. However, each of us has a unique journey to travel if only we would find the courage, paired with key skills we can develop, to step forward. This book will help you along the deeper journey to discovering your best self as you begin to trust your intuition and listen to your curiosity. You will learn how to: – Recognize your innate strengths – Acquire the skills needed to nurture your best self – Identify and navigate past societal limitations often placed upon women – Strengthen your brand both personally and professionally – Build a supportive and healthy community – Cultivate effortless style – Enhance your everyday meals with seasonal fare – Live with less, so that you can live more fully – Understand how to make a successful fresh start – Establish and mastermind your financial security – Experience great pleasure and joy in relationships – Always strive for quality over quantity in every arena of your life Living simply luxuriously is a choice: to think critically, to live courageously, and to savor the everydays as much as the grand occasions. As you learn to live well in your everydays, you will elevate your experience and recognize what is working for you and what is not. With this knowledge, you let go of the unnecessary, thus simplifying your life and removing the complexity. Choices become easier, life has more flavor, and you begin to feel deeply satisfying true contentment. The cultivation of a unique simply luxurious life is an extraordinary daily journey that each of us can master, leading us to our fullest potential.

- 📖 The Backstory of Wallpaper Robert M. Kelly, 2013 Wallpaper design has captivated Western consumers for 300 years, but this book looks closer – at wallpaper use. It tells how single-sheet wallpaper developed in Europe, found wide acceptance in England and France, and was successfully transplanted to the North American colonies. By 1750, wallpaper was well-established and poised for phenomenal growth.
- 📖 The Yellow Wall-Paper Charlotte Perkins Gilman, 2024-03-21 She has just given birth to their child. He labels her postpartum depression as »hysteria.« He rents the attic in an old country house. Here, she is to rest alone – forbidden to leave her room. Instead of improving, she starts hallucinating, imagining herself crawling with other women behind the room's yellow wallpaper. And secretly, she records her experiences. The Yellow Wall-Paper [1892] is the short but intense, gothic horror story, written as a diary, about a woman in an attic – imprisoned in her gender; by the story. Charlotte Perkins Gilman's feminist novella was long overlooked in American literary history. Nowadays, it is counted among the classics. Charlotte Perkins Gilman (1860–1935), born in Hartford, Connecticut, was an American feminist theorist, sociologist, novelist, short story writer, poet, and playwright. Her writings are precursors to many later feminist theories. With her radical life attitude, Perkins Gilman has been an inspiration for many generations of feminists in the USA. Her most famous work is the short story The Yellow Wall-Paper [1892], written when she suffered from postpartum psychosis.

- 📖 Luxury Brand and Art Collaborations Federica Carlotto, 2024-04-11 Over the past decades, collaborative initiatives between luxury brands and the art world have been increasing in number and relevance. At first treated as a mere trend or as a marketing stunt, in time luxury-art collaborations have come to be acknowledged as one of the most effective ways luxury brands and artists can position themselves in today's market, engaging with their clients and audiences. This book sheds light on the socio-cultural valence of luxury-art collaborations. The book explores luxury-art collaborations in the context of postmodern consumption, i.e. as a phenomenon deeply rooted in and emerging from the ways postmodern individuals value and consume objects, contents and ideas. More specifically, the book covers: how collaborations reflect the postmodern condition and liquid consumption practices (hybrid, temporary, hyperreal); the impact of luxury-art collaborations on the evolution of luxury stores and museums, and the emergence of hybrid spaces (art fairs, nomadic exhibitions, pop-up stores) – the temporal features of luxury-art collaborations (shortlived duration and fast-paced tempo) – how luxury-art collaborations reshuffle traditional status dynamics while drawing new boundaries of social distinction based on experience and access – why luxury brands and creatives are redefining their conventional identities, morphing into cultural entities and bricoleurs. The book appeals to a wide range of readers, from academics and students in art business, luxury studies, consumption behaviour, to professionals in the luxury industry and the art world. The book is also relevant to an international readership of non-specialists interested in current social and cultural matters.

- 📖 Luxury and Modernism Robin Schuldenfrei, 2018-06-05 While modernism was publicized as a fusion of technology, new materials, and rational aesthetics to improve the lives of ordinary people, it was often out of reach to the very masses it purportedly served. Luxury and Modernism shows how luxury was present in bold, literal forms in modern designs—from lavish materials and costly technologies to deluxe buildings and household objects—and in subtler ways as well, such as social milieus and modes of living. In a period of social unrest and extreme wealth disparity between the common worker and those at the helm of capitalist enterprises generating immense profits, architects envisioned modern designs providing solutions for a more equitable future. Robin Schuldenfrei exposes the disconnect between modernism's utopian discourse and its luxury objects and elite architectural commissions. Despite the movement's egalitarian rhetoric, many modern designs addressed the desires of the privileged individual. Yet as Schuldenfrei demonstrates, luxury was integral not only to how modern buildings and objects were designed, manufactured, and sold, but has contributed to modernism's appeal to this day. This beautifully illustrated book provides a new interpretation of modern architecture and design in Germany during the heyday of the Bauhaus and the Werkbund, tracing modernism's lasting allure to its many manifestations of luxury. Schuldenfrei casts the work of legendary figures such as Peter Behrens, Walter Gropius, and Ludwig Mies van der Rohe in an entirely different light, revealing the complexities and contradictions inherent to

MODERNISM’S PROMOTION AND CONSUMPTION.
