Earth Day Melissa Ferguson,2021 Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

Worked Over Jamie K McCallum,2020-09-08 An award-winning sociologist reveals the unexpected link between overwork and inequality. Most Americans work too long and too hard, while others lack consistency in their hours and schedules. Work hours declined for a century through hard-fought labor-movement victories, but they've increased significantly since the seventies. Worked Over traces the varied reasons why our lives became tethered to a new rhythm of work, and describes how we might gain a greater say over our labor time -- and build a more just society in the process. Popular discussions typically focus on overworked professionals. But as Jamie K. McCallum demonstrates, from Amazon warehouses to Rust Belt factories to California's gig economy, it's the hours of low-wage workers that are the most volatile and precarious -- and the most subject to crises. What's needed is not individual solutions but collective struggle, and throughout Worked Over McCallum recounts the inspiring stories of those battling today's capitalism to win back control of their time.

The Home Edit Clea Shearer,Joanna Teplin,2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Neighborliness David Docusen,2022-03-15 Do you want to love your neighbor as yourself but don’t know where to start? This practical, accessible guide to bridging the dividing lines of politics, race, and economics, both individually and as the church, will help you amplify Jesus in your community and build God’s kingdom. When asked what the greatest commandment is, Jesus gave a two-part answer: “Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength” and also “Love your neighbor as yourself.” Love God. Love others. Jesus’ simple command to love your neighbor can feel overwhelming when your neighbor looks, lives, and votes differently than you do. Racial and economic tensions across the country have resulted in deep dividing lines that seem really intimidating to cross. Docusen breaks down these lines in approachable chapters, including topics like these: how to actively seek out people you can benefit and encourage, what it means to find a diverse and supportive community that fulfills needs, examples of real-life experiences, including highlights and missteps of Docusen’s ongoing journey, and how churches can teach on difficult topics with grace and truth. Neighborliness is a practical guide to bridging those dividing lines and learning to recognize and amplify the beauty of God in our communities. Backed by David’s speaking and training through the Neighborliness Center, this book will help individuals and churches reach out to their neighbors, love them through Christ, and build God’s kingdom.

Epidemiology and Prevention of Vaccine-Preventable Diseases, 13th Edition E-Book Jennifer Hamborsky, MPH, MCHES,Andrew Kroger, MD, MPH,Charles (Skip) Wolfe,2015-10-19 The Public Health Foundation (PHF) in partnership with the Centers for Disease Control and Prevention (CDC) is pleased to announce the availability of Epidemiology and Prevention of Vaccine-Preventable Diseases, 13th Edition or “The Pink Book” E-Book. Self-employment Tax ,1988

Sam Walton Sam Walton,2012-09-12 Meet a genuine American folk hero cut from the homespun cloth of America's heartland: Sam Walton, who parlayed a single dime store in a hardscrabble cotton town into Wal-Mart, the largest retailer in the world. The undisputed merchant king of the late twentieth century, Sam never lost the common touch. Here, finally, inimitable words. Genuinely modest, but always sure of his ambitions and achievements. Sam shares his thinking in a candid, straight-from-the-shoulder style. In a story rich with anecdotes and the rules of the road of both Main Street and Wall Street, Sam Walton chronicles the inspiration, heart, and optimism that propelled him to lasso the American Dream.

Labor Contestation at Walmart Brazil Scott B. Martin,João Paulo Cândia Veiga,Katiuscia Moreno Galhera,2021-09-10 This book explores how and why the labor practices of the world's largest employer, supermarket giant Walmart, were contested by unions and government regulators as it expanded to Latin America starting in the 1990s. With an in-depth case study of Brazil, and a comparative chapter examining Argentina, Chile, and Mexico, this book analyzes the problematic encounter between diffusion of home-office anti-labor practices and evolving national institutional contexts that are quite varied and in some cases enable considerable resistance by unions and/or regulators. Walmart's "repressive familial" and "anti-union" model is found to generate costs and conflicts that contributed to its unprofitability and ultimate exit from Brazil in 2018. This experience, contrasted with country situations where Walmart's overall competitive and labor and human resource practices "fit" better with national markets and institutions, underlines the brittle, problematic nature of diffusionist corporate models lacking adaptive capacity to significant cross-national variations across host countries.

i\$The Walmart Wayi" Not Sami's Way Julie Pierce,2006-06-07 Among the merchandise, files and customers at Walmart are the associates. The people who greet the customers and keep the shelves stocked. This book looks into the lives of the people this company will forever be connected to, like it or not. It tells of the beginning of the end of Walmart. This is the warehouse, the truck driver and the system keeping count of it all. This is a written view from the inside. It takes an in depth look at associates, individual stores, salaried management and the corporate offices of this company listed on tickers of the New York Stock Exchange as wmt. For updated info go to www.walmartassociatescentral.com

Wal-Mart World Stanley D. Brunn,2006 With a billion shoppers worldwide, Wal-Mart World is the first book to look at this incredibly important phenomenon in global perspective, its broad scope makes it essential reading for anyone interested in the global impact of this economic colossus.

CDC Yellow Book 2020 CENTERS FOR DISEASE CONTROL AND PREVENTION. (CDC),2019-06-11 The definitive reference for travel medicine, updated for 2020! A beloved travel must-have for the intrepid wanderer. -Publishers Weekly A truly excellent and comprehensive resource. -Journal of Hospital Infection The CDC Yellow Book offers everything travelers and healthcare providers need to know for safe and healthy travel abroad. This 2020 edition includes: · Country-specific risk guidelines for yellow fever and malaria, including expert recommendations and 26 detailed, country-level maps · Detailed maps showing distribution of travel-related illnesses, including dengue, Japanese encephalitis, meningococcal meningitis, and schistosomiasis · Guidelines for self-treating common travel conditions, including altitude illness, jet lag, motion sickness, and travelers' diarrhea · Expert guidance on food and drink precautions to avoid illness, plus water-disinfection techniques for travel to remote destinations · Specialized guidelines for non-leisure travelers, study abroad, work-related travel, and travel to mass gatherings · Advice on medical tourism, complementary and integrative health approaches, and counterfeit drugs · Updated guidance for pre-travel consultations · Advice for obtaining healthcare abroad, including guidance on different types of travel insurance · Health insights around 15 popular tourist destinations and itineraries · Recommendations for traveling with infants and children · Advising travelers with specific needs, including those with chronic medical conditions or weakened immune systems, health care workers, humanitarian aid workers, long-term travelers and expatriates, and last-minute travelers · Considerations for newly arrived adoptees, immigrants, and refugees Long the most trusted book of its kind, the CDC Yellow Book is an essential resource in an ever-changing field -- and an ever-changing world.

Walmart Locator: Directory of Stores in the United States Roundabout Publications,2016-04-27 Walmart Locator is a useful directory of Walmart and Supercenter stores in the United States. State maps identify where the stores are located and whether gas or diesel fuel is available. Detailed information for each store includes: City or town where the store is located Type of store (Walmart or Walmart Supercenter) Availability of gasoline and diesel fuel Distance from Interstate highway if within ten miles Open 24 hours Address Zip code Phone number Driving directions Whether you're a blacktop boondocker or regular shopper, the Walmart Locator will help you find stores throughout America!

Walmart in China Anita Chan,2011-11-15 Walmart and Made in China are practically synonymous; Walmart imports some 70 percent of its merchandise from China. Walmart is now also rapidly becoming a major retail presence there, with close to two hundred Walmarts in more than a hundred Chinese cities. What happens when the world's biggest retailer and the world's biggest country do business with each other? In this book, a group of thirteen experts from several disciplines examine the symbiotic but strained relationship between these giants. The book shows how Walmart began cutting costs by bypassing its American suppliers and sourcing directly from Asia and how Walmart's sheer size has trumped all other multinationals in squeezing procurement prices and, as a by-product, driving down Chinese workers' wages. China is also an inviting frontier for Walmart's global superstore expansion. As China's middle class grows, the chain's Western image and affordable goods have become popular. Walmart's Arkansas headquarters exports to the Chinese stores a unique corporate culture and management ideology, which oddly enough are reminiscent of Mao-era Chinese techniques for promoting loyalty. Three chapters separately detail the lives of a Walmart store manager, a lower-level store supervisor, and a cashier. Another chapter focuses on employees' wages, voluntary overtime, and the stores' strict labor discipline. In 2006, the official Chinese trade union targeted Walmart, which is antilabor in its home country, and succeeded in setting up union branches in all the stores. Walmart in China reveals the surprising outcome.

The Good Jobs Strategy Zeynep Ton,2014 Explains how today's workers are a company's greatest asset and should be treated as such and discusses the flaws in the trend that sent service, manufacturing and retail sector jobs overseas in an effort to stay competitive through reduced wages and benefits. 25,000 first printing.

The Wal-Mart Revolution Richard K. Vedder,Wendell Cox,2006 Wal-Mart is under attack--from labor unions, urban planners, globalization critics, and community activists. Looking at Wal-Mart, the authors review conditions before and after Wal-Mart entered a local market and look more broadly at Wal-Mart's impact on wages, productivity growth and inflation. Vedder and Cox show that the retailer has been a force for good.

How to Manage Your Home Without Losing Your Mind Dana K. White,2016-11-08 Bring your home out of the mess it’s in—and learn how to keep it under control! Housekeeping expert Dana K. White shares reality-based cleaning and organizing techniques that will help you learn what really works. Do you experience heart palpitations at the sound of an unexpected doorbell? Do you stare in bewilderment at your messy home, wondering how in the world it got this way again? You’re not alone. But there is hope for you and your home. Managing your home isn’t an all-or-nothing approach, and Dana has broken down the most critical things that you’ll need to do to keep up with the housework. With understanding, honesty, and her trademark humor, Dana shares her field-tested strategies including: Exactly where to start to tame the chaos Which habits deserve your focus and will make the most impact How to gain traction in your quest for a manageable home Practical tips you can implement and immediately to declutter huge amount of stuff with minimal emotional drama Cleaning your house is not a one-time project—it’s a series of ongoing and daily decisions. Start learning Dana’s reality-based cleaning and organizing techniques—and see how they really work! Praise from Readers: “This book lays out the hard truths of a clean house but in a way that doesn’t make me feel silly for not having embraced them before.” “Dana leads you step-by-step with the heart of a woman who has been there and struggled with the same issues you are currently struggling with. Really, this is a must read for anyone who wants to learn the secrets that all those organized types seem to know.” “I felt like a failure already. Did I really need to read yet another book full of tips and tricks that would leave me feeling worse? From the first page, I was put at ease.” Get ready to say goodbye to the stacks of dirty dishes crowding your kitchen counters, conquer the never-ending piles of laundry, and stop tripping over clutter on your living room floor as Dana helps you discover what works for you, for your unique personality, and in your unique home.

Employment Law Update, 2020 Edition HENRY H. PERRITT (JR.),Perritt Jr Henry H,2020-03-14 Employment Law Update, 2020 Edition analyzes recent developments of interest to employment law practitioners representing plaintiffs, defendants, and labor unions. It comprehensively covers recent developments and case law in the rapidly changing employment and labor law field. Comprised of 7 chapters - each written by an expert in employment law - this updated edition provides timely, incisive analysis of critical issues. Employment Law Update, 2020 Edition provides, where appropriate, checklists, forms, and guidance on strategic considerations for litigation and other forms of dispute resolution. Highlights of coverage in this 2020 Edition include: Analysis of the proliferating state and municipal ordinances and statutes requiring employers to adopt predictable schedules. Case law under the Americans With Disabilities Act involving employees or applicants for employment who claim that their inability to relate well to others constitutes a statutory mental disability that must be accommodated. How the acquiring firm in an acquisition and the surviving firm in a merger can improve the chances of retaining preferred employees, including the likely impact of various equity and option arrangements. The rapidly changing legal landscape for covenants not to compete, including a review of basic common-law concepts and the reach of new statutes that limit the enforceability of covenants in several states. The possibility that employer rules may constitute unfair labor practices under the National Labor Relations Act, under the doctrine of The Boeing Company case, which allows employers to avoid liability by offering justification for rules such as those prohibiting employee use of camera in the workplace. The controversy over political speech by professional athletes and the legal framework defining the rights of players, teams, and leagues, considering that the First Amendment does not apply to the non-state actors. Guidance to multinational employers on how to conduct an internal investigation without running afoul of widely differing national laws on privacy and other employee rights. Note: Online subscriptions are for three-month periods. Previous Edition: Employment Law Update, 2019 Edition ISBN 9781543808452
