**Warrior Queens** Noah Patterson,2022 It's the year 3985. Civilization and humanity as we know it has long since been destroyed. Engulfed in the fiery flames of atomic war while the rest of us were later killed by radiation poisoning, mutations, or the walking rotting dead that attacked any living thing. Any remnants of the technological advancements we once knew have now vanished. . . turned to dust . . . or are nothing more than curious oddities to the current planet's inhabitants. The new humans, the ones that were reborn from the red dust of the planet, is one that is vastly different from the people we knew. Forced to adapt, to overcome, and to survive, they became warriors. These new people possess strength, speed, and cunning set against a harsh landscape of burning hot deserts, freezing tundras, and violent wars. They are warriors who value the valor of combat above all else. However, the highest station of warriors is the Warrior Queens. Rather than being ruled by pompous, entitled, and lazy leaders, the realms are ruled by the highest rank of warriors. The Warrior Queens. Warrior Queens is an ultra-simple solo tabletop roleplaying game with themes focused on inspirations from grindhouse 70s and 80s sword and sorcery/sword and sandal films. *The Black Ballad* Storytellers Forge,2024-05-15 Where do the dead go when they rest? The poetic mystery of death has long been a fascination for the living. The images of warm hearths and a familial embrace are conjured for some, while others picture screaming in eternal torment at the hands of a demon. And yet, clerics have the power to pluck the dead back from that plane, thrusting them back into their mortal coils or even raising them into a state of eternal Undeath. Surely the gods would grow weary of their clerics pinching souls that rightfully belonged in their afterlife. Wouldn't they? A partnership forged in fire and blood between musicians, artists, writers, editors, and more currently rests in your hands. The Black Ballad is a 10-chapter roleplaying campaign made alongside DiAmorte's second album, a savage metal opera of cosmic proportions. This saga will let players decide the fate of the afterlife itself while immersing themselves in musical works focusing on loss, acceptance, and determination in the face of one's own death. Will your campaign have the gall to challenge the will of divinity?

**Lone Wolf** August Hahn,2003-10 Readers of the Lone Wolf series were launched into an odyssey spanning 28 game books, 12 novels, and countless related works. The hero for most of that work was Lone Wolf, a Kai Lord and the readers' alternate identity when traveling through the complex and often lethal world of Magnamund. The last survivor of the Kai, it was his self-appointed duty to seek vengeance for the deaths of his brothers and sisters. Through it all, readers of the Lone Wolf game books followed along with every step, every sword blow, and every use of his incredible powers. This book is the definitive guide to the world of Magnamund and the many roleplaying possibilities it provides.. If you can imagine an adventure, it awaits you somewhere on the face (or in the dark caverns) of Magnamund. There is a gazetteer section with maps, images, and detailed descriptions of the many realms that make up Magnamund. Notes on cultures, monsters, and the inevitable dangers of the land will be at your fingertips. The gazetteer will also provide Games Masters with statistics for dozens of terrible beasts and vile henchmen to throw at those foolish enough to oppose the rise of the Darklords What you will not find in these pages are overly complicated or burdensome rules. The combat of Lone Wolf is quick and simple, with greater emphasis placed on the descriptions and action of titanic conflict rather than the dice rolls involved. The real battle should be against the Darklords, not the rules involved to doing so. The basic rules of Lone Wolf are just that- basic. They provide the foundation for all action in Magnamund without getting in the way of the saga that is your campaign.

The small Duchy of the Kamarg, ruled by the noble Count Brass has managed to endure the endless sieges and plots unleashed by Granbretan against that rogue state. But then he discovered his destiny as the Eternal Champion and held the Runestaff, and magic and hope returned to the world! Continuing the Eternal Champion rpg line, the Hawkmoon rpg takes players to our distant future, to a realm where science battles sorcery!

**Oathmark** Joseph A. McCullough,2020-04-30 Empires have fallen, and the land is broken. The great oathmarks that once stood as testaments to the allegiances and might of nations have crumbled into ruin. In this lost age, fealty and loyalty are as valuable as gold and as deadly as cold iron, and war is ever-present. Created by Joseph A. McCullough, designer of Frostgrave and Frostgrave: Ghost Archipelago, Oathmark is a mass-battle fantasy wargame that puts you in command of the fantasy army you've always wanted, whether a company of stalwart dwarves or a mixed force with proud elves, noble men, and wild goblins standing shoulder-to-shoulder in the battle-line. Fight through an integrated campaign system and develop your realms from battle to battle, adding new territories, recruiting new troop types, and growing to eclipse your rivals... or lose what you fought so hard to gain and fall as so many would-be emperors before you.

**Awoo!** A. C. Stuart,2021-08-05 Awoo! is a comic about wolves and wolf activities, set deep in a sprawling forest on the fringes of civilization, filled with a colorful cast of weird and wonderful woodland creatures just trying to get along, which isn't always easy when a bunch of them are trying to eat each other. Sometimes silly, often sweet, never cruel, these are comics for everyone.

Portraits of Courage George W. Bush,2017-02-28 #1 NEW YORK TIMES BESTSELLER • A vibrant collection of oil paintings and stories by President George W. Bush honoring the sacrifice and courage of America’s military veterans. With Forewords by former First Lady Laura Bush and General Peter Pace, 16th Chairman of the Joint Chiefs of Staff. Growing out of President Bush’s own outreach and the ongoing work of the George W. Bush Institute's Military Service Initiative, Portraits of Courage brings together sixty-six full-color portraits and a four-panel mural painted by President Bush of members of the United States military who have served our nation with honor since 9/11—and whom he has come to know personally. Our men and women in uniform have faced down enemies, liberated millions, and in doing so showed the true compassion of our nation. Often, they return home with injuries—both visible and invisible—that intensify the challenges of transitioning into civilian life. In addition to these burdens, research shows a civilian-military divide. Seventy-one percent of Americans say they have little understanding of the issues facing veterans, and veterans agree: eighty-four percent say that the public has little awareness of the issues facing them and their families. Each painting in this meticulously produced hardcover volume is accompanied by the inspiring story of the veteran depicted, written by the President. Readers can see the faces of those who answered the nation’s call and learn from their bravery on the battlefield, their journeys to recovery, and the continued leadership and contributions they are making as civilians. It is President Bush’s desire that these stories of courage and resilience will honor our men and women in uniform, highlight their family and caregivers who bear the burden of their sacrifice, and help Americans understand how we can support our veterans and empower them to succeed. President Bush will donate his net author proceeds from PORTRAITS OF COURAGE to the George W. Bush Presidential Center, a non-profit organization whose Military Service Initiative works to ensure that post-9/11 veterans and their families make successful transitions to civilian life with a focus on gaining meaningful employment and overcoming the invisible wounds of war.
