The Great Book of Washington DC Sports Lists Len Shapiro,Andy Pollin,2008-12-16 Sports talk in America has evolved from small-time barroom banter into a major media smorgasbord that runs 24/7 on TV and radio. With hundreds of billions of dollars generated annually by pro and college teams in major markets nationwide, sports fans across the country are more dedicated than ever to their teams. And when it comes to sports talk—especially all-sports radio—it's all about entertainment, information, prognostication, analysis, rankings, and endless discussion. Prominent sports-media figures in each of the three target cities—Cleveland, Detroit, and Washington, D.C.—engage in this phenomenon with a compilation of sports lists sure to delight as well as stir up debate within these already-buzzing sports communities. List topics include: • What were the most lopsided trades in local sports history? • Who were the most overrated athletes to play in our town? • What local athlete had the best appearance in TV or film? • What was the most heartbreaking loss in local sports history? • What was the greatest single play in local sports history? • Who are our team's most hated rivals? • Plus dozens of “guest” lists contributed by famous local sports and entertainment celebrities. Following each of the four major pro sports teams—the Redskins (NFL), the Capitals (NHL), the Nationals (MLB), and the Wizards (NBA)—plus prominent college sports programs such as Georgetown and Maryland, D.C.'s fans have a vast array of choices, and Andy Pollin and Leonard Shapiro are the guys who help sort them out.

Ted Williams and the 1969 Washington Senators Ted Leavengood,2014-11-26 Heading into their ninth season, the expansion Washington Senators had never won more than 76 games in a season. New Senators owner Bob Short hired Hall of Famer Ted Williams to manage the team. Williams sparked the Senators to their only winning record for a Washington team since 1952. This book recounts that 1969 season in-depth.

Clark Griffith Ted Leavengood,2014-01-10 Famed Washington sportswriter Shirley Povich once said that Clark Griffith’s life was a true Horatio Alger story. Born in a frontier log cabin in Missouri in 1869, Griffith enjoyed a successful 64-year career in baseball that ended with his death in 1955. He spent 20 seasons as a major league pitcher, another 20 seasons as a manager—including five as the first manager of the New York Yankees—and 35 years as owner of the Washington Senators, where he won three American League pennants and the 1924 World Series. One of the game’s greatest ambassadors, Griffith made his lasting mark as a labor leader and as one of the founders of the American League in 1901. This biography chronicles the Old Fox’s long life in baseball, revealing in the process a vast trove of sporting history and illuminating the changing landscape of both baseball and American culture.

The 2005 Washington Nationals Ted Leavengood,2006-09-19 Here is the story of the 2005 Washington Nationals. Told from a fan's perspective, the narrative begins inside RFK on opening day, expressing the simple pleasures of baseball that 34 years couldn't erase. As the team took one series after another, baseball fans quickly forgot that many on the roster had ever played to empty seats in Montreal. Descriptive prose covers each game, from the crack of Brad Wilkerson's bat to Livan Hernandez's eight-inning outings.

A Whole New Ballgame Stephen J. Walker,2009 Despite a long and uneven history, Major League Baseball's Washington franchises have hardly been the stuff of legend. However, in 1969, when new owner Bob Short coaxed batting legend and rookie manager Ted Williams out of retirement, these annual no-names climbed out of the depths and straight into the hearts of Washington baseball fans starving for a winner. Led by The Capital Punisher Frank Howard, whose tape-measure home runs sometimes seemed like optical illusions, the Senators simply won ball games with a determination rarely seen in D.C. environs. A Whole New Ballgame showcases the 1969 Senators' magical season, complete with player bios, photographs, stats, game action, and stories.

Hardball on the Hill James C. Bill Stern’s Favorite Baseball Stories Bill Stern,2017-06-28 AT BAT—WITH BILL STERN Baseball is a game rooted deep in the heart of America. I’ve loved it ever since I was a kid old enough to yell: “Take Me Out to the Ball Game!” As long as I can remember, I’ve been hearing stories of baseball...fascinating tales of fabulous heroes from a land where the sun always shines and men never grow old...curious legends that grew stranger with age...yarns that have been handed down with the years as treasured lore. As I grew older, and fate cast me in the rôle of a radio sports reporter and storyteller, I’ve been fortunate to meet many of the heroes, old and new—Babe Ruth, Lou Gehrig, Ty Cobb, Walter Johnson, Connie Mack, Grover Cleveland Alexander, Tris Speaker, Leo Durocher, Ted Williams, Bobby Feller and Joe DiMaggio, to name but a handful who have paraded before my microphone. And each in his way has enriched my collection of diamond stories. Of the countless stories I’ve heard from baseball men, I’ve treasured a number to hold, keep and remember. However, a storyteller who has been sharing his most interesting stories with millions of people finds it difficult to be miserly. Hence, I’ve chosen my favorites and offer them in print to all my fans for a generous dose of the romance, the glamour, the color, the thrills, the drama, the comedy, and the nostalgia that are all part of this game called baseball. Maybe I’ll score with some and get shut out on others but here they are just as I treasure them in my sports memory book—my favorite baseball stories.

Broadcasting Baseball Eldon L. Ham,2011-07-29 There is a long-standing relationship between broadcasting and sports, and nowhere is this more evident than in the marriage of baseball and radio: a slow sport perfectly suited to the word-painting of broadcasters. This work covers the development of the baseball broadcasting industry from the first telegraph reports of games in progress, the influence of early pioneers at Pittsburgh's KDKA and Chicago's WGN, including the first World Series broadcast, the launch of the Telstar Satellite, the Carlton Fisk homerun in the 1975 World Series, which changed how baseball is broadcast, through the latest computer graphics, HD television, and the Internet.

Crack of the Bat James R. Walker,2015-05-01 The crack of the bat on the radio is ingrained in the American mind as baseball takes center stage each summer. Radio has brought the sounds of baseball into homes for almost one hundred years, helping baseball emerge from the 1919 Black Sox scandal into the glorious World Series of the 1920s. The medium gave fans around the country aural access to the first All-Star Game, Lou Gehrig's farewell speech, and Bobby Thomson's "Shot Heard 'Round the World." Red Barber, Vin Scully, Harry Caray, Ernie Harwell, Bob Uecker, and dozens of other beloved announcers helped cement the love affair between radio and the national pastime. Crack of the Bat takes readers from the 1920s to the present, examining the role of baseball in the development of the radio industry and the complex coevolution of their relationship. James R. Walker provides a balanced, nuanced, and carefully documented look at radio and baseball over the past century, focusing on the interaction between team owners, local and national media, and government and business interests, with extensive coverage of the television and Internet ages, when baseball on the radio had to make critical adjustments to stay viable. Despite cable television's ubiquity, live video streaming, and social media, radio remains an important medium through which fans engage with their teams. The evolving relationship between baseball and radio intersects with topics as varied as the twenty-year battle among owners to control radio, the development of sports as a valuable media product, and the impact of competing technologies on the broadcast medium. Amid these changes, the familiar sounds of the ball hitting the glove and the satisfying crack of the bat stay the same.

You Gotta Have Heart Frederic J. Frommer,2013-06-21 "First in War, First in Peace . . . and Last in the American League." Expressions such as this characterized the legend and lore of baseball in the nation's capital, from the pioneering Washington Nationals of 1859 to the Washington Senators, whose ignominious departure in 1971 left Washingtonians bereft of the national pastime for thirty-three years. This reflective book gives the complete history of the game in the D.C. area, including the 1924 World Series championship team and the Homestead Grays, the perennial Negro League pennant winners from the late 1930s to the mid-1940s who consistently outplayed the Senators. New chapters describe the present-day Nationals, who, in 2012, won the National League East led by the arms of Gio Gonzalez and Stephen Strasburg and the bats of Ryan Zimmerman, Adam LaRoche and rookie Bryce Harper. The book is filled with the voices of current and former players, along with presidents, senators, and political commentators who call the team their own.

Best Seat in the House: A Father, a Daughter, a Journey Through Sports Christine Brennan,2022-06-17 From the best-known and most widely read woman sports columnist in the United States comes a remarkable memoir of a father and a daughter, the story of a girl who would turn her love for sports into a trailblazing career. Christine Brennan grew up in Toledo, Ohio, spending her summers playing with the boys on her block, memorizing baseball statistics, accompanying her dad to countless baseball and football games, and falling in love with everything about sports. While other girls were playing with Barbie dolls, Chris was collecting baseball cards and listening to the radio for the play-by-play accounts of her favorite teams. The eldest of four children, Chris was her father's daughter from the beginning. For a girl growing up in the 1960s and '70s, in the days before Title IX changed the playing fields of America, there were few opportunities to play organized sports. But Jim Brennan encouraged his daughter to believe she could play anything she wanted to, and when she couldn't be on the field, he was by her side in the stands -- she always thought the seat next to her father was the best seat in the house -- usually cheering for the underdog, and making sure Chris knew there was a place for her in the world of sports. In her warm and inspiring memoir, the first of its kind by a female sports journalist, Brennan takes readers from her neighborhood ball fields to the press boxes and locker rooms of stadiums around the world. Guided by her father's unfailing sense of loyalty, honor, and fairness, at the age of twenty-two she became the first female sportswriter for The Miami Herald, and in 1985 was the first woman to cover the Washington Redskins as a staff writer for The Washington Post. Over the past quarter century, Brennan has reported on many of the biggest stories in sports, and led the coverage of both the 1994 Tonya Harding-Nancy Kerrigan saga and the pairs figure-skating scandal at the 2002 Salt Lake Olympics. Her USA Today column on Augusta National Golf Club, home of the Masters, triggered a nationwide debate about the club's lack of female members. Told in the spirited, friendly voice that readers of her column have come to love, Best Seat in the House is the heartwarming chronicle of a girl who came of age as women's sports were coming of age, encouraged every step of the way by her beloved father.

Broadcast Rites and Sites Joe Castiglione,Douglas B. Lyons,2006 Veteran broadcaster Joe Castiglione combines the story of his baseball adventures with the Cleveland Indians; the Milwaukee Brewers; and for twenty years, the Boston Red Sox, with a travelogue of major American cities.

National Pastime Barry Svrluga,2006 Major League Baseball returned to Washington, D.C., in 2005 and created a bang that no one had anticipated. The Washington Nationals enjoyed astonishing success from the get-go; by midseason they were in first place in the highly competitive National League East. The team, composed mainly of former Montreal Expos and managed by one of the best players in the history of the game—the feisty, outspoken Frank Robinson—captured the attention of baseball fans not just in the nation's capital but throughout the country. Barry Svrluga, beat reporter for The Washington Post, has followed the saga of the Nationals from the early, intense wrangling over bringing the team to Washington to the surprising success of their first-ever season. Granted exclusive access to the team, he brings the players to life in wonderful anecdotes about their lives on and off the field, interviews fans from around the city, and offers his own astute analyses of the team's ups and downs throughout the season. A savvy observer of both Washington and Major League politicking, he covers the conflicts that undermined the existence of a D.C. team for more than three decades, including battles about financing the franchise and the building of a new stadium (now scheduled to be completed in 2008), as well as bitter opposition

from the neighboring Baltimore Orioles and others inside the baseball establishment.
