100-Yard Journey Gary Pinkel,Dave Matter,2017-09-15 Very few college football coaches earn the distinction of becoming their programs' winningest, but Gary Pinkel has done it twice. From his nine-year tenure at the University of Toledo to his career at the University of Missouri from 2001 to 2015, Pinkel has shown he has the talent and meddle to take his teams to the top. These remarkable achievements have been met by challenges along the way in Pinkel's personal and professional life, including a DUI and a divorce, a threatened team boycott at Mizzou which dominated national news headlines, and ultimately, a decision to step away from it all following a diagnosis of non-Hodgkins lymphoma. In *The 100-Yard Journey*, Pinkel offers a glimpse into the mind of a winner as well as an honest reflection on meeting and overcoming the unexpected. Follow along from the start of Pinkel's coaching career at Kent State, the same program for which he played as a tight end, through stops at Washington and Toledo, and finally, taking over at the helm of Missouri, a program he guided to 10 bowl games in 15 years, a No. 1 AP ranking at the end of the 2007 season, and SEC Coach of the Year honors in 2014. Whether you're a Tigers fan or just interested in what makes a successful head coach tick, anyone can find something to relate to in Pinkel's personal memoirs.

Shock the World Peter F. Burns,2012-10-09 Before March 2011 only four coaches had ever won the NCAA men's basketball championship three times or more. That month, with the culmination of the famous March Madness, the University of Connecticut's Jim Calhoun became the fifth. In twenty-five years at UConn, coach Jim Calhoun changed a team, a university, a state, and college basketball. *Shock the World* is a riveting season-by-season, game-by-game, and player-by-player biography of Jim Calhoun's winning program. It paints a vivid portrait of college basketball in the last twenty-five years and highlights the challenges Calhoun overcame to become the best program builder of all time, and the greatest coach of his generation. Calhoun's Huskies show that spirit, fortitude, and perseverance are keys to winning in modern collegiate sports, just as they are the keys to overcoming challenges off the court. At the end of the 2010 season an NCAA investigation, penalties, and few returning players threatened an end to the Calhoun era. Despite these obstacles, Calhoun, point guard Kemba Walker, and a group of freshmen led UConn to a win at the Maui Invitational in November, and UConn became the first team to capture its conference tournament by winning five games in five days. They went on to a thrilling win in the championship, making this period in the Calhoun era one of great resilience and an enduring monument to Husky pride.

These Two Hearts Kenna White,2015-06-01 When the heart wants what it should not have... Settling into a new job at a hospital on the wild southern coast of Washington, Sara Patterson has carefully realized her cautious hopes for a steady, practical life. Education, check. Secure employment, check. Tumultuous attraction to an attractive drifter? Not on the list. Jessie Singer loves the way billiard balls roll over the green baize of a pool table and her dream of playing pool professionally keeps her wandering from job to job, and from woman to woman. But she keeps coming back, drawn to the coastal waters and mountain scenery. And to something she never expected. Two women think they know what they want from life—until their lives collide.
