Town and Terraced Housing Avi Friedman,2012-06-25 Recent societal changes have brought about renewed interest from architects, town planners, housing officials and the public in terraces and townhouses. The small footprint that this style of house occupies allows a sustainable high density approach to habitation, slowing sprawl and creating energy-efficient affordable living. Townhouses have been used for hundreds of years, and their evolution is covered from their inception right up to the present day. With the changing demographics of buyers in mind, Avi Friedman details how the design of these houses can be adapted to keep-up with contemporary needs. Friedman uses a systematic approach to cover the many facets of townhouses from interior design and construction methods, to urban planning issues like adjusting to the site's natural conditions, street configurations and open spaces. This approach creates a book which will be a valuable resource for those involved in the planning, design and creation of terraced and town houses. Over 150 detailed diagrams and plans, and eighty photos, illustrate the essential elements of this style of housing. In the final chapter, lessons learnt throughout the book are draw together in ten broad ranging case study projects, showing how the various aspects can be put into practice.

Painted Blind Michelle A. Hansen,2012-05-03 Psyche Middleton's life has gone from ordinary-to-extraordinary-to just plain crazy. First she traveled to Italy for a summer modeling gig. Though she promised her dad there'd be no nudity, there was that one risqué shot—and it ends up on a billboard in the middle of her hometown, where everyone—especially her dad—will see it. Oddly enough, that quickly becomes the least of her worries when she falls unexpectedly, head-over-heels in love with Erik, a mysterious young man who can make himself invisible. As strange as this may seem, it's about to get even stranger. When Erik takes her to his palace in an idyllic kingdom, Psyche is swept into the beauty and culture of his world, but his affection has one condition: she may not see him. Overtaken, intrigued, and not wholeheartedly believing he's real, she is going to have to decide if she can love him blindly. Because if she can't, she may lose him forever. cover verso.

Helmet for My Pillow Robert Leckie,2003-08-13 To be a Marine is to subscribe to the idea that nothing in war is impossible—including the writing of books. Now, after years have passed and the jungle has reclaimed the scenes, comes this engaging story of a young man's personal adventures with the vast and ultimately overwhelming forces that defeated him. This is an old story, but it is told in a fresh and lovely voice. Robert Leckie writes with charm, with personal humility, with humor, with a rare gift for capturing all that is human in the most inhuman of man's activities. He makes no bones about it—the war is what happened to him. The point of view is not the grand strategy of victory, but the immediate tactic of personal survival. By turns a boot, a machine gunner on Guadalcanal, a liberty hound in Australia, an intelligence scout on Peleliu—briefly a self-styled brig rat subsisting on bread and water and finally a casualty—Private Leckie fought the enlisted man's battle. *Helmet for My Pillow* is the sort of book a man might write for his children, saying, in effect: This is the way I remember it. The time I killed three Japs while on patrol. The day I went AWOL. The way it is for a man to die. And these are the men I knew—Captain Dreadnought, Lieutenant Commando, Pvt. Chuckler, Major Major-Share, Filthy Fred—some of them heroes, some cowards, some living, some dead but all inexorably part of my life. For Mr. Leckie writes of his companions as though they might be characters in a morality play—as, indeed, they were.

Like most Marines, he both loved and hated the Corps—loved it for the arrogance with which it relegated to itself the tough assignments; hated it for the sacrificial demands that were made on the individual soldier. There is no sentimentalism here, no gratuitous brutality; in the end, of course, it is a success story, for the irony of war is that injustice is not incompatible with victory. And how do you know when you've won? Mr. Leckie's answer deserves quoting: An officer's mess is one of the surest barometers of military success. So long as the officers continue to pig it with the men, there is danger of defeat. But once the officer's mess appears—raised almost on the bodies of the foe, contrived of sticks or pieces of canvas or perhaps only an imaginary line like a taboo—once this appears, and caste is restored, we know that victory is ours. —THE NEW YORK TIMES

The Expanding News Desert Penelope Muse Abernathy, 2018-11-15 This report delves into the implications for communities at risk of losing their primary source of credible news. By documenting the shifting news landscape and evaluating the threat of media deserts, this report seeks to raise awareness of the role interested parties can play in addressing the challenges confronting local news and democracy. The Expanding News Desert documents the continuing loss of papers and readers, the consolidation in the industry, and the social, political and economic consequences for thousands of communities throughout the country. It also provides an update on the strategies of the seven large investment firms--hedge and pension funds, as well as private and publicly traded equity groups--that swooped in to purchase hundreds of newspapers in recent years and explores the indelible mark they have left on the newspaper industry during a time of immense disruption.

Lumia Keely Orgeman, 2017-04-11 A long-overdue publication that restores Wilfred to the art-historical canon Lumia presents a long-overdue reevaluation of the groundbreaking artist Thomas Wilfred (1889-1968), whose unprecedented works prefigured light art in America. As early as 1919, many years before the advent of consumer television and video technology, Wilfred began experimenting with light as his primary artistic medium, developing the means to control and project unique compositions of colorful, undulating light forms, which he referred to collectively as lumia. Manifested as both live performances on a cinematic scale and self-contained structures, Wilfred's innovative displays captivated audiences and influenced generations of artists to come. This publication, the first dedicated to Wilfred in over forty years, draws on the artist's personal archives and includes a number of insightful essays that trace the development of his work and its relation to his cultural milieu. Featuring a foreword by the celebrated artist James Turrell, Lumia helps to secure Wilfred's rightful place within the canon of modern art.

Everything Happens for a Reason Kate Bowler, 2018-02-06 NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath Becomes Air* and Atul Gawande’s *Being Mortal*.”—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to point toward “blessing.” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “a surge of determination.” Even as this type of Christianity

celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. *Everything Happens for a Reason* tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for *Everything Happens for a Reason* “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and president of *Together Rising*

Other People's Children Lisa D. Delpit, 2006 An updated edition of the award-winning analysis of the role of race in the classroom features a new author introduction and framing essays by Herbert Kohl and Charles Payne, in an account that shares ideas about how teachers can function as cultural transmitters in contemporary schools and communicate more effectively to overcome race-related academic challenges. Original.

Refugees in America in the 1990s David W. Haines, 1996-07-17 A study of refugees in the United States, discussing the general patterns and policies governing refugee resettlement, looking at the histories of immigrants from individual countries, and comparing the experiences of multiple refugee groups.

Walking on Cowrie Shells Nana Nkweti, 2021-06-01 A “boisterous and high-spirited debut” (Kirkus starred review) “that enthralls the reader through their every twist and turn” (Publishers Weekly starred review), named one of the Most Anticipated Books for Brittle Paper, The Millions, and The Rumpus, penned by a finalist for the AKO Caine Prize In her powerful, genre-bending debut story collection, Nana Nkweti's virtuosity is on full display as she mixes deft realism with clever inversions of genre. In the Caine Prize finalist story “It Takes a Village, Some Say,” Nkweti skewers racial prejudice and the practice of international adoption, delivering a sly tale about a teenage girl who leverages her adoptive parents to fast-track her fortunes. In “The Devil Is a Liar,” a pregnant pastor's wife struggles with the collision of western Christianity and her mother's traditional Cameroonian belief system as she worries about her unborn child. In other stories, Nkweti vaults past realism, upending genre expectations in a satirical romp about a jaded PR professional trying to spin a zombie outbreak in West Africa, and in a mermaid tale about a Mami Wata who forgoes her power by remaining faithful to a fisherman she loves.

Dominant Desires Molly Doyle, 2021-01-18 Trauma. Divine timing. And an offer she can't refuse. Sasha's only focus is surviving from one day to the next—until a handsome stranger proposes a deal. A fake engagement. More money than Sasha could ever imagine. And a dark, secret lifestyle unlike anything she's ever experienced.

Never Eighteen Megan Bostic, 2012-01-17 A teenage boy takes a journey to bring truth, beauty, and meaning to his life. “There won’t be many dry eyes at the end of this extremely affecting story.”—Kirkus Reviews Austin Parker is never going to see his eighteenth birthday. At the rate he’s going, he probably won’t even see the end of the year. The doctors say his chances of surviving are slim to none even with treatment, so he’s decided it’s time to let go. But before he goes, Austin wants to mend the broken fences in his life. So with the help of his best friend, Kaylee, Austin visits every person in his life who touched him in a special way. He journeys to places he’s loved and those he’s never seen. And what starts as a way to say goodbye turns into a personal journey

that brings love, acceptance, and meaning to Austin's life. "It is easy to connect with Austin because his journey is honorable . . . Bostic's narrative is concise, chapters are short, and the story never lags. Her story is sad, but it is real and pulls no punches."—VOYA "Bostic writes this graceful, affecting tale without pretension . . . Perhaps it's because of that simplicity that the story concludes with such a powerful emotional punch."—Kirkus Reviews "It had the vibe and similarities from two of my favorite books and maybe even a third that are all pretty popular: *If I Stay*, *Thirteen Reasons Why*, and *The Fault in Our Stars*."—Mission Viejo Library Teen Voice

Bookshelf Design Sundae Li, 2015 It is true that book always enjoys more attention than its faithful supporter-bookshelf. This book, however, is a tribute to this essential piece of furniture in our life, presenting creative bookshelf designs from around the globe which would provide fresh ideas for readers. An illustrated foldout was carefully made to introduce a brief historical development of bookshelf

Ubiquitous Quantum Structure Andrei Y. Khrennikov, 2010-01-23 Quantum-like structure is present practically everywhere. Quantum-like (QL) models, i.e. models based on the mathematical formalism of quantum mechanics and its generalizations can be successfully applied to cognitive science, psychology, genetics, economics, finances, and game theory. This book is not about quantum mechanics as a physical theory. The short review of quantum postulates is therefore mainly of historical value: quantum mechanics is just the first example of the successful application of non-Kolmogorov probabilities, the first step towards a contextual probabilistic description of natural, biological, psychological, social, economical or financial phenomena. A general contextual probabilistic model (Växjö model) is presented. It can be used for describing probabilities in both quantum and classical (statistical) mechanics as well as in the above mentioned phenomena. This model can be represented in a quantum-like way, namely, in complex and more general Hilbert spaces. In this way quantum probability is totally demystified: Born's representation of quantum probabilities by complex probability amplitudes, wave functions, is simply a special representation of this type.

Like a Beggar Ellen Bass, 2015-10-15 Featured on NPR's *The Writer's Almanac* "Ellen Bass's new poetry collection, *Like a Beggar*, pulses with sex, humor and compassion."—The New York Times "Bass tries to convey everyday wonder on contemporary experiences of sex, work, aging, and war. Those who turn to poetry to become confidants for another's stories and secrets will not be disappointed."—Publishers Weekly "In her fifth book of poetry, Bass addresses everything from Saturn's rings and Newton's law of gravitation to wasps and Pablo Neruda. Her words are nostalgic, vivid, and visceral. Bass arrives at the truth of human carnality rooted in the extraordinary need and promise of the individual. Bass shows us that we are as radiant as we are ephemeral, that in transience glistens resilient history and the remarkable fluidity of connection. By the collection's end—following her musings on suicide and generosity, desire and repetition—it becomes lucidly clear that Bass is not only a poet but also a philosopher and a storyteller."—Booklist *Ellen Bass brings a deft touch as she continues her ongoing interrogations of crucial moral issues of our times, while simultaneously delighting in endearing human absurdities. From the start of Like a Beggar, Bass asks her readers to relax, even though bad things are going to happen, because the bad gets mined for all manner of goodness. From Another Story: After dinner, we're drinking scotch at the kitchen table. Janet and I just watched a NOVA special and we're explaining to her mother the age and size of the universe— the hundred billion stars in the hundred billion galaxies. Dotty lives at Dominican Oaks, making her way down the long hall. How*

about the sun? she asks, a little farmshit in the endlessness. I gather up a cantaloupe, a lime, a cherry, and start revolving this salad around the chicken carcass. This is the best scotch I ever tasted, Dotty says, even though we gave her the Maker's Mark while we're drinking Glendronach... Ellen Bass's poetry includes *Like A Beggar* (Copper Canyon Press, 2014), *The Human Line* (Copper Canyon Press, 2007), which was named a Notable Book by the San Francisco Chronicle, and *Mules of Love* (BOA, 2002), which won the Lambda Literary Award. She co-edited (with Florence Howe) the groundbreaking *No More Masks! An Anthology of Poems by Women* (Doubleday, 1973). Her work has frequently been published in *The New Yorker*, *American Poetry Review*, *The New Republic*, *The Sun* and many other journals. She is co-author of several non-fiction books, including *The Courage to Heal: A Guide for Women Survivors of Child Sexual Abuse* (HarperCollins, 1988, 2008) which has sold over a million copies and been translated into twelve languages. She is part of the core faculty of the MFA writing program at Pacific University.

Ain't Gonna Let Nobody Turn Me Around Alethia Jones, Virginia Eubanks, 2014-11-01 Reveals a remarkable woman's life and her contributions to social justice movements related to Civil Rights, feminism, lesbian and gay liberation, anti-racism, and Black feminism. As an organizer, writer, publisher, scholar-activist, and elected official, Barbara Smith has played key roles in multiple social justice movements, including Civil Rights, feminism, lesbian and gay liberation, anti-racism, and Black feminism. Her four decades of grassroots activism forged collaborations that introduced the idea that oppression must be fought on a variety of fronts simultaneously, including gender, race, class, and sexuality. By combining hard-to-find historical documents with new unpublished interviews with fellow activists, this book uncovers the deep roots of today's identity politics and intersectionality and serves as an essential primer for practicing solidarity and resistance. Barbara Smith is a creator of modern feminism as a writer, organizer, editor, publisher, and scholar. Now she has added to her decades as an activist outside the system by becoming an elected official who truly listens, represents, and creates bridges to a common good. She has shown us that democracy is a seed that can only be planted where we are. Gloria Steinem Barbara Smith is one of the grand pioneering and prophetic voices of our time. Her truth still hurts and heals! Cornel West *Ain't Gonna Let Nobody Turn Me Around* is not a memoir, a biography, nor a reader. It is a reflection and a conversation. It is also a montage of forty years of documents, interviews, and articles that provide useful lessons for social justice work. This book is a tour de force that documents the life's work of Barbara Smith and the freedom struggles she shaped. Duchess Harris, author of *Black Feminist Politics from Kennedy to Obama*

The Poet, The Lion, Talking Pictures, El Farolito, A Wedding in St. Roch, The Big Box Store, The Warp in the Mirror, Spring, Midnights, Fire & All C.D. Wright, 2015-12-14 Wright shrinks back from nothing.—The Village Voice Wright belongs to a school of exactly one.—The New York Times Book Review Wright has found a way to wed fragments of an iconic America to a luminously strange idiom, eerie as a tin whistle.—The New Yorker C.D. Wright is one of America's oddest, best, and most appealing poets.—Publishers Weekly A companion to her astonishing collection of prose *Cooling Time*, C.D. Wright argues for poetry as a way of being and seeing, and calls it the one arena where I am not inclined to crank up the fog machine. Wright's passion for the genre is pure inspiration, and in her hands the answer to the question of poetry is poetry. From *In a Word*: I love the nouns of a time in a place, where a sack once was a

poke and native skag was junk glass not junk and junk was just junk not smack and smack entailed eating with your mouth open, and an Egyptian one-eye was an egg, sunny side up, and a nation sack was a flannel amulet, worn only by women, to be touched only by women, especially around Memphis. Red sacks for love and green for money... C.D. Wright's most recent volume, *One With Others*, was a National Book Award finalist. Among her many honors are the Griffin Poetry Prize and a MacArthur Fellowship. She teaches at Brown University and lives outside of Providence, Rhode Island.
