Reeds Nautical Almanac 2024 Perrin Towler, Mark Fishwick, 2023-08-31 Reeds Nautical Almanac is the indispensable trusted annual compendium of navigational data for yachtsmen and motorboaters. Known as the Yachtsman's Bible, Reeds provides all the information required to navigate Atlantic coastal waters around the whole of the UK, Ireland, Channel Islands and the entire European coastline from the tip of Denmark right down to Gibraltar, Northern Morocco, the Azores and Madeira. Having celebrated its 90th anniversary last year, the 2024 Almanac continues the tradition of year on year improvement and meticulous presentation of all the data required for safe navigation. Now with an improved layout for easier reference and with over 45,000 annual changes, it is regarded as the bible of almanacs for anyone going to sea. The 2024 edition is updated throughout and includes: 700 harbour chartlets; tide tables and tidal streams; buoyage and lights; 7,500 waypoints; invaluable passage notes; distance tables; radio, weather and safety information; first aid section. Also: a free Marina Guide. Also available: free supplements of up-to-date navigation changes from January to June at: www.reedsnauticalalmanac.co.uk

The Guide to Mysterious Aberdeen Geoff Holder, 2010-11-23 Aberdeen is full of mysteries, marvels and strangeness, and this book is a comprehensive guide to them all. Here you will encounter magic, witchcraft, folklore and superstitions; contemporary urban legends; gargoyles and graveyards; graverobbers and murderers; stone circles and prehistoric burial sites; UFOs and freak weather; and tales of horror, madness, humour - and dangerous porridge. Many forgotten aspects of the city's strange history are here, from the disturbing (spontaneous human combustion, William Wallace's dismembered limbs, the man who died of fright after a mock execution, and the bodysnatching professors) to the downright bizarre (a talking statue, a wedding celebration which was mistaken for an alien invasion fleet, and golf with giant skulls). The Guide to Mysterious Aberdeen is the tenth in Geoff Holder's acclaimed series. As with the previous volumes, it is profusely illustrated with over 100 photographs and draws on both ancient and modern sources. Full access and location details are given for both driver and walker alike, making

this the indispensable companion for anyone exploring the Granite City.

Papering Over the Cracks Colin Murray,2010-07-01
Do you yearn to find the real meaning to life or an inner peace that is true? Are you fed up with wearing a mask? Is life really getting you down? That is exactly where Colin Murray was just a few years ago. He invites you to travel with him through his life while he paints a vivid picture, reflecting on his childhood in Scotland, describing his happy, at times haphazard, life in the North East coastal town of Portsoy. He shares his experiences, going beyond the 'safety' of home, in search of personal fulfilment. You will witness him wearing an assortment of stereotypical hats: the hat of the wise-cracking bar fly, the guilt-ridden wrongdoer, the compulsive business builder, passionate protagonist, and even the

wronged dupe. He admits that attempting to explain his personal quest for the truth has been extremely difficult, because so much of his journey involves those mystical inner feelings that lie beyond the horizon of words. The complicated paths and winding roads we follow are vast and varied, but we all reach a time in our lives when we want to know, at the deepest level, if our existence and our Soul are compatible. This book simply chronicles the quest for this fundamental truth.
