Red Odyssey Rick D. Joshua,2017-01-04 Having started out as a potential magazine/blog article, Red Odyssey is a thirty-six year project in the making, charting the author's relationship with Germany's biggest and most well-known football team, FC Bayern München. Having fallen in love with FC Bayern in 1981 as a nine year old, the author charts the events season by season. During the 1980s, FC Bayern were flying high in Germany but victim of painful European Cup final defeats in 1982 and 1987. Meanwhile the author, one of the few supporters of the Bavarian club in the United Kingdom, was performing late-night television-watching escapades at boarding school in order to catch five minutes of potted highlights. Being an FC Bayern fan in the late 1980s and early 1990s was far from a glory hunt, and all of the pain as well as the glory is covered in equal depth with no emotions spared. The solid 1980s were followed by the painful nadir of the early 1990s, with names like Norwich City, BK 1903 Copenhagen and SpVgg Vestenbergsgreuth appearing like ghosts from a dark and horrible past. Then would come the agonising Champions League defeat against Manchester United in 1999. As fans of the club will already know and readers less familiar with the subject will discover, FC Bayern have almost made a habit of fighting back to overcome the pain. Two years after that last-gasp defeat in Barcelona, they would exact the perfect revenge on both United and their other old rivals Real Madrid before claiming that title in a dramatic penalty shootout against Valencia in Milan's San Siro. It was the final chapter in a dramatic season that had also seen them clinch the Bundesliga title in dramatic circumstances, leaving fans of rivals Schalke 04 shedding blue and bitter tears. As FC Bayern developed as a growing international brand and the German game became more popular outside its homeland following the massive development of satellite television, it became a lot easier to watch FC Bayern play. The dark days of scratching for brief highlights were all but forgotten, with almost every match available live. The Champions League triumph in 2001 was not to be the beginning of a new era of continental dominance for FC Bayern, and the club and its supporters would have to wait over a decade for its next victory in Europe's premier club competition - but when it came, it was a moment of history as the club claimed their first-ever treble. By now FC Bayern were being lauded as the best football team in the world, a team up there with the likes of Real Madrid and Barcelona in the battle for continental dominance. Red Odyssey has been written by an FC Bayern fan for FC Bayern fans, but there is plenty for everybody else who has a love for German football.

FC Bayern Munich Derek Miller,2019-12-15 In 1900, seventeen soccer players met at a local restaurant in Munich. Led by Franz John, they signed a document that created FC Bayern Munich. One hundred and twenty years later, FC Bayern Munich is a soccer powerhouse both in Germany and around the world. FC Bayern Munich traces the evolution of Germany's most famous soccer club from local team to global phenomenon. Packed with interesting facts, historical context, and photographs of the club in action, the book provides fans with an in-depth look at the team's triumphs, as well as the many ways the club has worked to bring Germans together in the face of today's polarizing political climate.

How to Watch Soccer Ruud Gullit,2017-03-14 An opinionated masterclass in the art and science of “reading” a match from one of professional soccer’s most respected and beloved international figures. For Americans new to European soccer, terms like 'false striker,' 'double accordion' or 'moving trios' need Mr. Gullit’s expert explications. –Wall Street Journal Ruud Gullit knows better than anyone else that to understand soccer you have to understand strategy. When he started playing soccer, his only “strategy” was to get the ball, outrun everyone else to the other end of the field, and score. At first it served him well, but as he advanced through the sport, he learned that it takes much more than one player's speed to make a winning team. Over the course of his career, he worked his way from the Dutch junior leagues all the way to the legendary AC Milan, eventually retiring from the field to be a trainer, then a manager, and finally a commentator. Each step came with its own lessons, and its own unique perspective on the game. Now, having looked at soccer through every lens possible, Gullit shares his own perspective. Most spectators simply watch the ball, but in How to Watch Soccer, Gullit explains how to watch the whole game. He shows how every part of a match, from formations to corner kicks, all the way down to what the players do to influence the referees, is important. And he uses his own vast experience to illustrate each point, so his lessons are filled with anecdotes from his years on the field and insights from his observations as a manager and commentator. This exhaustive guide will change the way even the most die-hard fan watches the beautiful game.

Bayern Uli Hesse,2016-09-22 ‘MASTERFUL’ Raphael Honigstein The story of superclub Bayern Munich by the critically acclaimed author of Tor! Bayern Munich is a team of extremes. They are the most passionately supported club in Germany and the most hated. There is no doubt that they are the most successful. Winners of twenty-four domestic titles since the late 1960s, they have stood at the pinnacle of European football for almost their entire existence. Through interviews with the key protagonists, Uli Hesse tells the story of this unique club. From early run-ins with the Nazis to being dubbed FC Hollywood for their egocentric stars in the 1990s up to the sensational undercover appointment of the best coach in the world, Pep Guardiola, Hesse opens the doors on Bavaria’s superpower and takes you inside Bayern Munich.

Watch the Swiss Gerhard Schwarz,Karen Horn,2015-10-09 Who are the Swiss, and what unites them? What is Switzerland's place in the world? What should the Swiss protect themselves from, and which institutions should they preserve? How balance tradition and innovation? Contributors from around the globe recognize that Switzerland gains much strength from being small, from having a system of direct democracy and federalism, and from a deeply rooted commitment to liberty, together with economic wisdom and reliability. Nevertheless, the interaction with the European Union is difficult, and the United States has been putting the Swiss system under stress. Some of these conflicts might imperil Switzerland's model altogether, if creative solutions aren't found.

Watch the Throne Luke Williams,2021-04-26 Watch the Throne: The Tactics Behind the Premier League's European Champions, 1999-2019 lifts the lid on the tactics used by Premier League clubs on their respective journeys to Champions League glory. Beginning with Manchester United in 1999 and concluding with Liverpool's 2019 triumph, Watch the Throne provides detailed analysis of how Chelsea, Manchester United and Liverpool overcame their opposition to claim the ultimate prize in European club football. While United's 1999 victory was an outlier, Liverpool's win in 2005 began a period of domination for Premier League clubs, with eight English finalists in eight seasons from 2004/05 to 2011/12. Changes in tactical trends saw the absence of Premier League finalists between the 2012/13 and 2016/17 seasons as Spanish, German and French sides briefly overtook their Premier League rivals, before an all-English 2019 final between Liverpool and Tottenham Hotspur marked the technical and tactical recovery of the world's wealthiest football league.

Based on the example of traditional club VfL Bochum 1848 an online survey to analyze the influence of a Bundesliga match on different visitor target groups is conducted. The author discusses ways in which football clubs can
