*FC Barcelona* Jim O'Brien,Xavier Ginesta,Jordi de San Eugenio,2024-04-01 This is the first critical, in-depth academic study of FC Barcelona (also known as Barça), one of the world's great football clubs, exploring the historical, political, cultural and commercial dimensions of this global sporting institution. The book examines why and how the club grew from its genesis as a small sporting organisation in the developing urban landscape of Barcelona in 1899 to become a contemporary giant that has both shaped and transcended football. It considers how globalisation, cultural identity and political ideology can help us to understand the development of Barça, but also how the growth of the phenomenon of FC Barcelona helps us to better understand those forces shaping contemporary global societies. It brings together leading scholars from around the world to examine key themes such as governance, regional and national politics, storytelling, fandom, digital media, branding, commercialisation and sport diplomacy, exploring topics such as the European Super League fiasco and the rise of Lionel Messi as a global icon. It also includes a series of chapters looking at the importance of FC Barcelona around the world, including in Latin America, the United States, Africa and East Asia. This illuminating, multi-disciplinary study of FC Barcelona is essential reading for anybody with an interest in football, Catalan politics and culture, or the history, politics, culture and business of sport.

Oh and there's also the small problem that Ugly Cat may have inadvertently swallowed Pablo in all of the commotion! Ugly Cat and his impeccably dressed mouse friend, Pablo, are an unlikely and dynamic duo who will win young readers over with their ridiculously silly antics and their search for tasty treats.

Bailey, No Ordinary Cat Erin Merryn,2019-04-02 For fans of Grumpy Cat and Cats on Instagram there's a new cat in town—Bailey, No Ordinary Cat—of the Facebook name, is a special cat with a growing fan base, garnering over 2 million views on Ellen's Instagram and videos that have been shared by Good Morning America, ABC News, CBS News, and more. What makes Bailey more addictive than catnip? In addition to his adorable expressions and his hilarious, heartfelt antics, Bailey has a penchant for doing things that are characteristically uncatlike—things like taking bubble baths (and enjoying them), sitting attentively in a chair and being read to (for hours), getting a pet-icure, and his unending patience while co-raising his human siblings Abby and Hannah (yes, there is photographic evidence that Bailey helped with potty-training). If you have a cat you know how independent they are. Bailey, No Ordinary Cat celebrates the unique quirky spirit of this unforgettable feline through four-color photographs and captions from the voice of Bailey himself. Cat lovers will be delighted to peek into the life of their favorite celebrity cat with the huge eyes, huge heart, and huge personality—and an ever-growing following.

*Big Cats, Small Cats* Calvin Smith,2004-12 This work has three major sub-goals: first, to give a history of cats in general from earliest recorded times to the present. Second, to cover 26 different cats (or cat species) in alphabetical order, so the reader has a representative feline for each of the alphabet's 26 letters. Third, to accomplish these ends through poetry. The poetic mode was chosen to give reader a little different slant on each covered cat's special qualities and temperament. An additional prose portion gives the reader a straightforward description of each cat's natural territory and a brief coverage of its special talents and challenges. The overall goal was to make learning about cats both fun and educational and make us more fully appreciate our feline friends.
