James Malcolm Rymer

We are Hibernian Andy MacVannan,2015-11-01 By delving into the lives and backgrounds of an entire network of avid supporters, *We are Hibernian* explores how people become so involved in football, and is it the binding of tradition, memories and experiences off the pitch that make them believe their first choice was the right one? There are stories here from men and women who were taken to the football grounds as youngsters and now take their own kids, showing how the religion that is football can be passed down from one generation to the next, providing entertainment and family folklore for years to come. Essentially this book is not just about football, but about the stories that surround it!

Red or Dead David Peace,2014-05-27 A New York Times Editors' Choice [T]he stuff of great literature. —The New York Times | *Red or Dead* is a winner. —The Washington Post The place where the swinging sixties started – Liverpool, England, birthplace of the Beatles – wasn't so swinging. Amid industrial blight and a bad economy, the port town's shipping industry was going bust and there was widespread unemployment, with no assistance from a government tightening its belt. Even the Beatles moved to London. Into these hard times walked Bill Shankly, a former Scottish coal miner who took over the city's perpetually last-place soccer team. He had a straightforward work ethic and a favorite song – a silly pop song done by a local band, "You'll Never Walk Alone." Soon he would have entire stadiums singing along, tens of thousands of people all dressed in the team color red . . . as Liverpool began to win . . . And soon, too, there was something else those thousands of people would chant as one: Shank-lee, Shank-lee . . . In *Red or Dead*, the acclaimed writer David Peace tells the stirring story of the real-life working-class hero who lifted the spirits of an entire city in turbulent

times. But Red or Dead is more than a fictional biography of a real man, and more than a thrilling novel about sports. It is an epic novel that transcends those categories, until there's nothing left to call it but – as many of the world's leading newspapers already have – a masterpiece.

In Search of Alan Gilzean James Morgan, 2011-10-17 NOMINATED FOR BEST FOOTBALL BOOK OF 2010 IN THE BRITISH SPORTS BOOK AWARDS Updated second edition True greatness does not feel the need to proclaim itself from the rooftops. It is happy to state its case quietly, yet with utter conviction. Alan Gilzean was a truly great footballer. Every observer of his talent confirms this as an indisputable fact: from the legendary Jimmy Greaves, who regards him as the best striker he ever played with, to Don Revie, the former Leeds United and England manager, who described the former Tottenham striker as the best touch player in Europe, and Spurs fans whose spine-tingling refrain, Gilzean, Gilzean, Born is the King of White Hart Lane, continues to echo down the generations. It is now 36 years since Gilzean retired from professional football and his life and times have become shrouded in mystery and rumour. All that exists are the memories of his greatness ... but how long before even those are forgotten forever? After fans on Tottenham Hotspur online forums claim that Gilzean is living as a down-and-out, James Morgan, a lifelong Spurs fan and sports journalist with The Herald, Scotland's leading quality newspaper, is filled with a fierce desire to separate fact from fiction and sets out on a journey In Search of Alan Gilzean. The facts of his illustrious career are down in black and white: 169 goals for Dundee, including 52 in one season, a record that stood until Henrik Larsson broke it in 2001; a league championship medal with the great Dundee team of the early 1960s; then, a move to Spurs in December 1964, where, over the course of the next decade, he forms unforgettable partnerships with Greaves and Martin Chivers. Gilzean's greatness shines like a beacon, but where is the rest of his story? Morgan soon discovers that a sprinkling of newspaper cuttings, a

Wikipedia page and idle internet chatter, are all that exist of a life less ordinary. The Scottish Football Association Hall of Fame website included a Swede, Larsson, and a Dane, Brian Laudrup, but no Gillie. Dundee FC has named lounges after former players who are not fit to lace Gilzean's boots. Spurs haven't heard from him in years. Former team-mates are none the wiser. One of the best British strikers of his generation is a forgotten man. Morgan's desire to change this, and find out the full story, takes him on an exhilarating personal journey all over Britain. From Gillie's birthplace, in the small Perthshire village of Coupar Angus, to Dundee, London and beyond, he leaves no stone unturned. Initially, Gillie hovers in the shadow before emerging as a fascinating and complex character whose natural reticence has obscured his legacy. Morgan's portrait of the original King of White Hart Lane restores him to his rightful place in football folklore and stands as the only faithful testimony to the life of a bona fide British football legend.

Money Can't Buy Us Love Gavin Buckland,2019-08-08 In 1960, the wealthy owner of the

Merseyside-based Littlewoods corporation, John Moores, took control of Everton Football Club, setting in motion a chain of events that still affect the game in this country today. Everton had enjoyed success before Moores's takeover but things would never be the same again from the moment he walked through Goodison's doors. Although big clubs had spent money before, none had done so with such naked short-term ambition and a ruthlessness to succeed that sent shockwaves through the previously stagnant world of English football. The new owner's ruthless streak was personified by his first major move, sacking the popular Johnny Carey in the back of a London taxi in April 1961. Everton would finish that 1960/61 season in fifth place, their highest position since World War Two, but the Irishman's affable nature cost him his job. In his place Moores wanted a man in his own image to lead the club forward and he soon found him: Harry Catterick. Catterick was little over 40 years old, and had been an Everton player himself only ten years before. But as a boss he exuded an aura that demanded respect and obedience from his players. It was a characteristic that won him few fans but plenty of trophies, and across the decade Everton reasserted themselves as one of English football's powerhouses, winning two league titles and an FA Cup. Catterick's ability to nurture young products of the club's youth set-up such as Colin Harvey and Joe Royle was trumped only by his mastery of the transfer market, allowing him to sign the great Howard Kendall from Preston North End and World Cup winner Alan Ball from under his rivals' noses. Harvey, Kendall and Ball would soon form the club's greatest midfield trio, and their brilliance would underpin the 1969/70 title win, a victory for free-flowing football in an era of cynicism. That trophy would be Everton's last major honour for 14 years. In *Money Can't Buy Us Love*, Everton's official statistician Gavin Buckland tells the tale of how Moores and manager Harry Catterick took the so-called 'Mersey Millionaires' to the summit of English football, in the context of the major cultural changes of the time. The book provides a forensic character study

of both Catterick and Moores, and also delves into the archives to provide a definitive account of the incidents that rocked the club in a fruitful but turbulent decade, including allegations of doping in the 1962/63 campaign, the 1964 match-fixing scandal which signalled the end of Tony Kay's career and the shock sale of Alan Ball. Money Can't Buy Us Love offers fascinating insight into how strong personalities can take a team to the very top, but can also cause in its ultimate downfall.

Hibernian Tom Wright, 2017-12-15 [CDATA[Hibernian Football Club, founded by a group of Edinburgh-based Irishmen and Irish descendents, was born in the Cowgate area of the city in 1875. A team of the people, its long history, heritage and rise to fame has created a tradition and influence that helped shape the game as we know it today. In Hibernian: The Life and Times of a Famous Football Club, Tom Wright looks at Edinburgh's Hibernian Football club from its birth in 1875 to the present day. An anecdotal and personal journey, this volume highlights the many challenges, and lows and highs experienced by the team and its dedicated fans over the last 142 years; exploring the events that shaped the club from both World Wars, Hibs' 'Famous Five' days, the European Cup and the Scottish Cup win in 2016.]]

Dublin Hanged Brian Henry, 1994 Behind the glorious facade of Georgian Dublin lurked a massive crime problem. In the late eighteenth century as the wealth of the city increased, so too did burglary and violent crime. The Hibernian Journal reported in 1780 that murder in this city has become so common, that it has lost all its horrors; every day teems with new instances of the most horrid barbarity. The city was faced with a stark choice: either eliminate the armed footpads and highway robbers or be crushed by them. The authorities embarked on a crusade to sentence hundreds of convicted felons to death. Hundreds more were transported abroad. Dublin Hanged

traces the source of the problem to the first wave of crimes and it follows up on the solution to the last wave of hangings. The author examines the horrific and violent industrial conflicts as well as the catastrophic policy of sending convicts to the Americas long after England had stopped this practice.--

Sharpy Graeme Sharp,2012-03-16 Graeme Sharp is quite simply an Everton legend. Second only to the immortal Dixie Dean as the club's top goalscorer, he netted 159 goals in over 400 appearances for the Toffees. Sharp became a Goodison Park hero during the halcyon days of the '80s, when Everton won two League Championships, the FA Cup, the European Cup-Winners' Cup and came within an ace of a historic treble in 1984-85. Partnered first by his boyhood idol Andy Gray and then by England hero Gary Lineker, Sharp established a reputation as one of the finest strikers in the world and notched up 12 caps for his national side, Scotland. Although his eventual departure from Everton left a sour taste in his mouth, he continued to score goals for Oldham Athletic before becoming manager of the Lancashire outfit. But off-the-field frustrations blighted his tenure in the hot seat, and a spell as a manager in non-league football brought the curtain down on a magnificent career that ended with triumph for Bangor City in the Welsh Cup. In Sharpy: My Story, the former Everton star reveals all: the highs, the lows, the big names, the victories, the disappointments, the heartache, the lot!

What's The Worst That Can Happen? James McDonald,2022-07-29 In 2006, I was told by a spirit guide that I would write a book. Yes, I see spirits. "That sounds good but what story had I to tell? Tell the story of how you came from the slums of Glasgow, pushed away your gifts of 'sixth sense' and rediscovered them as an adult." Okay, from the slums of Glasgow to discovering that you're a psychic in your late forties sounds good but the part in between might sound uninteresting. "Think

about it," I was told, "You will soon be given the opportunity to write." My life was to follow two paths; communicating with spirit and learning to replace fear with love. My guidance came from two sources; spirit and dreams. My childhood had been a 'lie' and I came to realise that much of my adult life was a 'lie' also. I wasn't quite the person that I thought I was. During my childhood I had been abused by my father, a person I was supposed to trust. When anything horrific happened to me I would pretend that it never happened. Unfortunately, I continued with this habit as an adult and would have difficulty facing up to anything. I had two options: run, as I had been doing, or face the truth about myself. I opted for the latter. Today I do not acknowledge negativity. I learn from every experience and think positively. It does help somewhat when the guidance that I receive is 'out of this world!'

The Game on New Year's Day Ted Brack, 2012-10-11 Hibs and Hearts first locked horns on Christmas Day 1875. Hearts won 1-0 and even the most ardent Hibs fan would have to admit that the Tynecastle team has had the better of things in contests for local bragging rights over the 135 years which have followed. However, Hibs have had their moments too and the 6-2 derby win at Easter Road inspired by Franck Sauzee and Russell Latapy in October 2000 is a recent example of green and white triumph. No Hibs win over their local rivals, though, has come close to the epic 7-0 victory which was recorded by the great Turnbull's Tornadoes team on the first day of 1973. On the day that the United Kingdom entered the European Economic Community, Hibs carved out their own slice of history by vanquishing Hearts by seven clear goals on their own turf at Tynecastle. As the 40th anniversary of this iconic encounter approaches, Ted Brack describes the great match and the events which preceded it and tells the story of what has happened to the players who took part in it in the decades which have followed. Ted's book is written from his own experience and draws heavily on the first-hand memories and reminiscences of other supporters and the outstanding players who wore the

green and white of Hibernian on that seminal day. Ted has spoken at length to players like ice cool goalkeeper Jim Herriot, world class full back John Brownlie, rock solid centre half Jim Black, classy and composed sweeper John Blackley, midfield maestros Alex Edwards and Alex Cropley, goal scorer supreme Jimmy O'Rourke and the peerless captain Pat Stanton. The players' honesty and insight make this book the definitive account of a match which still boasts the record competitive winning margin between Edinburgh's Big Two - Hearts supporters please note. The Game on New Year's Day is a must read for Hibeers and should bring some cheer after their recent Cup disappointments.

There's Only One Sauzee Ted Brack, 2011-10-06 When Alex McLeish persuaded European legend Franck Sauzée to sign for Hibernian Football Club in February 1999, it was the club's biggest coup since the signing of George Best. Many people questioned the Gallic Great's motivations, afraid that he was merely coming to pick up his salary and quietly see out his distinguished career. They could not have been more wrong. From his very first game, Franck Sauzée embraced the Hibs culture and quickly won over the fans. He proved that he was still a great footballer and helped to lead his new team from the mediocrity of the Scottish First Division back to the heights of the Scottish Premier League. Sauzée became club captain, inspired his team mates, scored many unforgettable goals, took Hibs to a Scottish Cup Final and became a club legend. An ill-fated spell as the club's manager saw the end of Sauzée's Hibernian career, but he left the club as one of its best loved and most revered players. Now Ted Brack takes fans behind the scenes to document the highs and lows of the days when Le God graced Easter Road. With inside stories from directors, managers, players and supporters, this is a must-read book for Hibs fans of all ages who still treasure the memory of Franck

Sauzée, Hibernian superstar.

Hibernian Miscellany Bobby Sinnett, 2012-09-03 A book on the club like no other, The Hibernian FC Miscellany is packed with facts, stats, trivia, stories and legends. From a European Cup semi-final to the Famous Five, from beating Barcelona and Real Madrid to losing to Stranraer and Edinburgh City, it's all here. Can you really afford not to own a copy? Did You Know? There have been four Willie Millers to don the famous green and white jersey for Hibs. Hibs legend Eddie Turnbull only received his Scotland cap when he was 82 years old. In 1887, Hibernian were officially the Champions of the World having beaten Preston North End 2-1 at Easter Road. Hibernians 1950s defender Roy Erskine is Tennis star Andy Murray's grandfather.

Hibs Through and Through Eric Stevenson, Tom Wright, 2017-06-09 On 21 May this year, Hibs made history by winning the Scottish Cup for the first time since 1902. It was a time of celebration when the supporters revelled in their victory and remembered the great heroes of the club. Eric Stevenson is one of those great heroes. When he was inducted into the Hibs Hall of Fame at Easter Road in 2012, Stevenson declared, 'This means everything to me. My uncle founded the Bonnyrigg Hibs supporters club in 1949-50 and I started going to games when I was seven'. This book traces Stevenson's fanatical interest in the club from a very young age, his time as a left-winger wearing the number eleven green and white jersey in the '60s, and the well-deserved recognition that he has gained today. Throughout his career, Stevenson also played for Hearts and Ayr United, but this story shows that ultimately he is truly Hibs Through and Through.
