Narrating the Pilgrimage to Mecca Marjo Buitelaar, Richard van Leeuwen, 2023-01-16 Narrating the pilgrimage to Mecca discusses a wide variety of historical and contemporary personal accounts of the pilgrimage to Mecca, most of which presented in English for the first time. The book addresses how being situated in a specific cultural context and moment in history informs the meanings attributed to the pilgrimage experience. The various contributions reflect on how, in their stories, pilgrims draw on multiple cultural discourses and practices that shape their daily lifeworlds to convey the ways in which the pilgrimage to Mecca speaks to their senses and moves them emotionally. Together, the written memoirs and oral accounts discussed in the book offer unique insights in Islam's rich and evolving tradition of hajj and 'umra storytelling. Contributors Kholoud Al-Ajarma, Piotr Bachtin, Vladimir Bobrovnikov, Marjo Buitelaar, Nadia Caidi, Simon Coleman, Thomas Ecker, Zahir Janmohamed, Khadija Kadrouch-Outmany, Ammeke Kateman, Yahya Nurgat, Jihan Safar, Neda Saghaee, Leila Seurat, Richard van Leeuwen and Miguel Ángel Vázquez.

The Syrian Uprising and Signs Of The Hour Sayyid Rami al Rifai, 2015-05-12 The world will soon see change, this book discusses those changes and covers the end of America, the end of the Arabs, the rise of Europe and the Mahdi's Army who will face them. It outlines this future from both the Islamic and Christian religions and shows how they point towards the same future. Many of Islam's major scholars have written works on the Signs of the Hour, in which they have arranged the narrations (ahadith) in the chronological order they understood the events would occur in. The Prophet (saws) said: "The signs shall appear one after the other like the beads on a string follow one another (when the string is cut)." The Signs began to appear in our lifetime and have been following each other one by one, this is clear by the acceptance of most scholars that the minor signs of the hour have all been fulfilled and we are about to witness its first major sign. Syria has been mentioned by the prophet (saws) in relation to events that will mark the nearness of the hour. This Book, now in its 2nd edition and largely expanded, looks at these narrations and identifies the events the prophet (saws) spoke about, chronologically arranging them to give us the timeline the prophet (saws) intended us to have; Abu Zaid Al-Ansaaree (ra) said, "The Prophet led us in the morning prayer, after which he climbed the pulpit and addressed us until Dhuhr (noon). He descended, prayed 'Asr (the late afternoon prayer), and then climbed the pulpit again, speaking to us until the setting of the sun. He spoke to us about what was and what will be; he informed us (thereof) and made us memorize (that information)." (Ahmad) Hudhayfah (ra) said: The Prophet stood up one day to speak to us, and told us everything that was going to happen until the Hour, and left nothing unsaid. Some of the listeners learnt it by heart, and some forgot it; these friends of mine learnt it. I do not remember it completely, but sometimes it springs to mind, just as one might remember and recognize the face of a man whom one had forgotten, when one sees him. (Abu Dawud, Muslim) This Book is an entirely new work, dealing with the subject matter from a modern context. Previous works regarding the signs of the Hour have been simple translations of Imam Ibn Kathir's book's with out much being done to update his chronology that is now hundreds of years old and to identify the events he mentioned. This Book takes the accounts of the prophet and identifies them giving an entirely more accurate chronology than was previously possible, from this effort the clearest picture yet emerges of the state of the world and its future, which we have corroborated with multiple sources all essentially saying the same thing. Who is the Main body of The Ummah: Muslim Demographics Sayyid Rami al Rifai, 2015-01-23 The Prophet established in many narrations that we should stick to the main body of the Muslim community (Ummah), its largest group. He (saws) said, "My community will not come together on misguidance"... "You have to follow the congregation for verily Allah will not make the largest group of Muhammad's community agree on error."... "Whoever among you wants to be in the middle of Paradise, let him cling to the congregation."... "Shaytan is a wolf like the wolf that preys on sheep, taking the isolated and the stray among them; therefore, avoid factionalism and keep to the congregation and the collective and the masjid."... "Allah's hand is over the group, and whoever dissents from them departs to hell."... "Allah's hand is over the group, follow the largest group, for verily whoever dissents from them departs to hell". This work looks into the demographics of the muslim world to find out who the main body of the muslim community is, and then discusses this significance to the times we are living in as they are mentioned in the ahadith regarding the signs of the hour. Muslim Pilgrimage in the Modern World Babak Rahimi, Peyman Eshaghi, 2019-04-23 Pilgrimage is one of the most significant ritual duties for Muslims, entailing the visitation and veneration of sites associated with the Prophet Muhammad or saintly figures. As demonstrated in this multidisciplinary volume, the lived religion of pilgrimage, defined by embodied devotional practices, is changing in an age characterized by commerce, technology, and new sociocultural and political frameworks. Traveling to and far beyond the Hajj, the most well-known Muslim pilgrimage, the volume's contributors reveal and analyze emerging contemporary Islamic pilgrimage practices around the world, in minority- and majority-Muslim countries as well as in urban and rural settings. What was once a tiny religious attraction in a remote village, for example, may begin to draw increasing numbers of pilgrims to shrines and tombs as the result of new means of travel, thus triggering significant changes in the traditional rituals, and livelihoods, of the local people. Organized around three key themes—history and politics; embodiment, memory, and material religion; and communications—the book reveals how rituals, practices, and institutions are experienced in the context of an inexorable global capitalism. The volume contributors are Sophia Rose Arjana, Rose Aslan, Robert R. Bianchi, Omar Kasmani, Azim Malikov, Lewis Mayo, Julian Millie, Reza Masoudi Nejad, Paulo G. Pinto, Babak Rahimi, Emilio Spadola, Edith Szanto, and Brannon Wheeler.

Most of the papers are in English, but there are some in French, Spanish and Turkish too. This is a great book for those who want short accounts on all aspects of migration and refugees.

Muhammad: His Character and Conduct Adil Salahi, 2014-08-18 Muslims all over the world see Muhammad as God's last messenger to mankind. Through his actions, he showed the way to live a life that provides for all the needs of body, mind, and soul, and elevates man's aspirations towards a sublime ideal in a very simple, direct, and truthful manner. He built a state that was dedicated to truth and justice and to the liberation of man throughout the world. He wrote to emperors, kings, and rulers, calling on them to believe in God and to follow His message, yet, at the same time, he lived a life of poverty, leaving aside the riches that were offered to him. At a time when the Prophet is much maligned by writers, cartoonists, and various other detractors, this book aims to show Muhammad's true character in detail, both in its most everyday and most extraordinary moments. Adil Salahi's writings include the acclaimed Muhammad: Man and Prophet and Pioneers of Islamic Scholarship, and the English translation of the eighteen-volume In the Shade of the Qur'an. His main career has been in radio and print journalism, and for over thirty years he was editor of Islam in Perspective, a twice-weekly full-page column in the Arab News, a Saudi daily newspaper.

May 2022 Young Muslim Digest Syed Iqbal Zaheer, 2022-05-05 Among the major publications of IQRA Publications is the popular Islamic monthly in English, the Young Muslim Digest, arguably among the foremost in this type of publishing in India. This magazine is being brought out regularly by IQRA Publications since the past 36 years. The magazine carries authentic Islamic material for the Western-educated and/or West-influenced youth, presented in a creative manner, while yet highlighting the beliefs of the earliest predecessors and an understanding of the Qur'an and Sunnah on the pattern of the great majority of Islamic scholars of the past, and of those prominent down to the present age. In view of the authentic nature of its contents, the magazine has been awarded license for distribution in Saudi Arabia. Besides the regular, monthly, production of the Young Muslim Digest, IQRA Publications has quite a few other Islamic titles to its credit. Each one of these books offer authentic material and cover topics that are not normally covered by other publishers. It is, perhaps, for this reason that they are popular even outside the country. Malaysia, for instance, imports many of IQRA's titles regularly.

Crossing the Kingdom Loring M. Danforth, 2016-03-29 For many people, the Kingdom of Saudi Arabia evokes images of deserts, camels, and oil, along with rich sheikh in white robes, oppressed women in black veils, and terrorists. But when Loring Danforth traveled through the country in 2012, he found a world much more complex and inspiring than he could have ever imagined. With vivid descriptions and moving personal narratives, Danforth takes us across the Kingdom, from the headquarters of Saudi Aramco, the country's national oil company on the Persian Gulf, to the centuries-old city of Jeddah on the Red Sea coast with its population of undocumented immigrants from all over the Muslim world. He presents detailed portraits of a young woman jailed for protesting the ban on women driving, a Sufi scholar encouraging Muslims and Christians to struggle together with love to know God, and an artist citing the Quran and using metal gears and chains to celebrate the diversity of the pilgrims who come to Mecca. Crossing the Kingdom paints a lucid portrait of contemporary Saudi culture and the lives of individuals, who like us all grapple with modernity at the dawn of the twenty-first century.
