The Mouse Watch #2 J. J. Gilbert,2021-05-04 You've heard of the Rescue Rangers. Now meet the Mouse Watch. Six months into their Mouse Watch training, Bernie and Jarvis are getting along like cheese and crackers! Less exciting: having already completed their first successful mission, it's now back to basic training. But more pressing matters are at hand (or rather, at paw). The remains of the S.S. Moon, a long-lost spy vessel, have been found. Onboard the ship is a legendary map, and the transmission says that it leads to an energy source that could save—or destroy—the planet. The Mouse Watch must get to it before it falls into the clutches of their nemesis, R.A.T.S! Bernie and Jarvis suit up—in scuba suits, this time—for a deep-sea mission on a submarine the size of a shark-snack. Their mission brings them whisker to whisker with a giant robotic kraken, nefarious R.A.T.S. agents, the underwater city of Cat-Lantis, and more underwater perils, all in a fight against time to keep a powerful weapon out of the clutches of evil. Mice in Black meets Mission Im-paw-sible, this high-octane follow-up to The Mouse Watch will appeal to fans of the tiny rodent heroes, as well as draw new readers in with adorable antics and high-stakes adventure

Hockey's Hot Stove Al Strachan,2020-12-01 Stories from behind the scenes of one of hockey's longest running and most popular broadcasts, Hockey Night in Canada's Satellite Hot Stove, from an insider who's seen it all. For more than twenty years, hockey fans tuned in during intermission on Saturday nights to watch one of the most popular segments in the game's long broadcasting history. They'd hear news from around the league, the latest rumours and gossip, and—of course—some of the most controversial opinions of the day. No, we're not talking about Coach's Corner. The Satellite Hot Stove was a revolutionary show for talking about the game we love. Here, during the second intermission of the first game of every Hockey Night in Canada broadcast, pundits, and insiders would convene in studios across North America—in arenas and other locales—to discuss the biggest topics. Hot Stove was the best place to get news, opinions, and a good laugh. And Al Strachan was in the middle of it all. A bestselling author and award-winning sports journalist, he has been writing and talking about hockey for more than forty years. As a regular TV pundit on Hot Stove, he witnessed the most exciting and talked-about episodes in the modern game. And more than once, his unfiltered, say-it-as-it-is style added controversy of its own, too. In this new book, he relives the best stories of his long career, from working with some of the biggest personalities, on and off the ice, to the hijinks that went on behind the cameras. From embarrassing himself in front of Scotty Bowman, to cooking up a plan with Wayne Gretzky to save hockey, and frank conversations with Ken Dryden and hockey's elite, Hockey's Hot Stove delivers all new hockey stories you won't hear anywhere else.

One Ranger H. Joaquin Jackson,David Marion Wilkinson,2011-08-29 A retired Texas Ranger recalls a career that took him from shootouts in South Texas to film sets in Hollywood. When his picture appeared on the cover of Texas Monthly, Joaquin Jackson became the icon of the modern Texas Rangers. Nick Nolte modeled his character in the movie Extreme Prejudice on him. Jackson even had a speaking part of his own in The Good Old Boys with Tommy Lee

Jones. But the role that Jackson has always played the best is that of the man who wears the silver badge cut from a Mexican cinco peso coin, a working Texas Ranger. Legend says that one Ranger is all it takes to put down lawlessness and restore the peace: one riot, one Ranger. In this adventure-filled memoir, Joaquin Jackson recalls what it was like to be the Ranger who responded when riots threatened, violence erupted, and criminals needed to be brought to justice across a wide swath of the Texas-Mexico border from 1966 to 1993. Jackson has dramatic stories to tell. Defying all stereotypes, he was the one Ranger who ensured a fair election—and an overwhelming win for La Raza Unida party candidates—in Zavala County in 1972. He followed legendary Ranger Captain Alfred Y. Allee Sr. into a shootout at the Carrizo Springs jail that ended a prison revolt and left him with nightmares. He captured “The See More Kid,” an elusive horse thief and burglar who left clean dishes and swept floors in the houses he robbed. He investigated the 1988 shootings in Big Bend’s Colorado Canyon and tried to understand the motives of the Mexican teenagers who terrorized three river rafters and killed one. He even helped train Afghan mujahedin warriors to fight the Soviet Union. Jackson’s tenure in the Texas Rangers began when older Rangers still believed that law need not get in the way of maintaining order, and concluded as younger Rangers were turning to computer technology to help solve crimes. Though he insists, “I am only one Ranger. There was only one story that belonged to me,” his story is part of the larger story of the Texas Rangers becoming a modern law enforcement agency that serves all the people of the state. It’s a story that’s as interesting as any of the legends. And yet, Jackson’s story confirms the legends, too. With just over a hundred Texas Rangers to cover a state with 267,399 square miles, any one may become the one Ranger who, like Joaquin Jackson in Zavala County in 1972, stops one riot. “A powerful, moving read . . . One Ranger is as fascinating as the memoirs of nineteenth-century Rangers James Gillett and George Durham, and the histories by Frederick Wilkins and Walter Prescott Webb—and equally as important.” —True West “A straight-shooting book that blow[s] a few holes in the Ranger myth while providing more ammunition for the myth’s continuation. . . . Reads more like a novel than [an] autobiography.” —Austin American-Statesman

Yours to Command Harold J. Weiss (Jr.), 2009 Captain Bill McDonald's (1852-1918) admirers rank him as one of the great captains of Texas Ranger history. His detractors see him as an irresponsible lawman who precipitated violence, hungered for publicity, and related tall tales that cast himself in the hero's role. This title seeks to find the true Bill McDonald and sort fact from myth.

The Free Rangers Joseph A. Altsheler, 2021-11-09 'The Free Rangers' is a Western-themed novel written by Joseph A. Altsheler. The story unfolds at a wilderness that rolled away to north and to south, and also rolled away to east and to west, an unbroken sweep of dark, glossy green. Straight up stood the mighty trunks, but the leaves rippled and sang low when a gentle south wind breathed upon them. It was the forest as God made it, the magnificent valley of North America, upon whose edges the white man had just begun to nibble. A young man, stepping lightly, came into a little glade. He was white, but he brought with him no alien air. He was in full harmony with the primeval woods, a part of them, one in whose ears the soft song of the leaves was a familiar and loved tune. He was lean, but tall, and he walked with a wonderful swinging gait that betokened a frame wrought to

the strength of steel by exercise, wind, weather, and life always in the open. Though his face was browned by the sun and storm, his hair was yellow and his eyes blue. He was dressed wholly in deerskin and he carried over his shoulder the long slender rifle of the border. At his belt swung a hatchet and knife.
