This Is Water Kenyon College,2014-05-22 Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in THIS IS WATER. How does one keep from going through their comfortable, prosperous adult life unconsciously' How do we get ourselves out of the foreground of our thoughts and achieve compassion' The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in The Wall Street Journal and the London Times, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

How do you place a bed in an awkward room? How can your space help you be more focused and more productive? How do you set up your room to make you ready for romantic love? It's simple! In Feng Shui for Modern Living, TikTok influencer Cliff Tan answers these questions and more, explaining the ancient practice of feng shui and how it can be translated to modern homes. Cliff has become an internet sensation with his videos demonstrating the principles of feng shui, and in this practical guide he shows how to apply these principles room-by-room in your own home. He takes you behind the mysticism to reveal the logic behind feng shui. This is the key to unlocking the power of this ancient practice: once you understand the logic, your application of feng shui will work every time. There is no room too challenging, no problem that feng shui can't unravel. That's why people have been using it for thousands of years. In the tradition of Marie Kondo and Mrs Hinch, this guide will revolutionise how you think about your space. It's feng shui made simple, and anyone can learn.

*60 Innovative Cognitive Strategies for the Bright, the Sensitive, and the Creative* Eric Maisel,2018-03-14 In this book, Dr. Maisel employs the metaphor of the room that is your mind to provide 60 cognitive strategies that enable smart, sensitive, creative clients to engage in dynamic self-regulation for greater awareness, insight, and enhanced mental capabilities. Issues that are examined include repetitive and obsessional thinking, self-criticism and a lack of self-confidence, anxiety and depression, reliving traumatic memories, and overdramatizing and catastrophizing. This is the perfect book for cognitive-behavioral therapists to suggest to clients and will be of great interest to clients whose needs for imaginative and metaphorically rich strategies often go unmet.
