Above the Waterfall Ron Rash,2015-09-08 In this poetic and haunting tale set in contemporary Appalachia, New York Times bestselling author Ron Rash illuminates lives shaped by violence and a powerful connection to the land. Les, a long-time sheriff just three-weeks from retirement, contends with the ravages of crystal meth and his own duplicity in his small Appalachian town. Becky, a park ranger with a harrowing past, finds solace amid the lyrical beauty of this patch of North Carolina. Enduring the mistakes and tragedies that have indelibly marked them, they are drawn together by a reverence for the natural world. When an irascible elderly local is accused of poisoning a trout stream, Les and Becky are plunged into deep and dangerous waters, forced to navigate currents of disillusionment and betrayal that will force them to question themselves and test their tentative bond—and threaten to carry them over the edge. Echoing the heartbreaking beauty of William Faulkner and the spiritual isolation of Carson McCullers, *Above the Waterfall* demonstrates once again the prodigious talent of “a gorgeous, brutal writer” (Richard Price) hailed as “one of the great American authors at work today” (Janet Maslin, New York Times).

Live from Medicine Park Constance Squires,2017-10-05 Documentary filmmaker Ray Wheeler is down on his luck. Embroiled in a lawsuit, he is reeling from the consequences of a near-fatal shooting on his last film, and has just lost his teaching gig. Broke and beleaguered, he can't afford to be particular about his next project. So when a former student invites him to film the comeback of Lena Wells, an iconic rock-and-roll singer who hit it big in the seventies, more than two decades earlier, he reluctantly agrees—even though he doesn't like her music. When Ray arrives at Lena's hometown of Medicine Park, Oklahoma, a defunct resort community, he is determined to approach his topic with the professional detachment that has guided his career. His work ethic is modeled on the prime directive of *Star Trek*: never interfere with an alien civilization. But with only five days left before Lena's comeback concert, Ray quickly runs afoul of his subject, who places him on a one-week probation. The terms: impress her or else. It doesn't take long before Ray violates his own ethical standards. Drawn romantically toward Lena, he also fails to prevent himself from interfering with the lives of the people closest to her, including her only son, Gram, whose paternity is a mystery even to himself; her daughter-in-law, Jettie; and the enigmatic guitar player Cyril Dodge. When disaster strikes Ray's set again, this time in Medicine Park, he must face truths he has avoided for too long—about love, relationships, and responsibility. An ode to both southwestern Oklahoma and rock music, *Live from Medicine Park* is a bittersweet reflection on the search for identity and purpose amid tragedy. As the novel reaches its climax, Ray sets out on one last adventure to set things right. Redemption may be possible—but only on its own terms.
