Wallpaper in America Catherine Lynn, Cooper-Hewitt Museum, 1980 Drawing on the extensive collections of the Cooper-Hewitt Museum, the Smithsonian Institution's National Museum of Design, as well as from sources across America and Europe, the author documents the changing tastes in pattern and color preferences. Richly illustrated with 102 color plates and over 245 black and white photographs, this book is a stunning achievement.

Little Constructions Anna Burns, 2020-02-18 The darkly comic second novel from the author of the Man Booker Prize winner Milkman, now available in the United States In the small town of Tiptoe Floorboard, the Doe clan, a close-knit family of criminals and victims, has the run of the place. Yet there are signs that patriarch John Doe's reign may be coming to an end. When Jetty Doe breaks into a gun store and makes off with a Kalashnikov, the stage is set for a violent confrontation. But while Jetty is making her way across town in a taxi, an elusive, chatty narrator takes us on a wild journey, zooming in and out on various members of the Doe clan with long, digressive riffs that chase down the causes and repercussions of Jetty's act. Before Milkman took the world by storm after winning the Man Booker Prize, Anna Burns had already honed her distinctive voice. In her second novel, Little Constructions, she exhibits the same linguistic brio, coruscating wit, and scintillating insight into men, women, and the roots of violence. A wickedly funny novel that swoops and spirals as it examines the long shadow of abuse and violent crime, Little Constructions explores what transpires when unspeakable realities, long hidden from view, can no longer be denied.

Off the Wall Lena Lenček, Gideon Bosker, 2004 Hypnotic flowering vines, black-and-white Op Art odysseys, and seas of patriotic warships are just some of the beautiful, strange, and fantastic patterns that have adorned the walls of homes the world over. In the tradition of best-seller Fabulous Fabrics of the 50s, this home decor reference book entertains while it inspires with flawless reproductions of 150 classic and unique wallpapers; many of which are drawn from the collections of the Cooper-Hewitt, National Design Museum, Smithsonian Institution. Covering every decade of the century, Off the Wall celebrates robust pattern and detail in all their manifestations. Lively text and captions help to capture the designers, trends, and world events relevant to each piece, and the broader evolution of the genre, from a 1948 mural of rural America, replete with plump livestock and ripening fields, to the boldly colored abstractions produced in the 1950s by Herman Miller for MOMA. A useful resource for collectors, designers, decorators, and artists, Off the Wall is a colorful and captivating tribute to a widely appreciated medium.

A Glimpse of Water Fall Jane Spavold Tims, 2021-04-02 Waterfalls can be a charming element of landscape. Their beauty and roar fill our senses and inspire poetry and song. Waterfalls can also be dangerous places, symbolic of dramatic change and vulnerability. These are poems that weave together the loveliness of the waterfall and the relentless, even savage, power of falling water. The poems work together to tell the story of love found, love gone wrong and love discarded and mourned. The story is told in part through imagined waterfalls associated with Dante's Inferno and the grotesque character of architectural gargoyles. The beauty of waterfalls is inspired by some of New Brunswick's many natural waterfalls.
