Quality Whitetails Karl V. Miller,R. Larry Marchinton,2007 Top deer biologists and deer hunting authors discuss how and when hunters should harvest bucks and antlerless deer, and how to ensure a better chance of getting that trophy buck.

The Selling of 9/11 D. Heller,2016-09-23 The Selling of 9/11 argues that the marketing and commodification of the terrorist attacks of September 11, 2001, reveal the contradictory processes by which consumers in the United States (and around the world) use, communicate, and construct national identity and their sense of national belonging through cultural and symbolic goods. Contributors illuminate these processes and make important connections between myths of nation, practices of mourning, theories of trauma, and the politics of post-9/11 consumer culture. Their essays take critical stock of the role that consumer goods, media and press outlets, commercial advertising, marketers and corporate public relations have played in shaping cultural memory of a national tragedy.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of

three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-

slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Working for Justice Milkman Ruth,Joshua Bloom,Victor Narro,2013-09-30 Working for Justice, which includes eleven case studies of recent low-wage worker organizing campaigns in Los Angeles, makes the case for a distinctive L.A. Model of union and worker center organizing. Networks linking advocates in worker centers and labor unions facilitate mutual learning and synergy and have generated a shared repertoire of economic justice strategies. The organized labor movement in Los Angeles has weathered the effects of deindustrialization and deregulation better than unions in other parts of the United States, and this has helped to anchor the city's wider low-wage worker movement. Los Angeles is also home to the nation's highest concentration of undocumented immigrants, making it especially fertile territory for low-wage worker organizing. The case studies in Working for Justice are all based on original field research on organizing campaigns among L.A. day laborers, garment workers, car wash workers, security officers, janitors, taxi drivers, hotel workers as well as the efforts

of ethnically focused worker centers and immigrant rights organizations. The authors interviewed key organizers, gained access to primary documents, and conducted participant observation. Working for Justice is a valuable resource for sociologists and other scholars in the interdisciplinary field of labor studies, as well as for advocates and policymakers.

The Historical Report of the Arkansas Secretary of State 2008 Charlie Daniels,2009-07-01

Arkansas Secretary of State Charlie Daniels is proud to present the 2008 edition of the Arkansas Historical Report. Published just once each decade by order of the General Assembly, this ready reference is a unique compendium of appointed and elected officials over the state's colonial and territorial periods as well as its 172-year history. Its comprehensive listings of county, state, and federal officials make it a must-have for historians, journalists, genealogists, and other researchers. The 2008 edition also features essays by C. Fred Williams, Jay Barth, David Ware, Ann Early, and George Sabo III that provide insight into the state's history, politics, and Native American cultures. This new edition

of the Historical Report includes, for the first time, an alphabetical index of state legislators. It also features a variety of historical photographs and has been substantially redesigned to create a more user-friendly reference tool.
