Mat Buckland

Programming Game AI by Example Mat Buckland, 2005 This book describes in detail many of the AI techniques used in modern computer games, explicitly shows how to implement these practical techniques within the framework of several game developers with a practical foundation to game AI.

Business For Authors Joanna Penn, 2018-08-12 Are you ready to take the next step in your author journey? Art for the sake of art is important. Writing for the love of it, or to create something beautiful on the page, is absolutely worthwhile and critical to expand the sum of human expression. But I'm not here to talk about creativity or the craft of writing in this book. My aim is to take the result of your creativity into the realm of actually paying the bills. To take you from being an author to running a business as an author. I was a business consultant for 13 years before I gave up my job in September 2011 to become a full-time author-entrepreneur. I worked for large corporates and small businesses, implementing financial systems across Europe and Asia Pacific. I've also started a number of my own businesses " a scuba dive charter boat in New Zealand, a customized travel website, a property investment portfolio in Australia as well as my freelance consultancy. I've failed a lot and learned many lessons in my entrepreneurial life and I share them all in this book. In the last six years of being an author, through tempestuous changes in the publishing world, I've learned the business side of being a writer and I now earn a good living as an author-entrepreneur. I'm an author because it's my passion and my joy but also because it's a viable business in this age of global and digital opportunity. In the book, you will learn: Part 1: From Author To Entrepreneur The arc of the author's journey, definition of an author-entrepreneur, deciding on your definition of success. Plus/ should you start a company? Part 2: Products and Services How you can turn one manuscript into multiple streams of income by exploiting all the different rights, various business models for authors and how to

evaluate them, information on contracts, copyright and piracy. Plus/ putting together a production plan. Part 3: Employees, Suppliers and Contractors The team you need to run your business. Your role as author and what you're committing to, as well as co-writing. Editors, agents and publishers, translators, book designers and formatters, audiobook narrators, book-keeping and accounting, virtual assistants. Plus/ how to manage your team. Part 4: Customers In-depth questions to help you understand who your customers are and what they want, as well as customer service options for authors. Part 5: Sales and Distribution How to sell through distributors and your options, plus all the information you need to sell direct. ISBNs and publishing imprints " do you need them? Plus/ your options for pricing. Part 6: Marketing Key overarching marketing concepts. Book-based marketing including cover, back copy and sales pages on the distributors. Author-based marketing around building your platform, and customer-based marketing around your niche audience and targeted media. Part 7: Financials Revenues of the author business and how to increase that revenue. Costs of the author business and funding your startup. Banking, PayPal, accounting, reporting, tax and estate planning. Part 8: Strategy and Planning Developing your strategy and business plan. Managing your time and developing professional habits. The long-term view and the process for becoming a full-time author. Plus/ looking after yourself. Part 9: Next Steps Questions from the book to help you work out everything to do with your business, plus encouragement for your next steps. Appendices, Workbook and Bonus Downloads including a workbook and business plan template. If you want to go from being an author to running a business as an author, download a sample or buy now.

Olive, Again Elizabeth Strout, 2019-10-15 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • Pulitzer Prize winner Elizabeth Strout continues the life of her beloved Olive Kitteridge, a character who has captured the imaginations of

millions. “Strout managed to make me love this strange woman I’d never met, who I knew nothing about. What a terrific writer she is.”—Zadie Smith, *The Guardian* “Just as wonderful as the original . . . Olive, Again poignantly reminds us that empathy, a requirement for love, helps make life ‘not unhappy.’”—NPR

NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY PEOPLE AND ONE OF THE BEST BOOKS OF THE YEAR BY Time • Vogue • NPR • The Washington Post • Chicago Tribune • Vanity Fair • Entertainment Weekly • BuzzFeed • Esquire • Real Simple • Good Housekeeping • The New York Public Library • The Guardian • Evening Standard • Kirkus Reviews • Publishers Weekly • BookPage

Prickly, wry, resistant to change yet ruthlessly honest and deeply empathetic, Olive Kitteridge is “a compelling life force” (*San Francisco Chronicle*). The *New Yorker* has said that Elizabeth Strout “animates the ordinary with an astonishing force,” and she has never done so more clearly than in these pages, where the iconic Olive struggles to understand not only herself and her own life but the lives of those around her in the town of Crosby, Maine. Whether with a teenager coming to terms with the loss of her father, a young woman about to give birth during a hilariously inopportune moment, a nurse who confesses a secret high school crush, or a lawyer who struggles with an inheritance she does not want to accept, the unforgettable Olive will continue to startle us, to move us, and to inspire us—in Strout’s words—“to bear the burden of the mystery with as much grace as we can.” Praise for *Olive, Again* “Olive is a brilliant creation not only because of her eternal cantankerousness but because she’s as brutally candid with herself about her shortcomings as she is with others. Her honesty makes people strangely willing to confide in her, and the raw power of Ms. Strout’s writing comes from these unvarnished exchanges, in which characters reveal themselves in all of their sadness and badness and confusion. . . . The great, terrible mess of living is spilled out across the pages of this moving book. Ms.

Strout may not have any answers for it, but she isn't afraid of it either."—The Wall Street Journal

It's Not Easy Bein' Me Rodney Dangerfield, 2009-08-11 An American comic icon tells the story of his second-act rise from obscurity to multimedia stardom. When I was a kid, writes Rodney Dangerfield, I worked tough places in show business--places like Fonzo's Knuckle Room. Or Aldo's, formerly Vito's, formerly Nunzio's. That was a tough joint. I looked at the menu. They had broken leg of lamb. For once, one of America's most beloved comic icons isn't kidding. Dangerfield has seen every aspect of the entertainment industry: the rough-and-tumble nightclubs, the backstage gag-writing sessions, the drugs, the hookers, the lousy day jobs - and the red-carpet star treatment. As he traces his route from a poor childhood on Long Island to his enshrinement as a comedy legend, he takes readers on a roller-coaster ride through a life that has been alternately touching, sordid, funny, raunchy, and uplifting - equal parts Little Orphan Annie and Caligula. And unlike most celebrity autobiographers, he seems to have no qualms about delivering the unfiltered whole story, warts and all. Dangerfield's personal story is also a rollicking show business tale, full of marquee name-droppings (Adam Sandler, Sam Kinison, Jim Carrey, Johnny Carson, Jerry Seinfeld) and good stories about same. Defying the old saws about the fleeting nature of fame and the dearth of second acts in American life, Dangerfield transformed himself from a debt-ridden aluminium-siding salesman named Jack Roy to a multimedia superstar - and stayed an icon for decades. His catchphrase - I get no respect - has entered the lexicon, and he remains a visible cultural presence and perennial talk-show guest. Dangerfield's hilarious and inspiring musings should thrill comedy fans and pop-culture watchers, and his second-act comeback will strike a chord with readers of all stripes. Maybe he'll even get some respect.

Augmented Brett King, Andy Lark, Alex Lightman, JP

Rangaswami,2016-05-15 The Internet and smartphone are just the latest in a 250-year- long cycle of disruption that has continuously changed the way we live, the way we work and the way we interact. The coming Augmented Age, however, promises a level of disruption, behavioural shifts and changes that are unparalleled. While consumers today are camping outside of an Apple store waiting to be one of the first to score a new Apple Watch or iPhone, the next generation of wearables will be able to predict if we're likely to have a heart attack and recommend a course of action. We watch news of Google's self-driving cars, but don't likely realise this means progressive cities will have to ban human drivers in the next decade because us humans are too risky. Following on from the Industrial or machine age, the space age and the digital age, the Augmented Age will be based on four key disruptive themes—Artificial Intelligence, Experience Design, Smart Infrastructure, and HealthTech. Historically the previous 'ages' brought significant disruption and changes, but on a net basis jobs were created, wealth was enhanced, and the health and security of society improved. What will the Augmented Age bring? Will robots take our jobs, and AI's subsume us as inferior intelligences, or will this usher in a new age of abundance? Augmented is a book on future history, but more than that, it is a story about how you will live your life in a world that will change more in the next 20 years than it has in the last 250 years. Are you ready to adapt? Because if history proves anything, you don't have much of a choice.

The Pursuit of Attention Charles Derber,1983 True, man is a social animal, but -- in this age of rampant attention-getting and ego-surfing (scanning the Internet for occurrences of one's own name) -- perhaps aggressively or competitively social would be a better description. This useful and popular volume, now in a second edition that features major new introductory and concluding essays, entertainingly ponders this proposition. Charles Derber argues that there is a general Lack of social

support in today's America, one which causes people to vie hungrily for attention. Little wonder, then, that we should so often employ various techniques to turn the course of a given conversation back to ourselves. Illustrating conversational narcissism with sample dialogues that will seem disturbingly familiar to all readers, this book analyzes the pursuit of attention in conversation -- as well as in politics and celebrity culture -- and demonstrates the ultimate importance of gender, class, and racial differences in competing for attention. The Pursuit of Attention has been significantly reconsidered and rewritten to reflect just how self-involved we have become (and are still becoming).

Under the Hood of .Net Memory Management Chris Farrell, Nick Harrison, 2011 This book starts with an introduction to the core concepts of .NET memory management and garbage collection, and then quickly layers on additional details and intricacies. Once you're up to speed, you can dive into the guided troubleshooting tour, and tips for engineering your application to maximise performance. And to finish off, take a look at some more sophisticated considerations, and even a peek inside the Windows memory model.

No Witnesses to Nothing Garry Rodgers, 2013-01-07
BASED ON A TRUE CRIME STORY STRAIGHT OUT OF CSI OR THE X-FILES WHERE MANY BELIEVE PARANORMAL INTERVENTION OCCURRED. Do you believe in Ghosts? Sergeant Sharlene Bate of I-HIT, Vancouver's Integrated Homicide Investigation Team, pries open Pandora's Box when two drug informers are brutally executed and where two young Mounties attempt to capture a madman terrorizing the Canadian Yukon Wilderness. No ordinary madman, the Tlingit people say. It's The Kushtaka. The Wildman-of-the-Woods. The mythical being who tricks you. Kills you. And steals your soul. Sergeant Bate exhumes more of the Aboriginal legend: After a gun-fight with the shapeshifter, the police officers souls are trapped in a twilight-zone - the world in-between. So begins a life and death quest for

the truth of why the informants had to be murdered. From the treacherous Hells Angels conspiracy in the prisons of America and the jungles of Colombia, to the spiritual journey in a Shaman's sweatlodge deep in the Australian Outback - is there a supernatural entity now hunting for Sharlene Bate's soul? Truth can be stranger than fiction. Sergeant Sharlene Bate's investigation reveals a secret bridge connecting science and spirit along the pathway to understanding the essence to our existence - the soul.

The Charisma Myth Olivia Fox Cabane, 2013-03-26 What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.

Who Killed Creativity? Andrew Grant, Gaia Grant, 2012-06-05 The essential guide to building a culture of creativity and innovation throughout an organization Your help is needed to crack an unsolved crime: creative thinking is critical for future fulfillment and survival, and yet it is now declining at an alarming rate. In this original mystery-style approach, you will have the opportunity to match your knowledge against that of the latest brain researchers, psychologists, and sociologists as you are taken on a humorous and often startling journey to discover why creativity is dying an untimely death. The '7 Rescue Strategies' then provide proven innovation solutions, from personal issues through to organizational imperatives. Authors Andrew and Gaia Grant have travelled the world for more than 25 years working

with more than 20,000 international keynote and workshop participants in more than 30 countries at all levels. With a fascinating forensic approach, revealing carefully researched facts and anecdotal insights, this is a compelling modern tale. And there is a final twist that will leave you wondering.... Can we really live happily ever after?

I Am Bear Ben Bailey Smith, 2016-03-08 A mischievous bear plays tricks on his friends.

Pretty Evil New England Sue Coletta, 2020-11-01 For four centuries, New England has been a cradle of crime and murder—from the Salem witch trials to the modern-day mafia. Nineteenth century New England was the hunting ground of five female serial killers: Jane Toppan, Lydia Sherman, Nellie Webb, Harriet E. Nason, and Sarah Jane Robinson. Female killers are often portrayed as caricatures: Black Widows, Angels of Death, or Femme Fatales. But the real stories of these women are much more complex. In *Pretty Evil New England*, true crime author Sue Coletta tells the story of these five women, from broken childhoods, to first brushes with death, and she examines the overwhelming urges that propelled these women to take the lives of a combined total of more than one-hundred innocent victims. The murders, investigations, trials, and ultimate verdicts will stun and surprise readers as they live vicariously through the killers and the would-be victims that lived to tell their stories.

Sled Driver Brian Shul, Sheila Kathleen O'Grady, 1991 No aircraft ever captured the curiosity & fascination of the public like the SR-71 Blackbird. Nicknamed The Sled by those few who flew it, the aircraft was shrouded in secrecy from its inception. Entering the U.S. Air Force inventory in 1966, the SR-71 was the fastest, highest flying jet aircraft in the world. Now for the first time, a Blackbird pilot shares his unique experience of what it was like to fly this legend of aviation history. Through the words & photographs of retired Major Brian Shul, we enter the world of the Sled Driver. Major Shul gives us insight on all phases of

flying, including the humbling experience of simulator training, the physiological stresses of wearing a space suit for long hours, & the intensity & magic of flying 80,000 feet above the Earth's surface at 2000 miles per hour. SLED DRIVER takes the reader through riveting accounts of the rigors of initial training, the gamut of emotions experienced while flying over hostile territory, & the sheer joy of displaying the jet at some of the world's largest airshows. Illustrated with rare photographs, seen here for the first time, SLED DRIVER captures the mystique & magnificence of this most unique of all aircraft.

The Indie Author Mindset Adam L Croft, 2018-07-28 Do you want to sell more books and earn a good living from your fiction? Discover how to change your way of thinking and revolutionise your writing career. Are you struggling to take your author career on to the next stage? The Indie Author Mindset shows you how simply changing your way of thinking about your writing business can revolutionise your career. Using Adam's personal experiences and examples, you'll be able to think differently about the business side of your writing career and lay down the foundations for long-term success. In The Indie Author Mindset, you'll discover: How to decide who to listen to — and who not to listen to How to unlock the power of residuals How to create more than half a dozen income streams from one book Lessons and advice from Bryan Cohen, David Gaughran, Brian Meeks and Mark Dawson Why almost every writer misunderstands profit and is doing advertising wrong And much, much more! This life-changing book is the motivational kick-up-the-backside all authors need. If you like a non-fiction book with a personal touch, practical tips you can apply every day and all the motivation you need to kick

your career on to the next stage, *The Indie Author Mindset* is for you.

Participatory Culture in a Networked Era Henry Jenkins, Mizuko Ito, danah boyd, 2015-11-05 In the last two decades, both the conception and the practice of participatory culture have been transformed by the new affordances enabled by digital, networked, and mobile technologies. This exciting new book explores that transformation by bringing together three leading figures in conversation. Jenkins, Ito and boyd examine the ways in which our personal and professional lives are shaped by experiences interacting with and around emerging media. Stressing the social and cultural contexts of participation, the authors describe the process of diversification and mainstreaming that has transformed participatory culture. They advocate a move beyond individualized personal expression and argue for an ethos of “doing it together” in addition to “doing it yourself.” *Participatory Culture in a Networked Era* will interest students and scholars of digital media and their impact on society and will engage readers in a broader dialogue and conversation about their own participatory practices in this digital age.

Writing Mysteries Sue Grafton, 2002-04-22 Here's your ticket to the greatest mystery-writing workshop ever! In this extraordinary compilation, more than three dozen members of the Mystery Writers of America share insights and advice that can help make your writing dreams a reality. You'll learn how to:

- Develop unique ideas

- Write convincing dialogue
- Choose the appropriate point of view
- Work with an agent
- Conduct accurate research
- and much, much more!

You'll also find special guidelines for creating clues, dropping red herrings, and writing medical, legal, historical, true crime, and young adult mysteries. It's all the information you need to solve the mystery-writing riddle!

Bad Uncle Jordan Silver,2017-03-26 When Mark left the home of his adoptive parents seventeen years ago, he swore to himself that he wouldn't be back until he could get his revenge. Now eighteen years later he'd moved on and built a life for himself, leaving the past behind. That is until his adoptive brother's daughter searched him out. The brother who'd made his life a living hell. Now he's back in his hometown at the request of his 'niece' and his revenge just might take another form.

Hip-Hop High School Alan Lawrence Sitomer,2007-03-20 Theresa Anderson is every kind of smart: too smart-mouthed for her own good, street smart enough to deal with a neighborhood that gets more dangerous every day, and more book smart than anyone knows. But with the example of her super-achieving older brother towering above her, Theresa hasn't even been trying. How can a girl compete against the family favorite, especially when he's a certified local hero? With her parents and her teachers always on her case, and her best friend pregnant and dropped out of school, Theresa turns to hip-hop for comfort. Her favorite singers seem to understand her when no one else does. Everything changes when a new man comes into Theresa's life: Devon, whose tough-guy reputation conceals a blazing ambition for academic success. Devon helps Theresa face up to her own talent and ambition, and together they set off on a three-year quest to beat the SAT and get into top colleges. But then Devon gets shot in a street fight, leaving Theresa with two piles of unfinished college applications—her own and Dev's—and time running out. . . .

Discussions Volume 1 Liz Hoeppner,Adrian Wallwork,2019-04-16 Who's it for? Intermediate and advanced classes of English (16+) as a foreign or second language (EFL, ESL), in any part of the world. How does it work? Students discuss questions, which are either in the form of a fun / factual quiz, or related to an authentic text / quotation. What's new? The questions and texts break with the approach typically used in ESL

/EFL textbooks by presenting a new slant on some traditional topics, and also offering topics that have never been found before in a discussion book. Students will feel they are discussing something interesting, and that the language of discussion just happens to be in English. How controversial are the discussions? Unlike Volume 2 and Volume 3, this volume contains no particularly risky exercises in terms of subject matter. What preparation is involved for the teacher? In around 90% of the exercises, no preparation is required. Students simply turn to the right page, and away they go. Details are outlined in the Teachers Introduction and the Students Introduction. What's the duration of a typical exercise? Depending on the students' level of interest, some exercises can be used as 10-minute warm ups or lesson fillers, others may develop into full-blown 60-minute discussions. What else do I need to know? The table of contents indicates which exercises might not be suitable with certain classes, which require preparation by the teacher, and which have a key. Where can I find sample pages and the teacher's book?
tefldiscussions.com

D & D Ed Greenwood, Matt Sernett, Steve Winter, 2013
Baldur's Gate is a fantastic medieval city with a long and storied history -- a city on the verge of tearing itself asunder. Murder in Baldur's Gate presents the city in the time of the Sundering, a period that will define the future of the Forgotten Realms. In addition to providing 64 pages of in-depth information on the city and its inhabitants, this product includes a harrowing 32-page adventure in which the player characters defend Baldur's Gate against an ancient evil long thought slain.
