WORLD BOXING NEWS 'If you know someone who is a fan of the People's Champion then they'll love this.' A Manchester lad from Irish Traveller stock, born three months premature and weighing just a pound at birth, Tyson (named after his father's boxing hero) grew up to become one of the most unlikely heavyweight champions

in history. This 'dream come true' soon turned to nightmare, however, as alcohol and cocaine abuse took hold and Tyson was stripped of his titles. What followed was the darkest moment of his life - detailed in this book for the first time - in which he came within seconds of ending everything. THE PEOPLE'S CHAMPION. Like all the greatest stories, though, there is redemption and Tyson defies all the odds and literally drags himself to his feet. 10 million people around the globe watched Fury fight Wilder in the biggest fight of the boxing calendar. Speaking candidly about his struggles with mental health, this is Tyson Fury as you have never seen him before. A BRITISH ICON.

Celebrating the Achievements of the Older Generation John Croucher, 2023-10-13

This book celebrates the achievement and talent of those in advanced years across a wide range of activities. Some of the people included made amazing achievements throughout their lives and into very old age, while others picked up skills again and developed them in different ways later in life. Then there are those who embarked upon entirely new activities and enterprises to great acclaim. The book includes a fascinating mix of familiar names and hidden gems, and emphasises the limitless possibilities of life, where "age is only a number" and positivity is a common theme. International in nature, this book will be of great interest as a point of reference for academics from all fields. In addition, it is fascinating reading for anyone who wants to be inspired by the astonishing feats of over 100 people who have triumphed in their golden years.

Fighting Back Matt Bozeat, 2019-10-07 Fighting Back is the story of a different kind of boxing superstar - a hero for winning his battles outside as well as inside the ring. When he outpointed Wladimir Klitschko, on one of the greatest nights in British boxing history, Tyson Fury sat on top of the world. But 'The Gypsy King' soon discovered that being heavyweight champion wasn't all he had imagined. His own demons would prove harder to conquer than Klitschko. In the following months, Tyson drank and ate to excess, took drugs and contemplated suicide. He seemed destined for an early grave. But, with the help of his family, Fury dealt with his issues and launched a boxing comeback - after shedding an incredible ten stones in weight! Fury eased back with a couple of straightforward wins. Then, in what appeared a foolhardy, if very brave, move, he challenged unbeaten KO specialist Deontay Wilder for the WBC heavyweight championship in Los Angeles. The

humour-laden, heart-wrenching, inspirational story of a boxer who conquered the world, lost everything - and then got it back.

The Ultimate Encyclopedia of Boxing Harry Mullan, Bob Mee, 2020-10 A comprehensive single-volume illustrated work of boxing reference.

Joshua Files Matt Bozeat, 2018-06-01 The Joshua Files traces the story of Britain's latest heavyweight hero from the building site to the top of the boxing world and beyond. Anthony Joshua's fight with Wladimir Klitschko, in front of 90,000 fans at Wembley Stadium, transformed the fighter not only into a national hero but also a global star. Having worked as a boxing journalist for almost 30 years for Boxing News, Boxing Monthly and Sky Sports, Matt Bozeat was perfectly placed to follow Joshua from a ringside seat from the very start of his professional career. Joshua turned pro soon after winning gold at the London Olympics in 2012, and has since surpassed all expectations, going on to dominate the division with a 100 per cent KO record. The Joshua Files tells exactly how he fought his way to the top, through revealing and insightful interviews with the fighter himself, as well as with the boxing experts, trainers, sparring partners and opponents who have the closest insider knowledge of Anthony's incredible rise.

The Muhammad Ali Boxing Reform Act United States. Congress. House. Committee on Commerce. Subcommittee on Telecommunications, Trade, and Consumer Protection, 1999

Road to Nowhere Tris Dixon, 2014-10-07 In the era of boxing's pay-per-view superstars, Tris Dixon invested in a Greyhound bus pass and spent several months traversing America on a shoestring budget, tracking down fighters from yesteryear who had vanished from the limelight. Venturing from New York to Las Vegas and from Toronto to Miami, the young writer - himself a former amateur boxer - sought out coulda-been contenders and cult heroes from the 1950s to the 2000s, all now faded from popular memory. He visited old people's homes, gyms and too many prisons, discovering that life after boxing can be a cruel place when the ropes are no longer in place to keep fighters safe from the outside world. Dixon meets men who shaped boxing history, fighting the

likes of Sugar Ray Robinson, Muhammad Ali and Mike Tyson. He shares their memories and weaves together their forgotten tales over the course of a remarkable American journey.

Thirty Dollars and a Cut Eye J Russell Peltz, 2021-09-15 Boxing promoter J Russell Peltz fell in love with boxing when he was 12, saw his first live fight at 14, and was hooked for life. He was named Outstanding Male Journalism Graduate, Temple University, 1968, but after a short career on the sports copy desk of the Evening and Sunday Bulletin in Philadelphia, he became a boxing promoter when he couldn't land the boxing beat at the newspaper. In his more-than-half century in boxing, Peltz has promoted fights at every major venue in Philadelphia as well as most of the casinos in Atlantic City. His fights have been televised by ABC, CBS, NBC, HBO, Showtime, ESPN, USA and SportsChannel. He has promoted or co-promoted more than 30 world championship fights and his business has taken him around the world, from Beijing to Buenos Aires and from Paris to Tokyo. Peltz was inducted into the International Boxing Hall of Fame in 2004, the Temple University School of Communications and Theatre Hall of Fame in 2010, and the Philadelphia Sports Hall of Fame in 2020.

Non-Compromised Pendulum Oleg Maltsev, Tom Patti, This is a book about a great man, an unbeaten boxing coach who in his lifetime nurtured three heavyweight world champions—a feat no one is capable of repeating nowadays. Cus D'Amato - the book is about him. The legend whose triumph is absolute, and requires no unnecessary comment and third-party consent. Here is a complete guide to the skill and tools needed to get a fundamental insight of D'Amato's system, psychology and philosophy. This book will be

useful for anybody who is striving for self-perfection and seeking an effective lifestyle methodology of a champion, not only in boxing. Cus D'Amato didn't become phenomenal at birth. He used to say that a human being is not born as the finest, but he becomes truly outstanding through persistent and heavy work! This book is the crowning jewel of Oleg Maltsev's 20 years of research, a shining piece of collaboration created in New York together with a disciple of the legendary Cus: Tom Patti.

Raised By The Hood Ashley Theophane, 2020-09 Having trained with some of the world's greatest fighters in the toughest gyms from London to Brooklyn, Ashley has forged an enviable reputation for carving his own path in the sport - managing himself in the nascent years of his professional career, whilst fighting across the globe to build his impressive boxing credentials. Born and raised in a tough area of London, where negativity thrived, Ashley knew he was destined for something greater than what the habitats accepted as their fate. The negativity around Ashley motivated him to achieve success and he focused on the positive around him. He has never looked back. With no money behind him and little support back in the UK, he set off to New York aged 22 to fight in the small halls across the world; training relentlessly, sparring with the very best, learning the art of winning and beginning the long road back to Wembley and his recent British title fight victory against Lenny Daws, followed by a stunning title defence against former European champion Jason Cook. From the humblest of origins and the murkiest of backgrounds, it's a rehabilitation that has not gone unnoticed in the boxing world and across the wider media. For some he remains a mysterious and softly spoken 'outsider' who has let his talent do the talking, for others he offers the very best traits that any mentor or role model has to

offer - having 'been there, done that' and with the battle scars, confidence and humility to prove it. It's a journey that has propelled Ashley Theophane into a genuine world title contender and the boxing elite; a fighter who understands and exemplifies the art, tactics and reading of the sport as much as the critical physical conditioning

Don't Tell Me I Can't Larry Holmes,2020-09-11 Larry Holmes is a boxing legend and often ranked by boxing historians as one of the best fighters to ever lace up the gloves. He held the heavyweight title for nearly eight years during what many fans and scribes consider the Golden Era of the sport. He fought his way to the pinnacle of success despite (and because of) unscrupulous promoters, crooked officials, naysayers, and the shark-infested waters of boxing's movers and shakers. But he kept on winning. This is his story. Unfiltered and raw. It's told with the help of business associates, competitors, broadcasters, friends, and family. This is Larry Holmes's tell-all view of his career and the boxing world. His observations, opinions, and insights bring you into the ring for his most noted fights (Norton, Ali, Cooney, Shavers, and Tyson) and shares with the reader what he thinks and how he feels. This book is a must-have for boxing fans.

Glove Affair Randy Gordon,2019-04-12 Randy Gordon has spent over 40 years in the world of professional boxing, as a broadcaster, ring announcer, New York State's athletic commissioner, editor of TheRing magazine, and host of SiriusXM Radio's At the Fights. No one else has ever seen the sport from so many different angles and from such lofty seats.

In *Glove Affair: My Lifelong Journey in the World of Professional Boxing*, Gordon recounts never-before-heard stories of the boxing industry and offers insights into some of its most famous figures, including Hall-of-Famers Bert Sugar, Alexis Arguello, Bob Arum, and Mike Tyson. With the perspective only an insider can offer, Gordon also reflects on his times with Muhammad Ali—including the champ’s mind-dazzling magic tricks and his thoughts on the “Thrilla’ in Manila”—and provides a glimpse into the boxing commissioner’s office with stories of a wild and fiery hearing and a commission employee’s betrayal of the agency. From his days as a wheelchair bound, severely injured boy in 1959 to the most-widely-listened-to boxing talk show host on the radio, Gordon recalls his life story with passion, humor, and love. More than just another book on the Sweet Science, *Glove Affair* is a journey through the world of boxing through the eyes of a man who has seen it all.
