The Morning of Your Wedding Gretchen Maurer,2008-06-19 Why an entire book dedicated to the

morning of the wedding? Because every bride has one and no one has written about it! Why? Because, no other vendor is present that early in the morning to tell you! This is not a hair and make-up book, it is about what I, as the hair and make-up artist, have witnessed at hundreds of wedding mornings at various locations over 25 years! Wedding mornings are as varied as the bride. Some brides are getting married at home, some wedding mornings occur at a hotels, resorts or quaint Inns. But keep this in mind; each location and every wedding morning of has its own set of challenges. Sure, I could control hair and make-up services, but many other situations were simply out of my control in creating a great morning of experience. Time management, food issues, guest mishaps, bridesmaid meltdowns, dressing dilemmas, pet interruptions, relational dismay, fostered this very needed and exclusive book, *The Morning Of Your Wedding*. I thought, why are so many mornings, so chaotic? As I researched to see what has been written about the morning of, most books only dedicated a small insignificant paragraph if they mentioned that time period at all! Depending on the time the wedding begins and how many are involved, that morning of is anywhere from two to seven hours long! Allow me to share. Allow me to educate, so you can make some important decisions for your wedding morning of! Have a beautiful and joyful wedding day!

Along with tips and checklists for every aspect of the wedding, including the ceremony, the reception, fashion and beauty, and the honeymoon plans, each section of this book suggests dozens of possible queries, with space for writing the answers. For example, at the reception site, inquire, "How do overtime charges work?" and when interviewing musicians, the bride should find out whether they will play requests or require breaks. Complete with worksheets for comparing services and costs, as well as pockets to hold papers and business cards, this is the essential planner for every bride.

Framing the Bride Bonnie Adrian, 2003-12-08 Do not be misled by the title of this book. It is a study of Taiwan's bridal industry but it is also a fine ethnography of marriage in contemporary urban Taipei. With great subtlety, Bonnie Adrian shows us how much marriage in Taiwan has changed and how many of the old ways it has retained. She does so with wit and humor.—Margery Wolf, author of *A Thrice-Told Tale: Feminism, Postmodernism, and Ethnographic Responsibility Faced with the puzzle of the ubiquitous bridal photography in Taipei*, Bonnie Adrian has produced a model ethnography of media-saturated contemporary life. Ethnographically adventurous, analytically

smart, and warmly human, this book cleverly unpacks the ways women's canny choices in Taiwan are forged at the intersection of everyday worlds of inter-generational tension, fantasies fed by a keenly competitive local culture industry, and global imagery tied to the transnational beauty industry. Unlike many who work on globalization, Adrian has not lost sight of the ways that gender and family are still at the heart of people's social worlds and women are not victims.—Lila Abu-Lughod, author of *Veiled Sentiments* and *Writing Women's Worlds*

The Bride Plan Kasey Michaels, 2012-07-01 As proprietor of the Second-Chance Bridal salon, Chessie Burton couldn't exactly avoid thinking about weddings. But her good friends' quest to find her a man had her running for cover. Her safe haven used to be her store, until renovator Jace Edwards and his hammer, nails and very naked chest invaded her space. Soon Jace found himself wanting to be the only man in Chessie's life but he'd walked down the aisle once before and vowed never to do so again. So how could he keep things light with a woman whose business was marriage? Especially once her friends dubbed him the perfect groom-to-be!
