**The Cannabible** Jason King,2011-04-13 A unique reference guide to the finest marijuana. Astounded by the lack of books dedicated to the wondrous variety of his favorite plant, author Jason King set out on a four-year mission to document the world's finest cannabis. Traveling around North America, Hawaii, and Europe, he captured over 1,500 strains on film (benevolently sampling a good number as well). Here in THE CANNABIBLE, images of the best 200 varieties are included alongside engaging and informative descriptions of their aromas, flavors, effects, and origins. Study this holy writ and figure out whether Purple Haze, Magic Kush, and the P is da kine or da shwag; learn which strains will give you the munchies or the wobbles; discover how appropriately named are Doc Kevorkian, Black Widow, and Cat Piss; and find out which strains are good for productivity, creativity, or just sitting on the couch, staring into space. With over 400 mind-blowing, full-color photographs of the world's most beautiful nugs, this book will have you on the floor, bowing to the mighty bud-dha.

King heralds the latest achievements in overseas breeding, recommends the best bud for winding down after a stressful day, and discovers a nug that tastes uncannily like tropical Lifesavers candy. Packed with enough mouth-watering photos to induce a contact high, CANNABIBLE 3 is the perfect gift for pot aficionados and a must-have for fans of the first two volumes.

**The Cannabible 2** Jason King,2011-07-13 He's baaaack! Featuring more than 200 carefully chosen cannabis strains, as well as his signature photomicrography, THE CANNABIBLE 2 is gloriously visual and entertaining and takes the experience of referencing buds and plants to a whole new level. Find out which strain Jason considers to be the Holy Grail, which buds will give a major jolt to the creativity circuit, and the high that's most likely to cause a change in your plans for the day. In glorious spreads and sidebars, King also delves into such intriguing subjects as the marijuana-chocolate connection, the tolerance factor, the medical marijuana movement, and much more. A testament to his dedication to documenting the finest marijuana, THE CANNABIBLE 2 is a book you'll return to again and again. *The King of Nepal* Joseph R. Pietri,2010-03-01 From the halcyon days of easily accessible drugs to years of government intervention and a surging black market, this tale chronicles a former drug smuggler's 50-year career in the drug trade, its evolution into a multibillion-dollar business, and the characters he met along the way. The journey begins with the infamous Hippie Hash trail that led from London and Amsterdam overland to Nepal where, prior to the early1970s, hashish was legal and smoked freely in Nepal, India, Afghanistan, and Laos; marijuana and opium were sold openly in Hindu temples in India and much of Asia; and cannabis was widely cultivated in Nepal and Afghanistan for use in food, medicine, and cloth. In documenting the stark contrasts of the ensuing years, the narrative examines the impact of the financial incentives awarded by international institutions such as the U.S. government to outlaw the cultivation of cannabis in Nepal and Afghanistan and to make hashish and opium illegal in Turkey—the demise of the U.S. “good old boy” dope network, the eruption of a violent criminal society, and the birth of a global black market for hard drugs—as well as the schemes smugglers employed to get around customs agents and various regulations.

Justin has big plans to expand his network of drug smugglers and pushers, and to strike out on his own. This time, and with the help of a few cousins and several other bad actors, he might be successful if he can control his rag-tag group and manage his own enthusiasm.
