Global Sports ,

Global Sports Frank P. Jozsa, 2009 This interesting book discusses the emergence and development of five extremely popular team sports OCo baseball, basketball, football-soccer, ice hockey and cricket OCo since the 1800s in 15 different countries. It addresses some of the most provocative, recent and unique economic and business issues associated with team sports in the various nations. For example, to what extent has each of these spectator sports prospered as industries, and will they expand into other regions of the world during the early to mid-2000s? This book answers these questions, and compares the performances of each country's amateur, semiprofessional and/or professional sports leagues and their respective teams by providing detailed statistics and other relevant historical information.

Chemistry Weike Wang, 2017-05-23 Winner of the PEN/Hemingway Award A Washington Post Notable Book One of the Best Books of the Year: NPR, Entertainment Weekly, Ann Patchett on PBS NewsHour, Minnesota Public Radio, PopSugar, Maris Kreizman, The Morning News Winner of Ploughshares' John C. Zacharis Award Winner of a Whiting Award A Belletrist Amuse Book At first glance, the quirky, overworked narrator of Weike Wang's debut novel seems to be on the cusp of a perfect life: she is studying for a prestigious PhD in chemistry that will make her Chinese parents proud (or at least

satisfied), and her successful, supportive boyfriend has just proposed to her. But instead of feeling hopeful, she is wracked with ambivalence: the long, demanding hours at the lab have created an exquisite pressure cooker, and she doesn't know how to answer the marriage question. When it all becomes too much and her life plan veers off course, she finds herself on a new path of discoveries about everything she thought she knew. Smart, moving, and always funny, this unique coming-of-age story is certain to evoke a winning reaction.

Sports Club Barbara Bourassa, 2012 Whether you're captain of your team or looking for the perfect sport for you, Sports Club will tell you everything you need to know! Ball sports, ball and stick sports, winter sports, and extreme sports are all included.

Massacre at Wekidiba Habtu Ghebre-Ab, 2013 The war of independence in Eritrea and revolution in Ethiopia characterized life for much of the thirty years between 1961 and 1991. While the horrific period known as the Red Terror throughout Ethiopia under the regime of Col. Mengistu Haile Mariam has been relatively well documented, the atrocities and massacres that took place in Eritrea have not fared as well. Since the present leaders of Eritrea have remained preoccupied with maintaining their own political power at the expense of all else, the idea of giving priority to documenting the horrific massacres does not seem to grab hold of their imagination. Under the veil of secrecy and away from the international media glare, massacres of immense scale were perpetrated against civilians in Eritrea during the entire period of the war of independence (Adi brehem, Ona, Geleb, Omhager, Wekidiba, Hergigo, She Eb...etc). Since the mass killings have touched the author's own extended families and families of so many friends

throughout the 1970s and 80s, the tragedy was never too far from his mind. Armed with his personal familiarity of some of the massacres against the Eritrean people, Prof. Ghebre-Ab took a sabbatical leave in 2001-2002 to launch the herculean task of documenting these massacres. Although he was forced to suspend the larger project of documentation a couple of years later due to his outspoken criticism of the ruling regime, he continued the work on the massacre that took place in the village of Wekidiba in 1975 and again in 1976. He did so because he had a promise to fulfill. As the gruesome mass-killing took place in the village of Wekidiba on the weekend of January 31-February 1, 1975, the New York Times had only this to report: the Ethiopian Second Division began an attack about 8:30 A.M. [Saturday] against a village three miles from Asmara where guerillas may be hiding. That was all. The name of the village was not even mentioned, much less the victims. In the field research Prof. Ghebre-Ab conducted for this project, he interviewed nearly four dozen survivors and eye-witnesses in three continents over a period of six years to try to piece together the story of what happened to the residents of this village, lest the victims remain anonymous. This book is not meant to fuel animosity. The peoples of Ethiopia and Eritrea, despite their political separation, are kith and kin, sharing common history and culture. They have also both suffered under tyrannical rules. And as both peoples now work for future peace and harmony, the only successful path forward is not to gloss over the dark past, but to build on a solid foundation of transparency and understanding. Massacre at Wekidiba is but only a beginning step at such a necessary dialogue--Page 4 of cover.

Understanding Social Media ,

Ball Four Jim Bouton, 2012-03-20 The 50th Anniversary edition of “the book that changed baseball” (NPR), chosen by Time magazine as one of the “100 Greatest Non-Fiction” books. When *Ball Four* was published in 1970, it created a firestorm. Bouton was called a Judas, a Benedict Arnold, and a “social leper” for having violated the “sanctity of the clubhouse.” Baseball commissioner Bowie Kuhn tried to force Bouton to sign a statement saying the book wasn’t true. Ballplayers, most of whom hadn’t read it, denounced the book. It was even banned by a few libraries. Almost everyone else, however, loved *Ball Four*. Fans liked discovering that athletes were real people—often wildly funny people. David Halberstam, who won a Pulitzer for his reporting on Vietnam, wrote a piece in *Harper’s* that said of Bouton: “He has written . . . a book deep in the American vein, so deep in fact that it is by no means a sports book.” Today *Ball Four* has

taken on another role—as a time capsule of life in the sixties. “It is not just a diary of Bouton’s 1969 season with the Seattle Pilots and Houston Astros,” says sportswriter Jim Caple. “It’s a vibrant, funny, telling history of an era that seems even further away than four decades. To call it simply a ‘tell all book’ is like describing *The Grapes of Wrath* as a book about harvesting peaches in California.” Includes a new foreword by Jim Bouton’s wife, Paula Kurman “An irreverent, best-selling book that angered baseball’s hierarchy and changed the way journalists and fans viewed the sports world.” —The Washington Post

Waddle On! Sunbird Books Staff, 2011 This super-silly book of Club Penguin comics is sure to tickle your funny bone! It includes tons of all-new funnies, plus your favourite classic comics from the site!

Dazzle Judith Krantz, 2012-07-01 Blessed with beauty and talent, Jazz Kilkullen is an internationally acclaimed photographer and the owner of DAZZLE, a fashionable studio in Venice Beach, California. Successful and sexy, she is pursued by three exciting yet vastly different men, who have one thing in common, a passion for Jazz. But Jazz has enemies and, when her father dies suddenly on his vast estate in Orange County, she discovers a family plot to sell the land to developers who are determined to exploit its fabulous wealth. Jazz realizes that she must fight with guts and determination to safeguard her heritage and to secure her future happiness.

The Poisonwood Bible Barbara Kingsolver, 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah’s Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin

and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review

The Poisonwood Bible, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.
