Scott C. Dulebohn

Leavenworth Rose Kinney-Holck,2011 Leavenworth, located in the central Cascades of Washington state, was once known as Icicle, and has been home to Native Americans, settlers, miners, railroad workers, and loggers. The native tribes came to this pristine and bountiful area to hunt game and fish for salmon. The promise of gold brought miners to Leavenworth, and once the Great Northern Railroad laid down its tracks in the late 1800s, the town moved from Icicle to its present location. The Lamb-Davis Lumber Company also built a sawmill in town, but when the railroad relocated its tracks and moved its hub to Wenatchee, the sawmill closed in 1926. The little boomtown in the Cascades went bust, but it was reinvented by its residents in the early 1960s with a Bavarian theme. The Bavarian premise of Leavenworth is still intact, and today the city draws around 2.5 million visitors annually.

Nowhere Home Joe Beernink,2017-11-15 After surviving kidnapping and injuries in the Manitoba wild, seventeen-year-old Jake and fifteen-year-old Izzy finally return home to the town of Thompson. They're greeted as heroes by their friends and loved ones, but Jake and Izzy's hometown has changed and is now deeply divided. Mistrust is everywhere, and a group from one side of Thompson-including Parnell, the de facto leader, and Boyd, an angry teen-grow increasingly hostile to their neighbors. Despite Thompson's strife, Jake is on a mission to find his missing father. But in a world growing more dangerous, a native like Jake must search carefully to avoid being caught up in the tensions swirling around town. Meanwhile, Izzy uncovers a terrifying plot and must warn Jake before it's too late. Filled with gripping action, Joe Beernink's sequel to Nowhere Wild leads to a dramatic confrontation between two groups brutally divided by hatred and fear. In the end, only Izzy can keep Thompson from destroying itself altogether.

Nowhere Wild Joe Beernink,2015-08-25 A dark and riveting survival story set against a rugged northern landscape . . . Izzy is just thirteen when a flu pandemic turns the world upside down. After her sister is attacked by a roving gang of looters in what remains of their town, Izzy flees to the wilderness with a man who claims he will protect her. Sixteen-year-old Jake is stranded and alone in the unforgiving northern Manitoba backcountry. His mother and grandfather have died and his father has gone missing while searching for help. Desperate to find a way home, Jake begins a trek over some of the most forbidding landscape in the country. Both Jake and Izzy are forced to make decisions and take on responsibilities they could never have imagined. They must draw on every shred of resourcefulness and courage as they try to save themselves and, ultimately, each other. Praise for NOWHERE WILD “A gripping story of survival and self-discovery, Nowhere Wild is a contemporary adventure novel that reads like a classic.” —National Book Award Finalist Deb Caletti, author of Stay
