The Secret Premier League Diary Gareth Bennett,David Collins,Jason Perry,2014-09-01 Well, how was it for you? This was Cardiff City's first season in the top flight for more than fifty years, and we kept a diary every step of the way, recording all the highs and lows. We enjoyed victory over the champions, success in the first ever All Wales Premier League derby, and visits to the finest stadiums in the country. But there were oh so many off-the-field misadventures, weren't there? We were led by a chairman who looked like a Bond villain, running a club torn apart by Red v. Blue. We spent more time on the front pages than the back pages as CCFC became Car Crash Football Club. And we wrote it all down. This is our version of a crazy season.

The Soccer Diaries Michael J. Agovino,2014-06-01 Although soccer had long been the world's game when Michael J. Agovino first encountered it in 1982, here it was just a poor cousin to American football, to be found on obscure UHF channels and in foreign magazines. But as Agovino himself passionately pursued soccer, Americans got wise and turned it into one of the most popular sports in the country. Agovino's love affair with soccer is a portrait of the game's culture and an intimate history of the sport's coming of age in the United States. Agovino's quest takes him from the unkempt field in the Bronx where he taught himself to play to some of the sport's most storied venues and historic matches. With Agovino we travel from school fields to Giants Stadium, then from England to Germany, Italy, and Spain, along the way taking in the final days of the North American Soccer League, the 1994 World Cup, and the birth of Major League Soccer. Offering the perspective of fan, player, and journalist, Agovino chronicles his obsession with the sport and its phenomenal evolution.
