Who Wet My Pants? Bob Shea,2019-09-17 In this hilarious tale of blame, compassion, and forgiveness, a very embarrassed bear is reminded that accidents can happen--but with the support of good friends, life goes on. Reuben the bear's got donuts for everyone in his scout troop, but his friends are all staring at something else: there's a wet spot on Reuben's pants, and it's in a specific area. **WHO WET MY PANTS?** he shouts, and a blame game starts. His buddies try to reassure him there was no crime. Just an accident. It could happen to anyone! But as all the clues begin to point in Reuben's own direction as the culprit, Reuben must come to terms with the truth. **Who Wet My Pants?** isn't a potty-training book. It's a witty and wise story about embarrassment and anger, empathy and acceptance, and ultimately...forgiveness.

Luckiest Girl Alive Jessica Knoll,2015-09-08 In a riveting debut novel that reads like Prep meets Gone Girl, a young woman is

determined to create the perfect life--husband, home, and career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at The Women's Magazine, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, Luckiest Girl Alive reads like Sex & the City--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In Ani FaNelli, Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last page--

Wet, Wet Brooklyn Niquell, 2015-02-13 When four sexy friends make a bet that could change their life during spring break, nothing

about them will ever be the same. Each girl finds herself around new people and places that they never envisioned. Their once tightly knit clique, starts being ripped at the seams. Of course, when betting is involved, best friends can soon become enemies. When these friends land places they may never escape from or live to tell about, they discover their bet that was fun and games will become one that they will learn to despise.

Wet Brown Bread Sha-Shana Reid, 2009-01-26 This journey is based on a girl who finds out that her life is the product of a brutal rape. With time, Sad discovers more and more about herself and the people around her, the connections between them and their place in her past. She is emotionally detached from herself and allows her father to invade the most delicate parts of her. With life in an orphanage as her only foundation, Sad finds it difficult to stray away from unhealthy ways of living and all that provides her with constancy. So, she makes decisions that best fit her survival needs.

The 5th Academy (One Fantasy Direction) Kira Tigris, Кира Тигрис, The 5th Academy: There is the simple story about magic, friendship, love, adventures of mortals and immortals. One hidden magic word, five powerful mystic families or clans, one magic Academy of the five nature elements, three strong heroes and lots of orcs, elves, centaurs... and yes! Demons, jinnees and sorcerers! There are lots of stories about love on the Earth, but each time there is something new to be added. I for one am not going to add another

spiraling plot line. Now, let's take an immortal story like Romeo and Juliette, change their names and put the main characters in the present time. Let's make their two families, who hate each other, not only powerful and rich, but also immortal and magic. Then send our young lovers to an Academy, but not a common, usual University for mortal students, it should be something dangerous, magical and complicated. Something between death and life. And there, finally, let's test their love with jealousy, danger, distance, fire, and water. Maybe -why not- death... Let's watch, how their feelings for one another grow stronger and become insatiable... The book's recipe: 35% MAGIC SCHOOL 30% TEENAGE LOVE 25% CUNNING VILLAIN 10% PLOTS and DANGER The author of this little story is a BIG FAN of Hunger Games by Susan Collins, The Ender's game by Orson Scott Card, "Divergent" by Veronica Roth and, of course, "Harry Potter" by J. K. Rowling. But the books of Kira Tigris are nothing like them! fantasy, magic, future, fiction, dystopia, yang adults, adventures, action #teen-love #sprite #teen-fic #young #greekgods #teen-fiction #teen #typical #teenfiction
