**WHACK'd** Diane Bakos,2021-06-15 How can one innocent little question turn an entire holiday on its head? It's Christmas chaos, when Elf Will takes over Santa's Toy Shop, and children all over the world wake up to fireworks and frenzy. This is the year that Christmas gets WHACK'd!

**Free Style** Linda Nieves-Powell,2008-03-18 I realized that no matter how much I wanted the past to remain intact, what was would never be again. We all got older. We all moved on. And maybe things were supposed to change... Funny, intelligent, and, above all, relevant, Free Style is an inspiring novel about two thirtysomething married moms -- one who is separated and the other whose marriage is hanging on by a thread. They decide to escape their to-do lists to revisit their past at Club 90, a nightclub they frequented in the early nineties. There they meet up with old friends and lost loves and dance their troubles away to Lisa Lisa and C&C Music Factory. But when they're hit with a shocking dose of reality, they must decide whether to stay in the past or move on. More than just a fun read, Free Style explores serious issues that women grapple with all the time -- keeping romantic relationships alive, dealing with unexpected illness, single motherhood, and the need to come to terms with the past.

**Are You Grumpy Santa? Are You** Gregg Spiridellis,Evan Spiridellis,2001-01-01 What children might not know is that sometimes even Santa Claus has a bad day. In this hysterical Christmas misadventure, Santa discovers what it's like to feel more naughty than nice! The alarm rings on Christmas morning and Santa stubs his toe, the elves shrink his suit, Mrs. Claus puts him on a diet, and Rudolph's nose burns out mid-cloud. The final straw? It's the last house of the night, and Santa's once jolly belly gets him stuck in a chimney. When he finally breaks free, he's just about ready to throw in the towel and retire for good. But then Santa discovers a very special gift waiting for him that makes his grumpiness melt away as he remembers what Christmas is all about: the gift of love. A brilliantly funny debut picture book by an enormously talented young writing and illustrating team.

**Studmuffin Santa** Tawna Fenske,2016-11-27 Ugh, Christmas. Not a fan. So why am I wearing a Santa suit and letting frisky moms paw me at a reindeer ranch? It might have something to do with the family crisis that drew me home between tours as a career Marine. Or maybe it's my urge to cozy up with the prickly reindeer rancher whose curves give me visions of something way hotter than sugarplums. Jade King isn't thrilled I'm here, and she'd be less thrilled to know her sister hired me to keep an eye on things. Someone's set on sabotaging the ranch, so I've got a built-in excuse to get close to Jade. I could swear the attraction's mutual, but something's holding her back. Some secret in her past that has her pushing me away like a bad batch of eggnog. It's almost as baffling as all these accidents at the King sisters' place. Seriously, who'd screw with a reindeer ranch? Between sexy Santa suit malfunctions and risqué Christmas cookies, Jade and I keep ending up under the mistletoe together. Is there any chance we can mesh our Christmas wish lists, or will it all crash down like a fat man in an iron sleigh?

**You Give Good Love** J.J. Murray,2015-02-12 It's been eight years since Hope Warren had her heart broken on Christmas Eve, but she still detests the holiday, and celebrations in general. Wasting her time, and her art degree, at a job she clearly hates, the only thing she's longing for is a dream home way out of reach. So when outgoing Irishman Dylan Healy keeps getting in her face, she's sure there's a catch. He's kind, charismatic—and challenging her idle creativity. It may be her least favorite time of year, but suddenly she's willing to try everything and anything—especially Dylan himself. Dylan has enough on his plate between launching his online greeting card company at the height of the season and starting an art-themed daycare center. But he can't resist teasing Hope out of her holiday cynicism, turning her ideas into crazy profits—or wanting more of the vibrant, sensual woman she truly is. And with the days counting down to Christmas Eve, he's willing to put everything on the line to convince her that what they have is the gift of a lifetime...

**The Santa Killer** Ross Greenwood,2022-09-12 The Santa Killer is coming to town... One night less than two weeks before Christmas, a single mother is violently assaulted. It's a brutal crime at the time of year when there should be goodwill to all. When DI Barton begins his investigation, he's surprised to find the victim is a woman with nothing to hide and no reason for anyone to hurt her. A few days later, the mother of the woman attacked rings the police station. Her granddaughter has drawn a shocking picture. It seems she was looking out of the window when her mother was attacked. And when her grandmother asks the young girl who the person with the weapon is, she whispers two words. Bad Santa. The rumours start spreading, and none of the city's women feel safe - which one of them will be next? He's got a list. It's quite precise. It won't matter even if you're nice. Ross Greenwood is back with his bestselling series, perfect for fans of Mark Billingham and Ian Rankin. Praise for Ross Greenwood: 'Ross Greenwood is at the top of his game.' Owen Mullen 'Move over Rebus and Morse; a new entry has joined the list of great crime investigators in the form of Detective Inspector John Barton. A rich cast of characters and an explosive plot kept me turning the pages until the final dramatic twist.' author Richard Burke 'Master of the psychological thriller genre Ross Greenwood once again proves his talent for creating engrossing and gritty novels that draw you right in and won't let go until you've reached the shocking ending.' Caroline Vincent at Bitsaboutbooks blog 'Ross Greenwood doesn't write clichés. What he has written here is a fast-paced, action-filled puzzle with believable characters that's spiced with a lot of humour.' author Kath Middleton

**Nilsson** Alyn Shipton,2013-06-19 Paul McCartney and John Lennon described him as the Beatles' favorite group, he won Grammy awards, wrote and recorded hit songs, and yet no figure in popular music is as much of a paradox, or as underrated, as Harry Nilsson. In this first ever full-length biography, Alyn Shipton traces Nilsson's life from his Brooklyn childhood to his Los Angeles adolescence and his gradual emergence as a uniquely talented singer-songwriter. With interviews from friends, family, and associates, and material drawn from an unfinished autobiography, Shipton probes beneath the enigma to discover the real Harry Nilsson. A major celebrity at a time when huge concerts and festivals were becoming the norm, Nilsson shunned live performance. His venue was the studio, his stage the dubbing booth, his greatest triumphs masterful examples of studio craft. He was a gifted composer of songs for a wide variety of performers, including the Ronettes, the Yardbirds, and the Monkees, yet Nilsson's own biggest hits were almost all written by other songwriters. He won two Grammy awards, in 1969 for Everybody's Talkin' (the theme song for Midnight Cowboy), and in 1972 for Without You, had two top ten singles, numerous album successes, and wrote a number of songs--Coconut and Jump into the Fire, to name just two--that still sound remarkably fresh and original today. He was once described by his producer Richard Perry as the finest white male singer on the planet, but near the end of his life, Nilsson's career was marked by voice-damaging substance abuse and the infamous deaths of both Keith Moon and Mama Cass in his London flat. Drawing on exclusive access to Nilsson's papers, Alyn Shipton's biography offers readers an intimate portrait of a man who has seemed both famous and unknowable--until now.

**When Force Meets Fate** Jamison Hill,2021-01-26 The gripping prose in this memoir describes a young man, whose life deteriorates from a healthy fitness trainer to the sudden depths of being sick and bedridden with a mysterious illness for years. Jamison’s dedication to life, however fragile, and advocacy, however impossible, have brought out this incredible story of survival. —Stephanie Land, New York Times bestselling author of Maid: Hard Work, Low Pay, and a Mother's Will to Survive At age twenty-two, Jamison Hill was a fitness instructor and competitive bodybuilder who could lift more than four hundred pounds. Five years later, after surviving a tragic car accident that killed the other driver, a rare disease left Jamison bedridden and too weak to hold a water glass. He spent every day lying motionless in bed, his body paralyzed by pain and weakness, his mind hijacked by flashes of crunched metal, broken windshields, and exploding gas tanks. After months of being too sick to express himself, Jamison’s health began to improve along with his ability to tell his story. When Force Meets Fate is an unflinching exploration of the human condition, notably how our limitations and strengths shape our identities and how unexpected events can inevitably alter those perceptions. It’s a story of perseverance—of sheer will and unrelenting fight—but also of overcoming life’s toughest challenges through the power of vulnerability, and how freeing it can be to surrender to the unpredictability of circumstances out of our control.
