The Evidence (Missions with Miss Bee, #1) Elle Bee,2014-05-30 Raised practically by himself, ten year old Charlie would like nothing more than to be left alone. Unfortunately, he is a magnet for attention, particularly of the negative degree. Bullying. Blame. Teacher disapproval. For the majority of his life, Charlie has been able to take the attention in a grin and bear it sort of way... But what is life, without change? Now, he has attracted the attention of a talking bumblebee! This bumblebee, Miss Bee, takes him on little field trips EVERY TUESDAY. But it doesn't stop there, this time she has whisked him off to Thailand and the trip did not go as planned... Join Charlie as he travels to a different country and is presented with questions adults still ponder. What IS Christianity? What does it have to do with the way you live your life? Is it real? Or is it a fabrication? AND.... Where is the evidence?

Taking Care of Miss Bee Bee Cheryl Edwards-Cannon,2017-09-18 Cheryl Edwards-Cannons mother was diagnosed with early-onset dementia in 1995 at a time when there was little information available to help her navigate the journey. It was up to Cheryl to find out what she could about how this disease would affect her mother and the rest of the family dynamics. Over time, she became the daughter extraordinaire, who made the whole caregiver role look marvelously simple. Revealed in a series of heartwarming, real-life vignettes, Cheryls story is designed to help the reader cope with their own challenges in taking care of someone who no longer can do it for herself. From dressing to travelling to shopping, Cheryl learns how to see the world through the eyes of her mother. In a charming, witty fashion, she describes exactly what you as a caregiver need to learn to do and how to keep yourself from either going insane or perhaps going to jail. Fueled by her caregiving experiences and spiritual beliefs, the author was inspired to develop a resource for families encountering elder-care challenges called Clear Path Choices, which provides one-on-one consulting as well as a six-week learning experience designed to help families make decisions for their own lives and for those entrusted to their care.
