What Is Man? And Other Essays Mark Twain,2020-05-10 Do you want to read What is Man? If so then keep reading... In What is Man? Mark Twain raises numerous thought-provoking questions about mankind and the way the mind works. With his usual wit, Twain has created a beautiful dialogue that in many ways can be compared to that in Plato's The Republic. In this book, Twain's knack for explaining reality without any of its grand notions is on full display. Though short enough to be read in one sitting, it perceptively reveals why people act as they do. Readers will feel that they are engaged in a modern lecture between a seasoned philosophy professor and his most accomplished student. Through the dialogue, you get a sense that this piece of writing is the epitome of Samuel Clemens's look on life, although debatable. Regardless of how you feel at the end of the essay, if read carefully, you will at least question your own daily motives and perhaps everyone else's that has come before you. WHAT IS MAN? AND OTHER ESSAYS - Mark Twain

,2020-06-25 What Is Man? is a short story by American writer Mark Twain, published in 1906. It is a dialogue between a Young Man and an Old Man regarding the nature of man. This was Twain's most serious, philosophical and private book. He kept it locked in his desk, considered it to be his Bible, and spoke of it as such to friends when he read them passages. He had written it, rewritten it, was finally satisfied with it, but still chose not to release it until after his death. It appears in the form of a dialogue between an old

man and a young man who discuss who and what mankind really is and provides a new and different way of looking at who we are and the way we live. Anyone who thinks Twain was not a brilliant philosopher should read this book. We consider ourselves as free and autonomous people, yet this book puts forth the ideas that 1) We are nothing more than machines and originate nothing - not even a single thought; 2) All conduct arises from one motive - self-satisfaction; 3) Our temperament is completely permanent and unchangeable; and 4) Man is of course a product of heredity, and our future, being fixed, is irrevocable -- which makes life completely predetermined

In Favor of the Sensitive Man Anaïs Nin, 2012-11-09 Essays, lectures, and interviews—on everything from gender relations to Ingmar Bergman to adventure travel—from the renowned diarist. In this collection, the author known for “one of the most remarkable diaries in the history of letters” shares her unique perceptions of people, places, and the arts (Los Angeles Times). In the opening group of essays, “Women and Men,” Anaïs Nin provides the kind of sensitive insights into the feminine psyche and relations between the sexes that are a hallmark of her work. In “Writing, Music, and Films,” she speaks as an artist and critic—in book and film reviews, an essay on the composer Edgard Varèse, a lecture on Ingmar Bergman, and the story of her printing press. In the final section, “Enchanted Places,” Nin records her travels to such destinations as Fez and Agadir in Morocco, Bali, the New Hebrides, and New Caledonia—and she concludes with a charming vignette titled “My Turkish Grandmother.”

Twain, 2016-12-04 *What Is Man?*, published by Mark Twain in 1906, is a dialogue between a Young Man and an Old Man regarding the nature of man. The title refers to Psalm 8:4, which begins what is man, that you are mindful of him....It involves ideas of determinism and free will, as well as of psychological egoism. The Old Man asserts that the human being is merely a machine, and nothing more, driven by the singular purpose to satisfy his own desires and achieve peace of mind. The Young Man objects, and asks him to go into particulars and furnish his reasons for his position. The work appears to be a genuine and earnest debate of his opinions about human nature, rather than satirical. Twain held views similar to that of the Old Man prior to writing *What is Man?*. However, he seems to have varied in his opinions of human freedom. It was published anonymously in 1906 and received such little attention Twain claimed to have regretted its publication. After his death in 1910, the New-York Tribune published a feature on it. Criticism at that time focused on its dark and antireligious nature. Isaac Asimov apparently had in mind this story when he wrote ... That Thou Art Mindful of Him, since Asimov's title is from the same Bible verse, and two of Asimov's robots debate the same subject.

Men Explain Things to Me Rebecca Solnit, 2014-04-14 The National Book Critics Circle Award-winning author delivers a collection of essays that serve as the perfect “antidote to mansplaining” (The Stranger). In her comic, scathing essay “Men Explain Things to Me,” Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don’t, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note— because the ultimate problem is the silencing of women who have something to say, including those saying things like, “He’s trying to kill me!” This book features that now-classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf’s embrace of mystery, of not knowing, of doubt and ambiguity, a highly original inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. “In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized.” —The New York Times “Essential feminist reading.” —The New Republic “This slim book hums with power and wit.” —Boston Globe “Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society.” —San Francisco Chronicle “Essential.” —Marketplace “Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions.” —Salon

Young Man had been conversing. The Old Man had asserted that the human being is merely a machine, and nothing more. The Young Man objected, and asked him to go into particulars and furnish his reasons for his position. Old Man. What are the materials of which a steam-engine is made?

What Is Man? Mark Twain, 2021-02-15 Old Man. There have been instances of it-you think? Young Man. Instances? Millions of them! O.M. You have not jumped to conclusions? You have examined them-critically? Y.M. They don't need it: the acts themselves reveal the golden impulse back of them. O.M. For instance? Y.M. Well, then, for instance. Take the case in the book here. The man lives three miles up-town. It is bitter cold, snowing hard, midnight. He is about to enter the horse-car when a gray and ragged old woman, a touching picture of misery, puts out her lean hand and begs for rescue from hunger and death. The man finds that he has a quarter in his pocket, but he does not hesitate: he gives it her and trudges home through the storm. There-it is noble, it is beautiful; its grace is marred by no fleck or blemish or suggestion of self-interest. O.M. What makes you think that? Y.M. Pray what else could I think? Do you imagine that there is some other way of looking at it? O.M. Can you put yourself in the man's place and tell me what he felt and what he thought? Y.M. Easily. The sight of that suffering old face pierced his generous heart with a sharp pain. He could not bear it. He could endure the three-mile walk in the storm, but he could not endure the tortures his conscience would suffer if he turned his back and left that poor old creature to perish. He would not have been able to sleep, for thinking of it. O.M. What was his state of mind on his way home? Y.M. It was a state of joy which only the self-sacrificer knows. His heart sang, he was unconscious of the storm. O.M. He felt well? Y.M. One cannot doubt it.
