Laser Spectroscopy VII Theo W. Hänsch,Yuen R. Shen,2013-06-05 The Seventh International Conference on Laser Spectroscopy or SEICOLS'85 was

held at the Maui Surf Hotel, Hawaii, USA, June 24 to 28, 1985. Like its predecessors at Vail, Megeve, Jackson Lake, Rottach-Egern, Jasper Park, and Interlaken, SEICOLS '85 aimed at providing an informal setting for active scientists to meet and discuss recent developments and applications in laser spectroscopy. The Conference site on the sunny sands of famed Kaanapali Beach on the Island of Maui, although perhaps not the traditional mountain resort, offered nonetheless an atmosphere most inspiring to creative discussions during the unscheduled afternoons. The Conference was truly international: 223 scientists represented 19 countries, including Australia, Canada, People's Republic of China, Denmark, Finland, France, Germany (FRG), Great Britain, Israel, Italy, Japan, South Korea, Netherlands, New Zealand, Poland, Spain, Sweden, Switzerland, and U.S.A. The intense scientific program included 14 topical sessions with 59 invited talks. Approximately 60 additional invited papers and 16 postdeadline papers were presented during three lively evening poster sessions. The present Proceedings contain oral as well as poster and postdeadline papers. We thank all authors for the timely preparation of their manuscripts, now available to a wider audience. We would also like to thank the members of the International Steering Committee for their valuable suggestions and advice. Our special thanks go to the members of the Program Committee for their painstaking efforts.

The United States and Russia Gary
Wiener,2017-12-15 After the U.S.S.R. formed, the
United States found itself in a rivalry that has
persisted for nearly a century. Readers are
introduced to the complex history between the

United States and Russia, which, for many years, was a conflict between democracy and communism. However, after the dissolution of the U.S.S.R., the relationship between the two countries remains strained, and readers also explore the reasons for this continued tension. Quotes from powerful leaders of both countries, striking photographs, and thoroughly researched text help readers understand why these two competing nations have maintained a cold relationship for so many years.
