*The Bible Says What!?* Michael Wiseman, 2022-06-29

The Bible is considered to be one of the bestselling books of all time, but what is really in it? What does it actually say? *The Bible Says What!?* is a direct and critical look at the Bible itself, exploring some of the most undefendable stories and ideas within it. In this book, you will encounter harsh criticisms and hard truths, looking deeper into the verses that your local pastors refuse to address from the pulpit. This book is for the Christian who is not afraid to take that arduous journey into their own beliefs and challenge them. This book is for the atheist seeking information to use in their everyday conversations with Christians. It's for the casual reader who is merely curious about what is in the book that Christians follow. This book is for you.

Hey! That's Not What The Bible Says! Bill

Ross, 1999-04-11 *Hey, That's Not What the Bible Says!* That's what Bill heard back from a group of young children when he shared some sketches he had done for children's church. Those drawings were the basis for this unique and very creative look into some of the Bible's most popular stories including the Garden of Eden, Moses and the burning bush, and Jesus' birth. 10 stories in all are told in cartoonish fashion with a familiar group of kids always popping up to remind us... *That's Not What the Bible Says!* The complete stories from the Bible are included along with each story as references for families to spend family time reading together.

**I Don't Care what the Bible Says** Kenneth

Cauthen, 2003 It also warns against exaggerated notions of human freedom that put no limits on what might have been if people had only chosen differently and suggests that the total complex of conditions under which moral agents exercised their powers of choice in the South were such that the course Southern history took was highly probable and to have been expected.--BOOK JACKET.

A.P.C. Cumming uses a scientific and systematic investigation to carefully unveil religious truth in spite of the current factious dogma, equipping young Christians and encouraging churchgoers to seek Balanced Doctrine. After a necessary foundational section the book examines certain important Biblical subjects often misunderstood and causing problems among different denominations. **What the Bible Says** Randy L. Henne, 2020-11-12  
“What the Bible Says” takes the reader beyond the old familiar Bible stories to examine its fundamental messages: What is God like? Why is the world in the mess it’s in? Does God have a solution? What does He want us to do? Why should we care? The Bible is not just a book of ancient stories... it has real meaning and purpose for us today!

*The Living God* R. T. France, 2003-02  
This book is not an academic study of what the church has taught, or what scholars have said, but rather a challenging study of what the Bible itself says about God. In *The Living God*, author R.T. France encourages us to come to grips with the broad sweep of biblical data, showing us that the God of the Bible is neither passive nor far removed from our everyday lives, but rather a dynamic and living reality to be engaged.--

**What the Bible Says About Jesus** Dr. Rick

Langston,2022-11-03 There are eight chapters in *What the Bible Says about Jesus*, starting with the first promise in Genesis 3:15, going through his eternal Kingdom in Revelation. It illustrates that Jesus was more than just a man but is also God. *No More Faking Fine* Esther Fleece Allen,2017-01-10 Scripture reveals a God who meets us where we are, not where we pretend to be. *No More Faking Fine* is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. *No More Faking Fine* is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come

closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.
