Dare to Be Different, Free to Be Yourself Deann

Hummel, 2017-10-28 When you dare to be yourself, the real you will shine and you'll be everything you want to be. If that sounds like a scary proposition, then you may be worried about what others think. But if they don't like it, that's their problem and not yours. By embracing yourself for who you are, you will also accept others as well. It's a matter of trust, faith, hope, and love. When you don't love yourself, you can't give love to someone else. As the Bible says, Do unto others as you would have them do unto you. In other words, love others as you love yourself. If that seems hard, then you'll want this self-affirming guide, which includes insights that will help you be the person you want to be someone who takes responsibility for their actions and who knows God is on their side. Take a candid look at where your life is going, and set it on the right course with the wisdom in *Dare to Be Different, Free to Be Yourself*.
