Street Talk Randy Kearse, 2013-09-11 *Street Talk: Da Official Guide to Hip-Hop & Urban Slang* is the most authentic slang language lexicon that interprets the hip-hop and urban slang dialect. Over 10,000+ entries, you will find the word, term or metaphor followed by information from its origin to contextual examples. Randy Mo Betta Kearse proves that he has his finger on hip-hop urban street culture with the *Street Talk's* 700+ pages, 10,000+ entries. This unique dictionary simplifies the complex hip-hop slang vernacular. What makes this dictionary so unique is, though gritty, it doesn't have entries that disrespect women by referring to them as 'tches nor does it have entries that include the N-word. Randy Kearse should be commended for the job he has done. *Street Talk* documents the intricate way that people communicate throughout the hip-hop and urban culture. *Street Talk* should be called Webster's cool cousin.

Kickin' ALS Carrey Dewey, 2019-10 Carrey Dewey and her husband, Eric, worked hard to build their dream life: a strong marriage, three incredible kids, and a beautiful home. It all came crashing down when Carrey was diagnosed at age 42 with amyotrophic lateral sclerosis (ALS) - a disease that had no treatment or cure, a disease that is 100 percent fatal. Her doctor told her, Get your paperwork in order and go make memories. But Carrey, a smart, courageous, and often very funny woman, was determined to do more - to spend what life she had left advocating for ALS research and educating people about the disease. *Kickin' ALS* is a compilation of Carrey's personal Facebook posts, written from shortly after her diagnosis in June 2014 until just before her death in May 2018. It is a powerful and poignant chronicle of one woman's experience with the disease made famous through the Ice Bucket Challenge. More than 5,000 people in the United States are diagnosed with ALS each year, according to the ALS Association, and it is estimated that at least 16,000 Americans may be living with ALS at any given time. Proceeds from the sale of this book will be donated to organizations supporting ALS research and education, as well as ALS patients and their families.

Hippie Dictionary John Bassett McCleary, 2013-05-22 Whether you lived through the sixties and seventies or just wish you had, this revised and expanded edition of the *Hippie Dictionary* entertains as much as it educates. Cultural and political listings such as Age of Aquarius, Cesar Chavez, and Black Power Movement, plus popular phrases like acid flashback, get a grip, and are you for real? will remind you of how revolutionary those 20 years were. Although the hippie era spans two decades beginning with the approval of the birth control pill in 1960 and ending with the death of John Lennon in 1980, it wasn't all about sex, drugs, and rock'n' roll. These were the early years of pro-ecology and anti-capitalist beliefs-beliefs that are just as timely as ever. So kick back and trip out on the new entries as well as the old, and discover why some are dubbing the sixties and seventies the intellectual renaissance of the 20th century.

Cowboys Over Iraq Jimmy Blackmon, 2020-02-04 "What does it take to fly and fight with America's Air Cavalry? That's the story of *Cowboys Over Iraq*. You'll meet bold personalities right out of a Hollywood movie. You'll be right there as Jimmy Blackmon and his fellow Cavalry troopers track down and tangle with determined foes. You'll experience the highs of triumph and the lows of bitter loss. Most importantly, you'll see how and why Jimmy Blackmon learned hard-won leadership and battle lessons in the deadly skies of Iraq. Strap in. Hang on. Get ready to go hunting with the Air Cav." —Daniel P. Bolger, Lieutenant General, U.S. Army, Retired, Commander, 1st Cavalry Division 2008-2010 "A great read by an exceptional combat aviator, leader, and writer! Jimmy Blackmon captures brilliantly the enthralling story of the air cavalry unit that was the eyes and ears of the 101st Airborne Division (Air Assault) during the fight to Baghdad and throughout the first year in Iraq - when I was privileged to command the division. He captures vividly, as well,

the courage, skill, and feel for the battlefield of the gifted pilot and commander of the squadron, Lieutenant Colonel Steve Schiller, to whom we turned repeatedly when the missions were the toughest.” —General David Petraeus (U.S. Army, Ret.) commanded the 101st Airborne Division (Air Assault), Multinational Force-Iraq, US Central Command, and coalition and U.S. forces in Afghanistan.

Nowhere But Here Katie McGarry, 2016-03-29 While reluctantly staying with her biological father, a member of a motorcycle club, sheltered seventeen-year-old Emily falls for the youth her father asked to protect her from a rival club with a score to settle.

West to Bravo Eric H. Heisner, 2014-11-11 One man finds himself torn between two cultures in this sweeping tale of frontier life in post-Civil War era Texas. In the years following the American War Between the States, the once vacated military presence in west Texas is on the rise to protect the waves of settlers moving into the region. Living peaceably with the Mescalero Apache, half-breed former military scout Holton Lang promotes the tentative harmony between the US cavalry and the Native American population. But when the delicate peace between the two nations is broken, Holton is asked to negotiate a new agreement with the US military at Fort Davis. Angered by Holton and his respected position in the Apache camp, brave Stalking Wolf joins other hostile warriors in bloody warfare against the white settlers and blue-coated military. Leaving behind his Apache wife and the domestic life he was building, Holton journeys back to his former home in white civilization for talks of peace. When the battle becomes personal, Holton is finally forced to confront the chasm that separates the two worlds into which he was born. Written in the style of the traditional John Ford/John Wayne cavalry pictures, *West to Bravo* evokes an era of classic Western fiction and paints an exciting and touching tale of one man stuck in the middle of a terrible conflict. Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns—books about outlaws, sheriffs, chiefs and warriors, cowboys and Indians—are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L’Amour, and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
