**A Stripper's Tail** Diamond,2005-03 For more than eight years, I lived and worked in the dark underworld of Las Vegas as an exotic dancer. Some things are worth repeating--others you try to forget. Unfortunately, you never forget. I decided it was time that somebody told the truth about what really happens in Las Vegas strip clubs and their VIP rooms. Is there sex in the champagne room? With the right dancer and for right price, there is anything you want in the champagne room! This book gives a lot of insight into what really happens when men are turned loose on the Las Vegas scene. I think men and women alike will be interested in reading about what really happens in Vegas. See what the dark twenty-four-hour world of Vegas is really like. See what an insider has to say about the life of an exotic dancer.

A Thin Line DL White,2020-03-14 Angie Blake and Preston Reid are oil and water, fire and ice. Whether it's in the courtroom, where they're always in opposition, or in their personal lives, they don't mix. Nearly two decades have passed since they were high school sweethearts and split in an emotional firestorm, but their best friends are dating, and now engaged so they haven't had a moment's peace from each other. And they won't get one since the soon to be newlyweds have roped Angie and Preston into planning their destination wedding. They've been tasked with organizing the most romantic, memorable event of their lives without tearing apart the lifelong foursome in the process. Angie and Preston are wise to this game. This clever ploy to push them back together in the hopes that their long-dead romance will rekindle couldn't possibly work. Could it? There's a thin line between love and hate.

Strip Club Mastery Stro Diggs,2017-05-05 Have you ever been to a strip club and noticed that some guys seem to get all the attention from the strippers? If you're like most men, you probably assume that these guys are spending a lot of money, offering illicit drugs, or are some kind of alpha males that you either can't or don't want to compete with. What if I told you that this was an illusion... a MIRAGE to help separate you from your

money? Nothing in a strip club is as it appears... don't be fooled! Sure, there will always be the guy who throws money around strip clubs and dominates the strippers' time (after all, it's their job to take their money), but do you think these guys are actually going home with them and having any kind of sexual relations with them? Hell no, they aren't! If you think all it takes is deep pockets and good looks to attract strippers then prepare to have your mind blown... I'm going to show you a simple and flawless way to walk into any strip club in the world and pull any stripper you want, night after night, without spending ANY of your hard-earned money. I'm going to show you how to be the guy who DOES go home with strippers and experiences the thrill and validation of being chosen by women who have a vast selection of men to choose from. But, it gets WAY better than that... I'm going to show you how to get the hottest strippers to come over to your place, night after night, without you even having to go into the club anymore! But, before I get too far ahead, let me to introduce myself. My name is Stro Diggs (Twitter), but most people just call me Stro, or Diggs (PUA Forum). I've spent a ridiculous amount of time in strip clubs over the last 15 years. I know just about everything there is to know about how strip clubs operate. I know the who, what, where, when, and why of the strip club game. I can get VIP status (or its equivalent) at strip clubs in days and weeks, instead of months and years, and I can do it without spending hardly any money at all. I've been to strip clubs all around the globe and I've learned the ONE weakness they all have. They can all be played using simple social and psychological tactics that ANYONE can learn. But, there's a catch! Strip clubs are designed and operated to give the clubs, dancers, and staff an unfair advantage over the customers who walk in the door. Much like a casino, the odds are stacked against

you. Here's where I come in... I've been in the middle of the strip club game for so long that I'm willing to bet that I can teach you how to master it just like me. It doesn't matter what you look like or how much money you spend in the club. (Actually, spending a lot of money in the club makes it HARDER to seduce strippers, but more on that later.) It's all about having the right attitude and working a solid game plan! Over the years I have developed and perfected word-for-word lines and routines that I use over and over again to pull strippers out of the club and into the bedroom with minimal effort. I have perfected them through rigorous testing and tweaking, finally reducing them to their purest form, and made them incredibly easy to learn. I have helped many men experience some of the best nights of their lives in strip clubs. After compiling all of my strip club secrets, advice, tips, tactics, and techniques into an informative ebook, I am making it available online for the first time. Take a look inside my book and see why it's the ultimate guide to stripper seduction and VIP status...

**TIME FOR TRUTH: Antonio Bellino tells it as it is/ Don Cameron and Antonio Bellino** Don Cameron,2017-03-14 Time For Truth is the story of Brisbane's so-called infamous Mafia Don, Antonio Bellino, named by the Fitzgerald Inquiry as one of five people of interest who were allegedly involved in corrupting the Queensland Police Force. On 12 May 1987, Antonio was accused of involvement in: drugs, prostitution, illegal gambling, corrupting police, sly grog, kidnapping children, Mafia connections and smuggling birds overseas. Antonio was flabbergasted, Are you serious? Even Capone didn't do all these things! The Fitzgerald Inquiry took two and a half years to complete. Antonio was never charged and is still waiting for his name to be cleared. Antonio Bellino's story is powerful as it is starkly relevant to this day. It is sometimes amusing, often violent, it highlights some of this country's double standards of race priority and tall poppy successes as well as the age-old injustice of 'guilt by association'.

**Invisible in Austin** Javier Auyero,2015-09-01 Austin, Texas, is renowned as a high-tech, fast-growing city for the young and creative, a cool place to live, and the scene of internationally famous events such as SXSW and Formula 1. But as in many American cities, poverty and penury are booming along with wealth and material abundance in contemporary Austin. Rich and poor residents lead increasingly separate lives as growing socioeconomic inequality underscores residential, class, racial, and ethnic segregation. In *Invisible in Austin*, the award-winning sociologist Javier Auyero and a team of graduate students explore the lives of those working at the bottom of the social order: house cleaners, office-machine repairers, cab drivers, restaurant cooks and dishwashers, exotic dancers, musicians, and roofers, among others. Recounting their subjects' life stories with empathy and sociological insight, the authors show us how these lives are driven by a complex mix of individual and social forces. These poignant stories compel us to see how poor people who provide indispensable services for all city residents struggle daily with substandard housing, inadequate public services and schools, and environmental risks.

Timely and essential reading, *Invisible in Austin* makes visible the growing gap between rich and poor that is reconfiguring the cityscape of one of America's most dynamic places, as low-wage workers are forced to the social and symbolic margins.
