Wheels in the Head Joel H. Spring, 2008 In this popular text Joel Spring provocatively analyzes the ideas of traditional and non-traditional philosophies from Confucianism to human rights regarding the contribution of education to the creation of a democratic society. The goal is to explore how governments use education to control and manage their populations, and to examine forms of education that claim to free people from authoritarian control. *Wheels in the Head*, a critically original work now in its third edition, is widely used as a text for courses on philosophical, social, political, and historical foundations of education, and critical issues in education. Reflecting its global relevance, a Chinese translation of the second edition was published in 2005. NEW TO THIS EDITION: Expanded analysis of the use of education by authoritarian states Revisions to more clearly relate educational ideas to the theme of wheels in the head – a phrase coined by philosopher Max Stirner to describe the use of schools by modern governments to control their citizens. New sections on liberation education and on human rights education

Wheelz on the Moon Aaron Wheelz Fotheringham, Michael Dolman, 2018-03-14 Welcome to the Adventures of Mike Believe. This children's book series will change your child's life by igniting the part of their imagination that helps to create the future of their dreams. The first book, *Wheelz On The Moon*, will show them how to activate their imagination through visualization. The next book will show them how to turn that visualization into feelings that will shape their actual reality through love and an unbreakable belief in themselves. Aaron Fotheringham and Mike Dolman are on a mission to change the way kids use their thoughts and feelings to create their future, support one another, and not let anything stop them on their journey to making their dreams come true. KIDS ARE THE ILLUSTRATORS OF THIS BOOK! They can draw right inside the book! Join us in changing the world. If you think being in a wheelchair isn't fun, you've never met Aaron Fotheringham, a.k.a. Wheelz. Wheelz is a 'Professional' WCMX (Wheelchair Motocross) athlete. He was born with Spina bifida, a birth defect of the spinal cord that causes limited usage of his legs. But that doesn't stop Wheelz from showing the world that a wheelchair is not just a medical device, but rather, an extreme sports machine! Synopsis: Mike Believe reveals his dream of becoming the first kid to ever skateboard on the moon! But Mike's mom wants him to skateboard less and focus more on school. Mike's best friend, Aaron Dreams, a.k.a. WHEELZ, is living proof that anything is possible. Born with Spina Bifida, a birth defect of the spinal cord, Wheelz has limited usage of his legs, but this doesn't stop him from using his wheelchair every day to chase his dreams! Wheelz starts to see that there are no limits to what he can achieve in life when his father teaches him the power of his imagination. When Mike Believe's classmate, Perscilla Pout, doubts his ability to get to the moon, Mike loses faith in himself. But Wheelz won't let him give up on his dream. Wheelz teaches Mike how to activate his imagination, and suddenly, getting to the moon seems possible after all! Will Mike Believe's imagination be strong enough to visualize a way to the moon? Or will his dream be crushed by his doubts and fears... On their incredible journey to the moon, the boys learn that they aren't alone. Someone is leading them to discover what an open mind is truly capable of. But first, they must let go of their limiting beliefs of what's possible, and strengthen their imaginations. Join Mike Believe, and Wheelz, on their journey to unlocking limitless imagination, true friendship, and maybe even other worlds!

Kick Start Ralph "Teach" Elrod, 2013-04 1969, a time of rebellion. I joined the Barons MC. This is that story through the 1970's, the men, the women, and the cops. We stopped the feds from blackmailing the states into requiring helmet laws. We surrounded the U.S. Capital Building two deep in Harleys and outlaws. How we did it. This is some of what I experienced and witnessed. Times were wild, fast and tough- so were we. I loved it! This is that true story.

Wheelz Steven Fotheringham,2015-06-27 The effect that Wheelz has on the crowd is out of this world. I mean, we have the best in the world of action sports, and more people come to see Wheelz than anybody else. Travis Pastrana, -X Games gold medalist and Nitro Circus organizer, leader and performer. Many people succeed in spite of great challenges. Aaron Wheelz Fotheringham is not one of those people. When asked by ESPN, How do you define spina bifida? Aaron responded, A great opportunity. Consumed by the simple but logical belief that riding is more fun than walking, Aaron took his wheelchair and turned it into a toy, playing and practicing on it until there was no place he couldn't go. After beating his peers in all the BMX competitions he could enter, Aaron became the unicorn of the Nitro Circus team, the ultimate dream of every BMX rider and skateboarder alike. Aaron's biography so far includes pain, determination, failure, motivation, and unimagined success. And yet these things are incidental to the real story. What makes his story great is that his attitude is contagious, and Wheelz is anything but quarantined.

It Will Get Tough Ralph "Teach" Elrod, 2017-12-13 The motorcycle club life style has been wild and woolly from the beginning. I've written about some wild and sometimes violent times. I have also tried to put a light on some of the corruption and underhanded dealings by some authorities. One such law enforcement officer who had a pocket full of drugs to plant on the victim but the officer instead was shot. Is the motorcycle world targeted? Yes, in some places more than others. We are profiled, detained, and often separated from our cash, there is always a ticket. We aren't allowed to assemble in public. Some bars are closed down if they serve bikers. *It Will Get Tough* exposes some

of the police abuse and our ability to have fun anyway. We must stand and fight for our constitutionally guaranteed rights, and we are.
