Mickey Rooney James A. MacEachern,2017-05-01 Mickey Rooney was one of Hollywood's most prolific and long-lived stars, with film credits spanning the silent and CGI eras. Despite his Broadway acclaim and gift for character acting, he is remembered mainly for his comedies and tumultuous personal life. Most biographies have focused on these, neglecting his long and varied

career, which was marked by sharp declines and meteoric comebacks. Drawing on interviews with coworkers, this book reveals Rooney as a skilled actor who settled for less in an industry that relegated him to lesser roles, and built a body of work admired by audiences and actors alike.

The Hidden Mickeys of Walt Disney World Kevin Neary, Susan Neary, 2016-06-28 So what exactly is a Hidden Mickey? Quite simply, it's an artistic representation of Mickey that was intentionally placed amid the architecture and design of the parks and resorts. Oftentimes it's the familiar three-circle shape of his ears and head. Other times it might be a profile of his face or a full-body silhouette. Walt Disney World Guests with keen eyes can tell you that Mickey pops up all over the resort, often in the most unexpected places. With this resortwide scavenger hunt, you'll be guided toward each Hidden Mickey, first with a general hint-if you're up for a challenge-and then with a very specific clue. children and grand children, and every other person that knows me, including members of the NYPD that worked along with me many years. This is so they understand the role of the US in Puerto Rico's political history. The death of leader Pedro Albizu Campos in the year 1965 triggered a new combination of struggles, open, open illegal and clandestine from the pro independence groups, that couldn't wait any longer.. Their new struggle coincided with my arrival in the USA in 1967, when they were hitting USA with bombs, incendiary and explosive. I was appointed undercover May 16, 1969 to infiltrate and inform the activities of the groups involved in the underground struggle to free Puerto Rico. In the book I relate the problems and discrimination that I faced performing the job and after.
