**Sailors Knots** William Wymark Jacobs,2018-08-04 Sailors Knots William Wymark Jacobs the Mile End Road. I found the place easy enough. The door was just on the jar, and as I tapped on it with my finger-nails a wild-looking black man, arf naked, opened it and said H'sh! and pulled me inside. There was a bit o' candle on the floor, shaded by a box, and a man fast asleep and snoring up in one corner. Rupert dressed like lightning, and he 'ad just put on 'is cap when the door at the back opened and a 'orrid fat black woman came out and began to chatter. Rupert told her to hush, and she 'ushed, and then he waved 'is hand to 'er to say good-bye, and afore you could say Jack Robinson she 'ad grabbed up a bit o' dirty blanket, a bundle of assegais, and a spear, and come out arter us. Back! ses Rupert in a whisper, pointing. [Illustration: Back! ses Rupert in a whisper, pointing.] Kumbo shook her 'ead, and then he took hold of 'er and tried to shove 'er back, but she wouldn't go. I lent him a 'and, but all wimmen are the same, black or white, and afore I kne We are delighted to publish this classic book as part of our extensive Classic Library collection. **The Whispering Muse** Sján,2013-04-30 Already celebrated far beyond his native Iceland, the novels of Sján arrive on waves of praise from writers, critics, and readers worldwide. Sján has won countless international awards and earned ringing comparisons to Borges, Calvino, and Iceland's other literary superstar, the Nobel Prize winner Halldór Laxness. The Whispering Muse is his masterpiece so far. The year is 1949 and Valdimar Haraldsson, an eccentric Icelandic with elevated ideas about the influence of fish consumption on Nordic civilization, has had the extraordinary good fortune to be invited to join a Danish merchant ship on its way to the Black Sea. Among the crew is the mythical hero Caeneus, disguised as the second mate. Every evening after dinner he entrances his fellow travelers with the tale of how he sailed with the fabled vessel the Argo on its quest to retrieve the Golden Fleece. What unfolds is a slender but masterful, brilliant, and always entertaining novel that ranges deftly from the comic to the mythic as it weaves together tales of antiquity with the modern world in a voice so singular as to seem possessed.

*Whisper on the Wind* Claire Saxby,2023-06-13 This is the wind; that carries the whisper; from Ren's dream. This is the sailor, long at sea, who catches it. The multi-award-winning duo behind Iceberg returns! Senda and the Whispering Sea Shells H. de Mendoza,2019-10-24 Synopsis: Senda and the Whispering Sea Shells “Don’t talk to strangers,” Senda says to herself as she walks the streets of Santa Cruz, California, otherwise known as Weird City – a good name for the place where she was born. After all, she, with her illness, is among the weirdest. What Senda never imagined was that she would find her life turned upside down, where she becomes the main character in an unbelievable adventure in an apocalyptic world. Here, Senda will have to face her greatest fears. The night it all started, as she walked aimlessly down the strangest ocean-side walkway in California, began when a homeless man gave her a sea shell. A sudden earthquake (if they aren’t all sudden, this one surely was), and Senda found herself splashing helplessly in the waves. Everything that followed seemed like a dream, with spirit animals, Native American Ohlones, the fall of civilization, and the inexplicable senility of the adults. This tale of frightening adventures runs from the escarpments of the Pacific Ocean to the grand and mystical Redwood Forests of California. What if humanity’s destiny really was in your hands? What would you do? What would you be willing to sacrifice to save people that never showed any interest in you or your problems? Follow along with Senda in her journey and discover the talking sea shells, find what causes the strange behavior of the adults, hear about the incredible history of the Ohlone children, travel back to the pirates and conquistadors of the Old World, uncover the identity of those mysterious men hidden behind space-men-like masks, and especially, be part of the most advanced scientific breakthrough that neither Jules Vern nor Elon Musk could have predicted. Now translated from the original Spanish by ecologist and conservationist James J. Roper, Ph.D. (who also enjoys good adventure), this second novel by H. de Mendoza is a magical story of preadolescent friendship and adve

**Lost in Charleston’s Waves** Capt. W. Russell Webster USCG,2018-12-01 The three most important people in my life—my husband and our two sons—along with a cherished nephew perished in a horrific boating accident off Charleston in 1997. I thought my life was over the night I received the cryptic phone call from a family pastor in Florida, asking me if I knew if more bodies had been found. From that awkward moment forward, I began to live every mother's and wife's nightmare. This book, so eloquently crafted by Capt. W. Russell Webster, will honor my family and detail the mistakes that were made and ensure that the many positive changes that have come from this tragedy are memorialized appropriately for future sailors and rescuers alike.

*Bolt of Thunder, Words of Whisper* James Vincent Powers,2009-04 Mark had never flown an airplane before the war, but now he was about to face the dreaded German Luftwaffe, the most experienced pilots in the world. Many of them were aces, having shot down over a hundred planes. Mark had never said the words I love you before, but now he met the most beautiful girl he had ever seen, and found himself saying the words to her. This is a story of a romantic fighter pilot and his exploits in the air in combat, as well as with the French Mademoiselles on the ground. Based on actual happenings to the author, this novel is historical fiction, woven with a love story with a surprising twist. James Vincent Powers is the author of several publications, one of which has been made into a movie in Germany. The American version was sold to the National Geographic Channel, and was first aired December 17, 2009 at 8:00 p.m. (EST). Mr. Powers served as a fighter pilot in WWII, with 47 combat missions in Europe. He is also an engineer, and helped design the F-111 fighter plane. He has two children and one grandson, and lives an active life in California playing golf, bowling, tap dancing, and writing.

*The Scribe and the Lotus* Bakr Fahmy,2012-11-17 At the height of its glory, Men-nefer (Memphis) was one of the largest cities of the ancient world. Its splendors included massive temples, palaces, and houses, all enclosed by the city's legendary White Walls. But in Egypt during the reign of Qakare Ibi, in the

years ?21692167 BC, the country had been divided into at least three parts. The Old Kingdom had finally come to an end, and a new era of uncertainty had been born. A series of low floods by the great river causes a near famine, leaving the general population to fend for themselves, especially against the greedy nomarchs and their brutal taxation policy. Corruption is rife, and its negative impact is felt throughout all walks of life. This is the story of a young scribe in his search for his Maat. With the spiritual help of the blue lotus, he learns how to deal with the events unfolding all around him.

Tainted Seas Linda Jo Heffner,2021-11-02 So many love stories stop at the wedding vows...when couples pledge to love each other for better or worse, in sickness and health, til death do us part. But not this one. In 1968, Linda sat next to a handsome sailor in the Penn State cafeteria. Who could resist a handsome sailor? Not Linda, who fell head over heels in love. Against the backdrop of the tumultuous sixties, they married and had three children, and Bud became the Navy officer of his dreams. But their perfect Navy family life unraveled with Bud's frightening symptoms hearkening back to two tours in Vietnam. A sudden collapse led to a diagnosis virtually impossible for a vital young man. While Linda raised their children and followed her vows to care for her husband, two questions plagued her: How could her young and healthy husband suddenly have such a sinister cancer? And how could his beloved Navy abandon him? On a mission of love, Linda spent years unearthing what really happened to Bud, only to find that the military that discarded him had hidden the truth about his illness for decades. Tainted Seas is the sometimes hilarious, sometimes heart-breaking story of a passionate couple coping with tragedy, and the continuing journey of a woman dedicated to justice for military families shattered by the very institutions they nobly served. A loving wife on a mission of true love and truth proves that nothing can stay hidden forever--even against the power of the US government.

*The Sailor and the Siren* Reina Torres,2019-04-08 As a child, Andrew Brooks was pressed into service on a merchant ship, but a boy who lacked sea legs was little use. Before they decided to throw him overboard, they discovered a talent worthy of a place on board. Little Andrew was a gifted musician. Now a man grown, he hears of a school that offers sailors a chance to better themselves and takes a chance to walk away from the high seas. Taking what he learns at the Sailor's Rest School, he finds a job managing the cargo on a steamboat working its way up and down the Mississippi River. Working aboard a steamboat named The Siren, Rosemary Tillman has worked her way up in the kitchen as an assistant to the cook, but every free minute she has is spent watching the shows in the concert room, dreaming of singing before adoring crowds and sharing her love of music. When her talent is discovered her world begins to change. Rosemary and Andrew begin to forge futures for themselves on the Mississippi, but like all bright stars in the sky there are clouds waiting to douse their light. Can these two glide along the river of life together, or will they run aground when trouble comes a calling?

**Trial and the Art of Sailing** Michael D. Schwartz,2023-07-12 The overwhelming majority of cases never go to trial and, because of this, most attorneys, whether they’re new or seasoned litigators, don’t have a lot of actual trial experience. They find jury trials intimidating and awkward. Although experience is always the best teacher, what if you don’t have any, or not much? Your first clients shouldn’t have to suffer through your learning curve, and neither should you. Noted trial lawyer Michael Schwartz has come to the rescue in this informative and entertaining guidebook to help attorneys lacking experience or confidence, navigate trial work step by step, from the first client meeting to verdict. Like a good sail, Trial and the Art of Sailing zigzags back and forth along the waters of actual trial work and life, between blunt advice, mistakes lived and learned, anecdotes, war stories, strategy, and good, old fashioned commonsense. Schwartz’s nearly thirty years of experience has led to unmatched success and now you can have the same success in your own career. Book Review 1: Michael has been referred to as one of the best defense attorneys in the country, and I couldn’t agree more! The material in his book is well worth the read.” -- Jan Mills Spaeth, Ph.D, Advanced Jury Research
