Research and Development in Intelligent Systems XXXIII Max Bramer,Miltos Petridis,2016-11-14 The papers in this volume are the refereed papers presented at AI-2016, the Thirty-sixth SGAI International Conference on Innovative Techniques and Applications of Artificial Intelligence, held in Cambridge in December 2016 in both the technical and the application streams. They present new and innovative developments and applications, divided into technical stream sections on Knowledge Discovery and Data Mining, Sentiment Analysis and Recommendation, Machine Learning, AI Techniques, and Natural Language Processing, followed by application stream sections on AI for Medicine and Disability, Legal Liability and Finance, Telecoms and eLearning, and Genetic Algorithms in Action. The volume also includes the text of short papers presented as posters at the conference. This is the thirty-third volume in the Research and Development in Intelligent Systems series, which also incorporates the twenty-fourth volume in the Applications and Innovations in Intelligent Systems series. These series are essential reading for those who wish to keep up to date with developments in this important field.

Prioritizing Web Usability Jakob Nielsen,Hoa Loranger,2006-04-20 In 2000, Jakob Nielsen, the world's leading expert on Web usability, published a book that changed how people think about the Web—*Designing Web Usability* (New Riders). Many applauded. A few jeered. But everyone listened. The best-selling usability guru is back and has revisited his classic guide, joined forces with Web usability consultant Hoa Loranger, and created an updated companion book that covers the essential changes to the Web and usability today. *Prioritizing Web Usability* is the guide for anyone who wants to take their Web site(s) to

next level and make usability a priority! Through the authors' wisdom, experience, and hundreds of real-world user tests and contemporary Web site critiques, you'll learn about site design, user experience and usability testing, navigation and search capabilities, old guidelines and prioritizing usability issues, page design and layout, content design, and more!

Looking Back and Living Forward Jennifer Markides, Laura Forsythe, 2018-04-16 Looking Back and Living Forward: Indigenous Research Rising Up brings together research from a diverse group of scholars from a variety of disciplines. The work shared in this book is done by and with Indigenous peoples, from across Canada and around the world. Together, the collaborators' voices resonate with urgency and insights towards resistance and resurgence. The various chapters address historical legacies, environmental concerns, community needs, wisdom teachings, legal issues, personal journeys, educational implications, and more. In these offerings, the contributors share the findings from their literature surveys, document analyses, community-based projects, self-studies, and work with knowledge keepers and elders. The scholarship draws on the teachings of the past, experiences of the present, and will undoubtedly inform research to come.

International Business and Tourism Tim Coles, C. Michael Hall, 2008-02-13 Whether it's bungee jumping in Queenstown or visiting the Guinness factory in Dublin, where we travel – and what we do when we get there - has changed significantly in the past twenty years. This innovative textbook explores what is possibly the most unrecognized of international service industries, placing tourism in the context of

contemporary globalization and trade-in services. It provides new perspectives on tourism as a form of international business, and the implications for firms, the state and individuals. Split into four separate sections, with introductions outlining the key themes in each, it examines important topics such as: the role of governance and regulation in tourism services the effects of increased global mobility on tourism entrepreneurship how tourism businesses are becoming internationalized why other business sectors are increasingly interested in tourism. Case studies are used throughout to highlight important issues, from developments in the aviation industry to the rise of working holidays. This book gets to the core of a crucial service industry, and is essential reading for any researcher or student of tourism or international business.

Winter Tourism Ulrike Pröbstl-Haider, Harold Richens, Stefan Türk, 2019-10-03 Winter tourism has seen increased levels of investment in recent times, in an effort to reduce economic risk, address environmental concerns and adapt to the effects of global warming. New ski destinations are developing and merging with traditional ones to increase spatial distribution, while many established leading resorts are adapting their management models. Climate change adaptation processes are supported by the reduction of CO2 emissions and energy consumption in ski resorts. Current planning challenges include the increasing importance of scenic beauty, nature and sustainable development, as well as snow reliability, snow management and safety issues.

survey of the opportunities for living and working in the USA & Canada from New York to Los Angeles and from Montreal to Vancouver.

Making Meaning Out of Mountains Mark C.J. Stoddart, 2012-05-01 Mountains bear the imprint of human activity. Scars from logging and surface mining sit alongside national parks and ski lodges. Although the environmental effects of extractive industries are well known, skiing is more likely to bring to mind images of luxury, wealth, and health. Drawing on interviews, field observations, and media analysis, Stoddart reveals the multiple, often conflicting meanings attached to skiing by skiers, mass media, First Nations, industry leaders, and environmentalists in British Columbia. Stoddart challenges us to reflect on skiing's negative effects as he exposes how certain groups came to be viewed as the "natural" inhabitants and legitimate managers of mountain environments.

Snow Country , 1989-10 In the 87 issues of Snow Country published between 1988 and 1999, the reader can find the defining coverage of mountain resorts, ski technique and equipment, racing, cross-country touring, and the growing sport of snowboarding during a period of radical change. The award-winning magazine of mountain sports and living tracks the environmental impact of ski area development, and people moving to the mountains to work and live.

Whistler Blackcomb Live Introduction

In the digital age, access to information has become easier than ever before. The ability to download Whistler Blackcomb Live has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a

professional seeking research papers, the option to download Whistler Blackcomb Live has opened up a world of possibilities. Downloading Whistler Blackcomb Live provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Whistler Blackcomb Live has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This

inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Whistler Blackcomb Live. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Whistler Blackcomb Live. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and

researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Whistler Blackcomb Live, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Whistler Blackcomb Live has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize

personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
