Refugee Alan Gratz, 2017-07-25 The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and

continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.

*The Story of My Boyhood and Youth* John Muir, 2022-11-13 The Story of My Boyhood and Youth reveals the beginnings of the forming of Muir's special relation towards nature. He considered the encounters with nature as quite an adventure and at first, paid special attention to bird life. John Muir understood that to discover truth, he must turn to what he believed were the most accurate sources. In his autobiographical account, *The Story of My Boyhood and Youth*, he writes that during his childhood, his father made him read the Bible every day. Muir eventually memorized three-quarters of the Old

Testament and all of the New Testament. In his autobiography, written near the end of his life, he described his life from childhood years in Scotland and moving to America to student years in Wisconsin. When he was a student in the University of Wisconsin, he was a frequent caller at the house of Dr. Ezra S. Carr. The kindness shown him there, and especially the sympathy which Mrs. Carr, as a botanist and a lover of nature, felt in the young man's interests and aims, led to the formation of a lasting friendship. He regarded Mrs. Carr, indeed, as his spiritual mother, and his letters to her in later years are the outpourings of a sensitive spirit to one who he felt thoroughly understood and sympathized with him.

**Chains** Laurie Halse Anderson, 2010-01-05 If an entire nation could seek its freedom, why not a girl? As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom. From acclaimed author Laurie Halse

Anderson comes this compelling, impeccably researched novel that shows the lengths we can go to cast off our chains, both physical and spiritual.
