

White House Blog

Dan Alexander

Black House/ White House Charles

Fletcher,2013-03-28 This book is about the hundreds of emails that was received from The White House and President Barack Obama in the last of his first four year term in Office. As the First Black African American President as the occupant in the White house. President Obama has been ridicule by his critics beyond any racial insensitivity of any President in the history of that Office. The good thing about this book is that there are hundreds of web sites that the reader can click on to get in-depth details about the articles in question. The President has made it clear that his Administration would have an open door policy and transparent for the people.. We stayed Connected to The White House.

A Budget for a Better America ,2019

Young House Love Sherry Petersik,John

Petersik,2015-07-14 This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, hack your Ikea table to create three distinct looks, and so much more.

Family of Freedom Kenneth T. Walsh,2015-10-23

Barack Obama is the first African American President, but

the history of African Americans in the White House long predates him. The building was built by slaves, and African Americans have worked in it ever since, from servants to advisors. In charting the history of African Americans in the White House, Kenneth T. Walsh illuminates the trajectory of racial progress in the US. He looks at Abraham Lincoln and his black seamstress and valet, debates between President Johnson and Martin Luther King over civil rights, and the role of black staff members under Nixon and Reagan. *Family of Freedom* gives a unique view of US history as seen through the experiences of African Americans in the White House.

White House Inc. Dan Alexander, 2020-09-22 An in-depth investigation into Donald Trump's business—and how he used America's top job to service it. *White House, Inc.* is a newsmaking exposé that details President Trump's efforts to make money off of politics, taking us inside his exclusive clubs, luxury hotels, overseas partnerships, commercial properties, and personal mansions. Alexander tracks hundreds of millions of dollars flowing freely between big businesses and President Trump. He explains, in plain language, how Trump tried to translate power into profit, from the 2016 campaign to the ramp-up to the 2020 campaign. Just because you turn the presidency into a business doesn't necessarily mean you turn it into a good business. After Trump won the White House, profits plunged at certain properties, like the Doral golf resort in Miami. But the presidency also opened up new opportunities. Trump's commercial and residential property portfolio morphed into a one-of-a-kind marketplace, through which anyone, anywhere, could pay the president of the United States. Hundreds of customers—including foreign governments, big businesses, and individual investors—obliged. The president's

disregard for norms sparked a trickle-down ethics crisis with no precedent in modern American history. Trump appointed an inner circle of centimillionaires and billionaires—including Ivanka Trump, Jared Kushner, Wilbur Ross, and Carl Icahn—who came with their own conflict-ridden portfolios. Following the president's lead, they trampled barriers meant to separate their financial holdings from their government roles. *White House, Inc.* is a page-turning, hair-raising investigation into Trump and his team, who corrupted the U.S. presidency and managed to avoid accountability. Until now.

Inside Trump's White House Doug Wead, 2019-11-26
After dozens of books and articles by anonymous sources, here is finally a history of the Trump White House with the President and his staff talking openly, on the record. In *Inside Trump's White House*, Doug Wead offers a sweeping, eloquent history of President Donald J. Trump's first years in office, covering everything from election night to the news of today. The book will include never-before-reported stories and scoops, including how President Trump turned around the American economy, how he never complains and never explains, and how his actions sometimes lead to misunderstandings with the media and the public. It also includes exclusive interviews with the Trump family about the Mueller report, and narrates their reactions when the report was finally released. Contains Interviews with the President in the Oval Office, chief of staff, Mick Mulvaney, Jared and Ivanka Kushner, Donald Trump, Jr., Eric and Lara Trump, and White House insiders.

Front Row at the White House Helen Thomas, 1999
White House journalist for more than five decades chronicles her work covering all of the presidents since John F. Kennedy. Shares personal reminiscences of the

U.S. leaders as well as of the first ladies. Bestseller.

After the White House Max J. Skidmore, 2015-01-27
What exactly has Bill Clinton been doing since he left office? What can he expect to accomplish? What have his predecessors in his position done? Many presidents have had enormous impacts on the course of history after their terms ended, but not until *After the White House* by Max J. Skidmore has their role been examined. Thirty-two completed their terms. Four became presidential candidates again (one was even elected), two served in Congress, one abandoned his country to accept election to the Confederate Congress, one became Chief Justice, and one has the unique distinction of having his First Lady become a United States senator. Former presidents almost always remain influential, but their post-term activities have received little attention or scrutiny until now.

The President's House Is Empty Michael Hardt, Bonnie Honig, Elaine Kamarck, Tracey Meares, K. Sabeel Rahman, 2017-10-20
The President's House Is Empty: Losing and Gaining Public Goods explores the question of what we—the public—owe each other as free and equal members of a democratic society. With essays by writers and thinkers like Bonnie Honig, this collection attempts to make sense of the current administration's disdain for public things like the White House, public education, and clean water.

A White House Diary Lady Bird Johnson, 2007-11-01
Originally published in 1970, *A White House Diary* is Lady Bird Johnson's intimate, behind-the-scenes account of Lyndon Johnson's presidency from November 22, 1963, to January 20, 1969. Beginning with the tragic assassination of John F. Kennedy, Mrs. Johnson records the momentous events of her times, including the Great Society's War on Poverty, the national civil rights and social protest

movements, her own activism on behalf of the environment, and the Vietnam War.

Inside the White House Ronald Kessler, 1996

Investigative reporter Ronald Kessler created a media buzz with this insider's expose of the modern presidencies. And this revised and updated paperback edition contains the latest revelations on Whitewater and sexual harrassment allegations against Clinton.

Under This Roof Paul Brandus, 2015-09-29 "Like taking a tour of the White House with a gifted storyteller at your side!" Why, in the minutes before John F. Kennedy was murdered, was a blood-red carpet installed in the Oval Office? If Abraham Lincoln never slept in the Lincoln Bedroom, where did he sleep? Why was one president nearly killed in the White House on inauguration day—and another secretly sworn in? What really happened in the Situation Room on September 11, 2001? History leaps off the page in this "riveting," "fast-moving" and "highly entertaining" book on the presidency and White House in Under This Roof, from award-winning White House-based journalist Paul Brandus. Reporting from the West Wing briefing room since 2008, Brandus—the most followed White House journalist on Twitter (@WestWingReport)—weaves together stories of the presidents, their families, the events of their time—and an oft-ignored major character, the White House itself. From George Washington—who selected the winning design for the White House—to the current occupant, Barack Obama—the story of the White House is the story of America itself, Brandus writes. You'll: Walk with John Adams through the still-unfinished mansion, and watch Thomas Jefferson plot to buy the Louisiana Territory Feel the fear and panic as British invaders approach the mansion in 1814—and Dolley Madison frantically saves a

painting of Washington Gaze out the window with Abraham Lincoln as Confederate flags flutter in the breeze on the other side of the Potomac Be in the room as one president is secretly sworn in, and another gambles away the White House china in a card game Stand by the presidential bed as one First Lady—covering up her husband’s illness from the nation—secretly makes decisions on his behalf Learn how telephones, movies, radio, TV changed the presidency—and the nation itself Through triumph and tragedy, boom and bust, secrets and scandals, Brandus takes you to the presidential bedroom, movie theater, Situation Room, Oval Office and more. Under This Roof is a “sensuous account of the history of both the home of the President, and the men and women who designed, inhabited, and decorated it. Paul Brandus captivates with surprising, gloriously raw observations.”

Fifteen Years A Deplorable: A White House Memoir By Mike McCormick, 2019-04-16 White House memoir of service under 3 presidents

Unhinged Omarosa Manigault Newman, 2018-08-14 In the #1 New York Times bestseller, the former Assistant to the President and Director of Communications for the Office of Public Liaison in the Trump White House provides an eye-opening and “explosive” (The Boston Globe) look into the corruption and controversy of the current administration. Few were a member of Donald Trump’s inner orbit longer than Omarosa Manigault Newman. Their relationship spanned fifteen years—through four television shows, a presidential campaign, and a year by his side in the most chaotic, outrageous White House in history. But that relationship came to a decisive and definitive end, and Omarosa finally shares her side of the story in this “deftly executed” (The Guardian), jaw-dropping account. A stunning tell-all and takedown from a strong, intelligent

woman who took every name and number, *Unhinged* is a must-read for any concerned citizen.

What's It Like to Live in the White House? Kathleen Connors, 2014-08-01 US presidents have lived at the White House since 1800. Some have added amenities, such as the movie theater, while others have made their mark by preserving historic fixtures and items. Readers are introduced to the bustling life of the White House, from the business of the West Wing to the East Wing's homey kitchen. Full-color photographs of past presidents and First Families add to the historical information about the "President's Palace." Fun fact boxes give additional, interesting detail. This inventive look at the best-known house in America will leave readers begging for a tour!

Real Life at the White House John Whitcomb, Claire Whitcomb, 2002 An irresistible chronological overview of daily life in the presidential residence. Divided into 42 chapters representing each succeeding administration, this survey is brimming with fun facts, tantalizing tidbits, and memorable anecdotes detailing two centuries of domestic bliss and strife in the White House. From George Washington, who chose the sight and initiated work on the presidential mansion, to Bill Clinton, whose well-documented White House escapades titillated and scandalized the nation, each individual president has contributed to the mystique of the most readily recognized home in the U.S. Together with scores of drawings, portraits, and photographs, the breezy text chronicles the significant physical, social, and emotional changes wrought by each First Family as they sought to personalize daily life in the White House.

Nixon's White House Wars Patrick J. Buchanan, 2017-05-09 From Vietnam to the Southern Strategy, from the opening of China to the scandal of

Watergate, Pat Buchanan—speechwriter and senior adviser to President Nixon—tells the untold story of Nixon’s embattled White House, from its historic wins to its devastating defeats. In his inaugural address, Nixon held out a hand in friendship to Republicans and Democrats alike. But by the fall of 1969, massive demonstrations in Washington and around the country had been mounted to break his presidency. In a brilliant appeal to what he called the “Great Silent Majority,” Nixon sent his enemies reeling. Vice President Agnew followed by attacking the blatant bias of the media in a fiery speech authored and advocated by Buchanan. And by 1970, Nixon’s approval rating soared to 68 percent, and he was labeled “The Most Admired Man in America”. Then one by one, the crises came, from the invasion of Cambodia, to the protests that killed four students at Kent State, to race riots and court ordered school busing. Buchanan chronicles Nixon’s historic trip to China, and describes the White House strategy that brought about Nixon’s 49-state landslide victory over George McGovern in 1972. When the Watergate scandal broke, Buchanan urged the president to destroy the Nixon tapes before they were subpoenaed, and fire Special Prosecutor Archibald Cox, as Nixon ultimately did in the “Saturday Night Massacre.” After testifying before the Watergate Committee himself, Buchanan describes the grim scene at Camp David in August 1974, when Nixon’s staff concluded he could not survive. In a riveting memoir from behind the scenes of the most controversial presidency of the last century, Nixon’s White House Wars reveals both the failings and achievements of the 37th President, recorded by one of those closest to Nixon from before his political comeback, through to his final days in office.

Spin Cycle Howard Kurtz, 2015-04-23 Spin Cycle is the

first behind-the-scenes account of the White House political operation as it packages and shapes the news by manipulating, misleading, and in some cases, intimidating the press. It is also the tale of how some of the nation's top journalists buy into these efforts and, often, put their own spin on the news. Compelling, infuriating, often devastatingly funny, this is the story you should read before you pick up the newspaper tomorrow morning.

Managing the President's Message Martha Joynt Kumar, 2007-09 Publisher description

Upstairs at the White House J. B. West, Mary Lynn Kotz, 2013-10-01 In this New York Times bestseller, the White House chief usher for nearly three decades offers a behind-the-scenes look at America's first families. J. B. West, chief usher of the White House, directed the operations and maintenance of 1600 Pennsylvania Avenue—and coordinated its daily life—at the request of the president and his family. He directed state functions; planned parties, weddings and funerals, gardens and playgrounds, and extensive renovations; and, with a large staff, supervised every activity in the presidential home. For twenty-eight years, first as assistant to the chief usher, then as chief usher, he witnessed national crises and triumphs, and interacted daily with six consecutive presidents and first ladies, as well as their parents, children and grandchildren, and houseguests—including friends, relatives, and heads of state. J. B. West, whom Jackie Kennedy called “one of the most extraordinary men I have ever met,” provides an absorbing, one-of-a-kind history of life among the first ladies. Alive with anecdotes ranging from Eleanor Roosevelt's fascinating political strategies to Jackie Kennedy's tragic loss and the personal struggles of Pat Nixon, *Upstairs at the White House* is a rich account of a slice of American history that usually

remains behind closed doors.

	White House Blog Introduction	
13. Promoting Lifelong Learning	<p>In today's digital age, the availability of White House Blog books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of White House Blog books and manuals for</p>	<p>with some popular platforms that offer these resources. One of the significant advantages of White House Blog books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing White House Blog versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated</p>

with book production and transportation. Furthermore, White House Blog books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge.

Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing White House Blog books

and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for White House Blog books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, White House Blog books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable

tools for continuous learning and self-improvement. So why not take advantage of the vast world of White House Blog books and manuals for download and embark on your journey of knowledge?

FAQs About White House Blog Books

What is a White House Blog PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the

software, hardware, or operating system used to view or print it. **How do I create a White House Blog PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a White House Blog PDF?

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a White House Blog PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a White House Blog

PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with

PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors

like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
