Burning Little Secrets Vivian Mae,2021-04-07 A secret romance filled with devious secrets, angsty lure and breath hitching steam. *Burning Little Secrets* divulges the forbidden journey of an engaged woman's encounter with a sexy small town hero. ****A secret steamy standalone romance**** (Recommended for readers 18+) Romance Tropes: Forbidden/Secret Romance, Small Town, Widow, Instalove Julia When my best friend Eve invited me to visit her and my dad

back home in North Carolina, I hesitated. My wedding with Robbie was only a week away, and our rocky relationship was already on edge. Even though it was a bad time to go back, I couldn't resist the chance to visit my best friend—both to sort out my own feelings and escape from Robbie's increasingly controlling behavior. Never could I have imagined how this quick trip and an innocent night of freedom could have spiraled out of control. Meeting Nathan wasn't supposed to happen, and I definitely wasn't supposed to kiss him. But he was so kind and sexy, and it was so nice to feel wanted for once. But, as soon as I came to my senses and ran from our kiss, I bumped into the one person I never expected. My trip away is now a harbor of secrets, created by those close to me, and my new found taste for freedom. Nathan When I saw Julia watching me at the bar, I felt something I hadn't felt in years. When I kissed her, I knew she was meant to be mine. But this Robbie guy she was with, he seemed to have some pull over her, something I couldn't understand. I hated how he treated her, and I knew she deserved better. So, when she offered me the time she had left, I decided to take it, showing her the side of freedom she only dreamed of. Our connection, our chemistry—it was undeniable. I wanted her to leave Robbie; I wanted her to be with me. But, when it came down to it, what I really wanted was for her to be happy. But could I keep her close while keeping my demons at bay? The things I've done, the person I once was, and all my little secrets. I'll fight to keep her home, to make her mine, even if it takes a little naughty convincing.

Lady Secrets Keltie Knight, Jac Vanek, Becca Tobin, 2022-09-20 A manifesto for revealing and reclaiming un-ladylike behavior from the New York Times bestselling authors of *Act Like a Lady* and hosts of the popular podcast *LadyGang*. Every lady has a secret. A secret so humiliating, embarrassing, scandalous, or disgraceful that you haven't told a soul—not your closest friends, family, lovers, or doctors. There is so much shame surrounding hiding secrets, and, frankly, enough is enough. The truth is, there is power and freedom in releasing those dirty little secrets out into the big, bad universe. It gives you that same sweet relief as taking off an underwire bra at the end of a long, crappy day. That's why Keltie Knight, Becca Tobin, and Jac Vanek—hosts of the *LadyGang* podcast—set their secrets free: the good, the bad, and the diarrhea. The *LadyGang* wanted to offer their large and loyal community a chance to join them in exposing the messy truths of their lives, and so, *Lady Secrets* was born: confessional essays from the trio themselves and an incredible crowdsourced collection of secrets from other ladies around the world. Secrets ranging from silly little white lies to cringey misadventures to soul-baring truths. And as it turns out, exposing your deepest and darkest helps you realize that we are all way more alike than we could have ever imagined. Everyone seems to have a bizarre body malfunction, a hookup gone terribly wrong, and a soul-crushing experience that haunts them forever. And maybe that elaborate revenge plot you carried out against your cheating ex was actually kind of badass (in spite of being slightly illegal).

It's time we stop feeling ashamed of our (un)ladylike habits and own the real, raw, and ridiculous things that make you authentically you.

suffocating for Jess Creary, who wastes her summers flipping burgers for tourists on a fishing boat off her quaint resort island home off the coast of Maine. After all, her older sister Kay died in a boating accident two years ago, her mother has disappeared, and her father isn't exactly dealing with things so well. Surfing and the handsome Captain Matthew are about the only bright spots in her life. Then, on her twenty-third birthday, Jess catches the perfect wave--a wave that transforms her into a mermaid. Under the sea, a startlingly beautiful, dark place, Jess is reborn into a confident, powerful predator with superhuman strength --finally she is someone to be reckoned with. Meanwhile, back on land, Jess's relationship with Captain Matthew heats up, and so does her search for justice for Kay. Jess has thirty days to choose between land and sea; legs and fins; her humanity and her freedom. Who could ignore the freedom of the sea? Yet, the ocean is a dark, wild, lonely place. Is this a gift or a curse? Will Jess choose family and love, forgiveness and truth, or will she be seduced by the wild call of the sparkling sea forever? His son, Prince Mithradates, then disappeared for seven years into the woods where he collected hemlock plants and other deadly poisons. Upon his return, he shared a fatal meal with his mother and brother. Mithradates, who ultimately became King, somehow left the meal unharmed. In modern-day Turkey, a young boy endures a bite from a venomous viper. His doctor reports that the child experienced no ill effects and suggests the existence of a universal immunity in his blood, possibly as a descendant of Mithradates. And then the battle over his blood sample begins, attracting vigilantes who will stop at nothing to get their hands on the immunity. They even go so far as to steal young boy's hematology reports—and then murder the doctor who made the discovery. Word of the discovery made in his Holt Foundation children's hospital quickly spreads across continents to Lang Reilly. Lang decides he and his wife, Gurt, must travel to Turkey to get to the bottom of these tragic events. Soon after arriving in Trabzon, Turkey, Lang's house is burglarized, his rental car is attacked by phony police officers, and his wife is abducted from their hotel room by members of the Turkish mafia. Lang's life is not the only one in danger, and he must work fast to gain possession of the immunity before it is too late.

But Jane can't resist; upon opening it, she is sucked into an amazing and terrifying new world so small that insects are the size of horses. Jane knows she must escape immediately or be trapped forever. But first, she has to wrangle a flying bumblebee, rescue the king, and free the people of Eck. Kate Saunders's *The Little Secret* takes readers into a wildly imaginative miniaturized world of castle balls, death-defying bee riders, and giant racing spiders. A world where wicked plots are hatched, exciting rescues staged, and where the power of friendship can be a match for even the most dastardly of villains.
